28 "Physician Assistant," "PA," or any combination thereof in the
29 conduct of any occupation or profession pertaining to the prevention,
30 diagnosis, or treatment of human disease or condition, unless the
31 designation additionally contains the description of or reference to
32 another branch of the healing arts for which the individual holds a
33 valid license in this State or the use of the designation "Doctor" or
34 "Physician" is otherwise specifically permitted by law.

* D R S 1 5 1 5 7 - N B - 8 7 *

1 f. The performance of any act, within or without this State, described in
2 this subdivision by use of any electronic or other means, including the
3 Internet or telephone.

4 The administration of required lethal substances or any assistance whatsoever
5 rendered with an execution under Article 19 of Chapter 15 of the General
6 Statutes does not constitute the practice of medicine or surgery."

7 **SECTION 1.(b)** G.S. 90-9.3 reads as rewritten:

8 **"§ 90-9.3. Requirements for licensure as a physician assistant.**

9 (a) To be eligible for licensure as a physician assistant, an applicant shall submit proof
10 satisfactory to the Board that the applicant has met all of the following:

11 (1) The applicant has successfully completed an educational program for
12 physician assistants or surgeon assistants accredited by the Accreditation
13 Review Commission on Education for the Physician Assistant or its
14 predecessor or successor entities.

15 (2) The applicant has a current or previous certification issued by the National
16 Commission on Certification of Physician Assistants or its successor.

17 (3) The applicant is of good moral character.

18 ~~(b) Before initiating practice of medical acts, tasks, or functions as a physician assistant,~~
19 ~~the physician assistant shall provide the Board the name, address, and telephone number of the~~
20 ~~physician who will supervise the physician assistant in the relevant medical setting.~~

21 (c) The Board may, by rule, require an applicant to comply with other requirements or
22 submit additional information the Board deems appropriate."

23 **SECTION 1.(c)** Article 1 of Chapter 90 of the General Statutes is amended by adding
24 a new section to read:

25 **"§ 90-9.3A. Requirements for practice as a physician assistant.**

26 (a) A physician assistant shall execute and maintain a written or electronic supervisory
27 arrangement with a physician unless the physician assistant meets all of the following conditions:

28 (1) The physician assistant practices in team-based settings, as defined in
29 G.S. 90-1.1(4d).

30 (2) The physician assistant has more than 4,000 hours of practice experience as a
31 licensed physician assistant and more than 1,000 hours of practice within the
32 specific medical specialty of practice with a physician in that specialty.

33 (b) The written or electronic supervisory arrangement shall be made available to the
34 Board immediately upon request and shall describe with specificity, at a minimum, all of the
35 following:

36 (1) The terms of clinical oversight.

37 (2) An onboarding or orientation process.

38 (3) Quality measures to be achieved.

39 (4) Scope of delegate duties.

40 (5) Plan for interval expansion.

41 (c) Physician assistants who are subject to written or electronic supervisory arrangements
42 shall submit an "Intent to Practice Notification Form" to the Board before initiating the practice
43 of medical acts, tasks, or functions as a physician assistant, which shall include the name, address,
44 and telephone number of the physician who will supervise the physician assistant in the relevant
45 medical practice setting.

46 (d) Physician assistants shall collaborate and consult with or refer to the appropriate
47 members of the health care team as required by the patient's condition and as indicated by the
48 education, experience, and competencies of the physician assistant and the standard of care. The
49 degree of collaboration must be determined by the practice which may include decisions by the
50 employer, group, hospital service, and the credentialing and privileging systems of a licensed
51 facility. A physician assistant is responsible for the care they provide.

1 (e) Notwithstanding any other provision of this Chapter, a physician assistant practicing
2 in a perioperative setting, including the provision of surgical or anesthesia-related services, shall
3 be supervised by a physician."

4 **SECTION 1.(d)** G.S. 90-12.4 reads as rewritten:

5 **"§ 90-12.4. Physician assistant limited volunteer license.**

6 ...

7 (d) Before initiating the performance of medical acts, tasks, or functions as a physician
8 assistant licensed under this section, the physician assistant who is subject to supervisory
9 arrangements shall provide-submit an "Intent to Practice Notification Form" to the Board the
10 name, address, and telephone number of the physician licensed under this Article who will
11 supervise the physician assistant in the clinic specializing in the care of indigent patients.

12 "

13 **SECTION 1.(e)** G.S. 90-12.4B reads as rewritten:

14 **"§ 90-12.4B. Physician Assistant-assistant retired limited volunteer license.**

15 "

16 **SECTION 1.(f)** G.S. 90-18.1 reads as rewritten:

17 **"§ 90-18.1. Limitations on physician assistants.**

18 (a) Any person who is licensed under the provisions of G.S. 90-9.3 to perform medical
19 acts, tasks, and functions as a physician assistant may use the title "physician assistant" or "PA."
20 A person who meets the qualifications for licensure as a physician assistant under this Chapter
21 may use the title "physician assistant" or "PA," but shall not act or practice as a physician assistant
22 unless licensed under this Chapter. Any other person who uses the title in any form or holds out
23 to be a physician assistant or to be so licensed, shall be deemed to be in violation of this Article.

24 (a1) Physician assistants shall clearly designate their credentials as a physician assistant in
25 all clinical settings.

26 (b) Physician assistants are authorized to write prescriptions for drugs under the
27 following conditions:

28 (1) The North Carolina Medical Board has adopted regulations governing the
29 approval of individual physician assistants to write prescriptions with such
30 limitations as the Board may determine to be in the best interest of patient
31 health and safety.

32 (2) The physician assistant holds a current license issued by the Board.

33 (3) Repealed by Session Laws 2019-191, s. 35, effective October 1, 2019.

34 (4) ~~The~~ If the physician assistant is subject to a supervisory arrangement, the
35 supervising physician has provided to the physician assistant written
36 instructions about indications and contraindications for prescribing drugs and
37 a written policy for periodic review by the physician of the drugs prescribed.

38 (5) A physician assistant ~~shall personally consult with the supervising physician~~
39 ~~prior to prescribing who prescribes~~ a targeted controlled substance as defined
40 in Article 5 of this Chapter shall personally consult with a physician when all
41 of the following conditions apply:

42 a. The patient is being treated by a facility that primarily engages in the
43 treatment of pain by prescribing narcotic medications or advertises in
44 any medium for any type of pain management services.

45 b. The therapeutic use of the targeted controlled substance will or is
46 expected to exceed a period of 30 days.

47 When a targeted controlled substance prescribed in accordance with this subdivision is
48 continuously prescribed to the same patient, the physician assistant shall consult with the
49 ~~supervising~~ physician in the practice at least once every 90 days to verify that the prescription
50 remains medically appropriate for the patient.

1 ~~(c) Physician assistants are authorized to compound and dispense drugs under the~~
2 ~~following conditions:~~

3 ~~(1) The function is performed under the supervision of a licensed pharmacist.~~

4 ~~(2) Rules and regulations of the North Carolina Board of Pharmacy governing~~
5 ~~this function are complied with.~~

7 (d) Physician assistants are authorized to order medications, tests and treatments in
8 hospitals, clinics, nursing homes, and other health facilities under the following conditions:

9 (1) The North Carolina Medical Board has adopted regulations governing the
10 approval of individual physician assistants to order medications, tests, and
11 treatments with such limitations as the Board may determine to be in the best
12 interest of patient health and safety.

13 (2) The physician assistant holds a current license issued by the Board.

14 ~~(3) The~~ If the physician assistant is subject to a supervisory arrangement, the
15 supervising physician has provided to the physician assistant written
16 instructions about ordering medications, tests, and treatments, and when
17 appropriate, specific oral or written instructions for an individual patient, with
18 provision for review by the physician of the order within a reasonable time, as
19 determined by the Board, after the medication, test, or treatment is ordered.

20 (4) The hospital or other health facility has adopted a written policy about
21 ordering medications, tests, and treatments, including procedures for
22 verification of the physician assistants' orders by nurses and other facility
23 employees and such other procedures as are in the interest of patient health
24 and safety.

25 ~~(e) Any prescription written by a~~ A physician assistant or order given by a physician
26 assistant for medications, tests, or treatments shall be deemed to have been authorized by the
27 physician approved by the Board as the supervisor of the physician assistant and the supervising
28 physician shall be responsible for authorizing the prescription or order. may prescribe, dispense,
29 compound, order, administer, and procure drugs and medical devices. Physician assistants may
30 plan and initiate a therapeutic regimen that includes ordering and prescribing
31 non-pharmacological interventions, including durable medical equipment, nutrition, blood, blood
32 products, and diagnostic support services such as home health care, hospice, and physical and
33 occupational therapy.

34 ~~(e1) Any medical certification completed by a physician assistant for a~~ Physician assistants
35 may authenticate any document, including death certificate shall be deemed to have been

17 newborn; and
18 b. The nurse ~~midwives~~ midwives, physician assistants, and nurse
19 practitioners primarily responsible for the care of a mother and her
20 newborn child in accordance with State licensure and certification
21 laws.

22"

23 **SECTION 1.(i)** G.S. 110-91 reads as rewritten:

24 **"§ 110-91. Mandatory standards for a license.**

25 All child care facilities shall comply with all State laws and federal laws and local ordinances
26 that pertain to child health, safety, and welfare. Except as otherwise provided in this Article, the
27 standards in this section shall be complied with by all child care facilities. However, none of the
28 standards in this section apply to the school-age children of the operator of a child care facility
29 but do apply to the preschool-age children of the operator. Children 13 years of age or older may
30 receive child care on a voluntary basis provided all applicable required standards are met. The
31 standards in this section, along with any other applicable State laws and federal laws or local
32 ordinances, shall be the required standards for the issuance of a license by the Secretary under
33 the policies and procedures of the Commission except that the Commission may, in its discretion,
34 adopt less stringent standards for the licensing of facilities which provide care on a temporary,
35 part-time, drop-in, seasonal, after-school or other than a full-time basis.

- 36 (1) Medical Care and Sanitation. – The Commission for Public Health shall adopt
37 rules which establish minimum sanitation standards for child care centers and
38 their personnel. The sanitation rules adopted by the Commission for Public
39 Health shall cover such matters as the cleanliness of floors, walls, ceilings,
40 storage spaces, utensils, and other facilities; adequacy of ventilation;
41 sanitation of water supply, lavatory facilities, toilet facilities, sewage disposal,
42 food protection facilities, bactericidal treatment of eating and drinking
43 utensils, and solid-waste storage and disposal; methods of food preparation
44 and serving; infectious disease control; sleeping facilities; and other items and
45 facilities as are necessary in the interest of the public health. The Commission
46 for Public Health shall allow child care centers to use domestic kitchen
47 equipment, provided appropriate temperature levels for heating, cooling, and
48 storing are maintained. Child care centers that fry foods shall use commercial
49 hoods. These rules shall be developed in consultation with the Department.

50 The Commission shall adopt rules for child care facilities to establish
51 minimum requirements for child and staff health assessments and medical

1 care procedures. These rules shall be developed in consultation with the
2 Department. Each child shall have a health assessment before being admitted
3 or within 30 days following admission to a child care facility. The assessment
4 shall be done by: (i) a licensed physician, (ii) the physician's authorized agent
5 who is currently approved by the North Carolina Medical Board, or
6 comparable certifying board in any state contiguous to North Carolina, (iii) a
7 certified nurse practitioner, (iv) a licensed physician assistant, or ~~(iv)-(v)~~ a
8 public health nurse meeting the Departments Standards for Early Periodic
9 Screening, Diagnosis, and Treatment Program. However, no health
10 assessment shall be required of any staff or child who is and has been in
11 normal health when the staff, or the child's parent, guardian, or full-time
12 custodian objects in writing to a health assessment on religious grounds which
13 conform to the teachings and practice of any recognized church or religious
14 denomination.

15 Organizations that provide prepared meals to child care centers only are
16 considered child care centers for purposes of compliance with appropriate
17 sanitation standards.

18"

19 **SECTION 2.** This act becomes effective January 1, 2022.
