During January and February of 2023, no sessions may be held on Friday. Without leave of the House, no session shall continue after 10:00 P.M. on Monday nor after 9:00 P.M. on any other days, and the Speaker shall adjourn the House without motion at that point, except that a motion may be made as to the time and day of next convening. RULE 4. Approval of Journal. – (a) The Chair of the Standing Committee on Rules, Calendar, and Operations of the House shall cause the Journal of the House to be examined daily before the hour of convening to determine if the proceedings of the previous day have been correctly recorded.
(b) Immediately following the Pledge of Allegiance, the Speaker shall call for the Journal report by the Chair of the Standing Committee on Rules, Calendar, and Operations of the House, or by a Representative designated by the Chair, as to whether the proceedings of the previous day have been correctly recorded. Without objection, the Speaker shall cause the Journal to stand approved.

RULE 5. Order of Business of the Day. – After the approval of the Journal of the preceding day, unless the Speaker varies or alters the order, the House shall proceed to business in the following order:

(b) As used in these rules, a pro forma session occurs when the Speaker notifies the body, either by announcement in the chamber or electronically using the General Assembly email system, that no motions, votes, or matters other than those allowed under subsection (a) of this rule will be taken during a future designated session.

II. Conduct of Debate

RULE 6. Duties and Powers of the Speaker. – The Speaker shall have general direction of the Hall, subject to more specific provisions of these rules. The Speaker may name any member to perform the duties of the chair, but substitution shall not extend beyond one day, except in the case of sickness or by leave of the House. If the Speaker is absent and has not designated a member or the Principal Clerk to perform the duties of the chair, the Speaker Pro Tempore shall preside during such absence. In the case of a vacancy in the office of the Speaker of the House of Representatives, the Principal Clerk shall preside over the House until the House elects a Speaker.

RULE 7. Obtaining Floor. – (a) When any member desires recognition for any purpose, the member shall rise and respectfully address the Speaker. No member shall proceed until recognized by the Speaker for a purpose.

(b) When a member desires to interrupt a member having the floor, the member shall first obtain recognition by the Speaker and permission of the member occupying the floor, and when such recognition and permission have been obtained, he or she may propound a question to the member occupying the floor; but he or she shall not otherwise interrupt the member having the floor, except as provided in subsection (c) of this rule; and the Speaker shall, without the point of order being raised, enforce this rule.

(c) A member who has obtained the floor may be interrupted only for the following reasons:

(1) A request that the member speaking yield for a question,
(2) A point of order,
(3) A parliamentary inquiry, or
(4) A question of privilege.

RULE 8. Questions of Privilege. – Upon recognition by the Speaker for that purpose, any member may speak to a question of privilege for a time not to exceed three minutes. Questions of privilege shall be those affecting, first, the rights of the House collectively, its safety, dignity, and the integrity of its proceedings; second, the rights, reputation, and conduct of members, individually, in their representative capacity only; and shall have precedence over all other questions, except motions to adjourn. Privilege may not be used to explain a vote or debate a bill. The Speaker shall determine if the question is one of privilege and shall, without the point of order being raised, enforce this rule.
RULE 8.1. **Points of Personal Privilege; Representative Statements; Explanation of Vote.** – Upon recognition by the Speaker for that purpose, any member may speak to a point of personal privilege for a time not exceeding three minutes. The Speaker shall determine if the question raised is one of personal privilege and shall, without the point of order being raised, enforce this rule. A member may use some or all of that time to explain to the House a "Representative Statement." Upon motion supported by a majority present and voting, that statement may be spread upon the Journal. Neither personal privilege nor a Representative Statement may be used to explain a vote, debate a bill, or in any way disrupt the regular business of the House, nor shall such opportunities be used to solicit support or sponsors for any bill. The format of a Representative Statement shall be prescribed by the Chair of the Standing Committee on Rules, Calendar, and Operations of the House, but in any case shall speak only in the voice of the member submitting it.

RULE 9. **Points of Order.** – (a) The Speaker shall decide questions of order, which once raised, are not debatable. Any member may appeal from the ruling of the chair on questions of order; on such appeal no member may speak more than once, unless by leave of the House. A three-fifths vote of the members present shall be necessary to sustain any appeal from the ruling of the chair.

(b) When the Speaker calls a member to order, the member shall be seated, except that a member called to order may clear a matter of fact, or explain, but shall not proceed in debate so long as the decision stands. If the member appeals from the ruling of the chair and the decision by a three-fifths vote of the members present be in favor of the member called to order, the member may proceed; if otherwise, the member shall not; and if the case, in the judgment of the House, requires it, the member shall be liable to censure by the House.

RULE 10. **Limitations on Debate.** – (a) No member shall speak on, debate, or solicit cosponsors for a bill or resolution at its first reading.

(b) No member shall speak more than twice on the main question nor longer than 15 minutes for the first speech and five minutes for the second speech; nor shall the member speak more than twice upon an amendment or a motion to reconsider, re-refer, or postpone or any motion on concurrence, and then not longer than 10 minutes for the first speech and five minutes for the second speech.

(c) A member may speak only once and for not more than 10 minutes on the question of the adoption of a minority report.

(d) In computing the time allowed for argument, the time consumed in answering questions should be considered and is taken out of any time allowed that member.

(e) The House, by consent of a majority of the members present, may suspend the operation of subsections (b) through (d) of this rule during any debate on any particular question before the House.

RULE 11. **Reading of Papers.** – When there is a call for the reading of the text of a paper which has been presented to the House and there is objection to such reading, the question shall be determined by a majority vote of the members of the House present. Except for protests permitted by the Constitution, no member may have material printed in the Journal until said material has been presented to the House and the printing approved by the House, and said material shall not exceed 1,000 words.

RULE 12. **General Decorum.** – (a) The Speaker shall preserve order and decorum.

(b) Decency of speech shall be observed and disrespect to personalities carefully avoided.

(c) When the Speaker is putting any question or addressing the House, no person shall speak, stand up, walk out of, or cross the House, nor, when a member is speaking, engage in disruptive discourse or pass between the member and the chair.

(d) Food shall not be permitted on the floor of the House during the first hour of the daily session.
(e) The reading of newspapers shall not be permitted on the floor of the House while the House is in session.

(f) The consumption of food or beverages shall not be permitted in the galleries at any time.

(g) Special recitals and performances by musicians or other groups shall not be permitted on the floor of the House, and special guests of members of the House shall not be permitted on the floor of the House.

(h) Members shall observe appropriate attire: coat and tie for male members and dignified dress for female members.

(i) The use of a mobile device or cellular phone for the purpose of making or receiving a phone call shall not be permitted in the House Chamber while the House is in session.

(j) Placards, stickers, or signs are not permitted in the House Chamber.

III. Motions

RULE 13. Motions Generally. – (a) A motion that is complex, complicated, or otherwise not easily understood shall be reduced to writing at the request of the Speaker or any member. No motion relating to a bill shall be in order that does not identify the bill by its number and short title.

(b) When a motion is made, it shall be stated by the Speaker or, if written, it shall be handed to the chair and read aloud by the Speaker or Clerk before debate.

(c) After a motion has been stated by the Speaker or read by the Speaker or Clerk, it shall be in the possession of the House; but it may be withdrawn before a decision or amendment, except in case of a motion to reconsider, which motion, when made by a member, shall be in possession of the House and shall not be withdrawn without leave of the House.

RULE 14. Motions, Order of Precedence. – When there are motions before the House, the order of precedence is as follows:

To adjourn.
To recess.
To lay on the table.
Previous question.
To postpone indefinitely.
To reconsider.
To postpone to a day certain.
To re-refer.
To amend an amendment.
To amend.
To pass the bill.

No motion to lay on the table, to postpone indefinitely, to postpone to a day certain, to re-refer, to divide the question, or to make a particular amendment, being decided, shall be again allowed at the same stage of the bill or proposition.

RULE 15. Motion to Adjourn. – (a) A motion to adjourn shall be seconded before the motion is put to the vote of the House.

(b) A motion to adjourn shall be decided without debate and shall always be in order, except when the House is voting or some member is speaking; but a motion to adjourn shall not follow a motion to adjourn until debate or some other business of the House has intervened.

RULE 15.1. Motion to Adjourn or Stand in Recess; Standard Stipulations. – A motion to adjourn or stand in recess subject to the standard stipulations shall constitute a motion to adjourn or stand in recess subject to the ratification of bills, messages from the Senate, committee reports, conference reports, referral and re-referral of bills and resolutions, appointment of conferees, introduction of bills and resolutions, committee appointments, and the reading of Representative Statements.
RULE 16. Motion to Table. – (a) A motion to table shall be seconded before the motion is put to the vote of the House and is in order except when a motion to adjourn or to recess is before the House.

(b) A motion to table shall be decided without debate; however, the proponent of the matter that is subject of the motion to table shall be given up to two minutes to explain the matter subject to the motion to table if the proponent has not previously explained the matter prior to the motion to table.

(c) A motion to table a bill shall constitute a motion to table the bill and all amendments thereto.

(d) When the question before the House is the adoption of an amendment to a bill or resolution, a motion to table the bill is not in order; and a motion to table an amendment applies to the amendment only, and the motion may not expressly or by implication or construction be expanded to include a motion to table the bill also.

(e) When a question has been tabled, it shall not thereafter be considered, except on motion to reconsider under Rule 18 or to remove from the table approved by a two-thirds vote.

RULE 17. Motion to Postpone Indefinitely. – A motion to postpone indefinitely is in order except when a motion to adjourn, or to lay on the table, or for the previous question, or to recess is before the House. However, after one motion to postpone indefinitely has been decided, another motion to postpone indefinitely shall not be allowed at the same stage of the bill or proposition. When a question has been postponed indefinitely, it shall not thereafter be considered, except on motion to reconsider under Rule 18 or to place on the favorable calendar approved by a two-thirds vote.

RULE 18. Motion to Reconsider. – (a) When a question has been decided, it is in order for any member to move for the reconsideration thereof on the same or the succeeding legislative day; provided that if the vote by which the motion was originally decided was taken by a recorded vote, only a member of the prevailing side may move for reconsideration.

(b) A motion to reconsider shall be determined by a majority vote, except all of the following shall require a two-thirds vote:

1. A motion to reconsider not made on the same or the succeeding legislative day when a question has been decided.
2. A second or subsequent motion to reconsider.
3. A motion to reconsider:
   a. A vote upon a motion to table.
   b. A motion to postpone indefinitely.
   c. A motion to remove a bill from the unfavorable calendar.
   d. A motion that a bill be read twice on the same day.
   e. A motion to remove from the table.

(c) A motion to reconsider the vote by which a person has been elected as Speaker or Speaker Pro Tempore shall not be in order. This subsection of this rule cannot be suspended except by a vote of three-fifths of all the members of the House.

RULE 19. Previous Question. – (a) The previous question may be called only by:

1. The Chair of the Committee on Rules, Calendar, and Operations of the House;
2. The Vice-Chair of the Committee on Rules, Calendar, and Operations of the House if the Chair is not in the Chamber or able to participate in debate;
3. The Majority Leader;
4. The member submitting the report on the bill or other matter under consideration;
5. The member introducing the bill or other matter under consideration;
6. The member in charge of the measure, who shall be designated by the chair of the standing committee reporting the same to the House at the time the bill
or other matter under consideration is reported to the House or taken up for
consideration.
(b) When the call for the previous question has been decided in the affirmative by
a majority vote of the House, the question is on the passage of the bill, resolution, or other matter
under consideration.
(c) The call for the previous question shall preclude all motions, amendments,
and debate, except the motion to adjourn, motion to recess, or motion to table.
(d) If the previous question is decided in the negative, the question remains under
debate.
(e) After the previous question is ordered by the House on the main question of
second or third reading, the Majority Leader and the Minority Leader may each allocate three
minutes of debate on the question. The Majority Leader and the Minority Leader may each
designate another member to act under this subsection.

IV. Voting
RULE 20. Use of Electronic Voting System. – (a) Votes on the following questions
shall be taken on the electronic voting system, and the ayes and noes shall be recorded on the
Journal:

(1) The passage as required by Section 23 of Article II of the North Carolina
Constitution on second and third readings of any bill:
  a. Raising money on the credit of the State,
  b. Pledging the faith of the State for the payment of a debt,
  c. Imposing a State tax, or
  d. Authorizing a county, municipality, or other local governmental unit
to:
     1. Raise money on its credit,
     2. Pledge its faith for the payment of a debt, or
     3. Impose a local tax.

(2) All questions on which a call for the ayes and noes under Rule 24(a) and
Section 19 of Article II of the North Carolina Constitution has been sustained.
(3) Both second and third readings of bills proposing amendment of the North
Carolina Constitution or ratifying resolutions amending the United States
Constitution.
(4) The passage of a bill, notwithstanding the Governor's veto thereof, pursuant
to Section 22 of Article II of the North Carolina Constitution.

(b) Votes on the following questions shall be taken on the electronic voting
system:

(1) Second reading of all public bills except resolutions, all amendments to public
bills, third reading if a public bill was amended after second reading or if the
reading occurs on a day or days following the second reading, all conference
reports on public bills, all motions to lay public bills on the table, and all
motions to postpone public bills indefinitely.
(2) Upon a call for division.
(3) Any other question upon direction of the Speaker or upon motion of any
member supported by one-fifth of the members present.
(4) When the electronic voting system is used, 15 seconds shall be allowed for
voting on the question before the House, unless the Chair shall direct otherwise. Once the system
is locked, the vote shall be recorded and printed.
(5) The voting station at each member's desk in the Chamber shall be used only
by the member to which the station is assigned. Under no circumstances shall any other person
vote at a member's station. It is a breach of the ethical obligation of a member either to request
that another person vote at the requesting member’s station or to vote at another member’s station. The Speaker shall enforce this rule without exception.

(e) When the electronic voting system is used, the Speaker shall state the question and shall then state substantially the following: "All in favor vote 'aye'; all opposed vote 'no'; the Clerk will open the vote." In order to have the vote recorded, the member must vote by the electronic voting system within the time allowed for that vote, unless the voting station assigned to a member is malfunctioning. The Speaker shall enforce this rule without exception. After the allotted time for voting has elapsed, the Speaker shall say: "The Clerk will now lock the machine and record the vote." After the machine is locked and the vote recorded, the Speaker shall announce the vote and declare the result.

(f) One copy of the machine printout of the vote record of all votes taken on the electronic voting system shall be filed in the office of the Principal Clerk, and two copies shall be filed in the Legislative Library where the copies shall be open to public inspection. A legible copy of the bill, amendment, or motion on which the vote was taken shall be filed with the printout of the vote in the Legislative Library.

(g) When the Speaker ascertains that the electronic voting system is inoperative before a vote is taken or while a vote is being taken on the electronic voting system, the Speaker shall announce that fact to the House, and any partial electronic voting system voting record shall be voided. In such a case, if the North Carolina Constitution or the Rules of the House require a call of the ayes and noes, the Clerk shall call the roll of the House, and the ayes and noes shall be taken manually and shall be recorded on the Journal. All roll call votes shall be taken alphabetically. If, after a vote is taken on the electronic voting system, it is discovered that a malfunction caused an error in the electronic voting system printout, the Speaker shall direct the Reading Clerk and the Principal Clerk to verify and correct the printout record and so advise the House.

(h) For the purpose of identifying motions on which the vote is taken on the electronic voting system, the motions are coded as follows:

1. To adjourn.
2. To recess.
3. To lay on the table.
4. Previous question.
5. To postpone indefinitely.
6. To reconsider.
7. To postpone to a day certain.
8. To re-refer.
9. To amend an amendment.
10. To amend.
11. To concur or not concur.
12. Miscellaneous.

RULE 21. Voice Votes; Stating Questions. – (a) All other votes except those required to be taken on the electronic voting system may be taken by voice vote.

(b) When a voice vote is taken, the Speaker shall put the question substantially as follows: "Those in favor (as the question may be) will say 'aye,'" and after the affirmative voice has been expressed, "Those opposed will say 'no.'"

(c) No statement, explanation, debate, motion, parliamentary inquiry, or point of order shall be allowed once the voice vote has begun. Any point of order or parliamentary inquiry may be raised, however, after the completion of the vote.

RULE 22. Determining Questions. – (a) Unless otherwise provided by the North Carolina Constitution or by these rules, all questions shall be determined by a simple majority of the members present and voting.
(b) No member may vote unless the member is in the Chamber when the question is put. This subsection of this rule cannot be suspended.

RULE 23. Voting by Division. – Any member may call for a division of the members upon the question before the result of the vote has been announced. Upon a call for a division, the Speaker shall cause the number voting in the affirmative and in the negative to be determined. Upon a division and count of the House on any question, no member away from the member’s seat shall be counted.

RULE 24. Roll Call Vote. – (a) Before a question is put, any member may call for the ayes and noes. If the call is sustained by one-fifth of the members present, the question shall be decided by the ayes and noes upon a roll call vote.

(b) Every member who is in the Hall of the House when the question is put shall vote upon a call of the ayes and noes, unless excused pursuant to Rule 24.1A.

(c) No member may change a vote without leave of the House, but such leave shall not be granted if it affects the result or if the session in which the vote was taken has been adjourned.

RULE 24.1A. Excuse From Deliberations and Voting on a Bill. – (a) Any member shall, upon request, be excused in advance from the deliberations and voting on a particular bill at any time that the reason for the request arises in the proceedings on the bill.

(b) The member may make a brief oral statement of the reasons for making the request. The member shall provide to the Principal Clerk, on a form provided by the Clerk, a concise written statement of the reason for the request, and the Clerk shall include this statement in the Journal.

(c) Except as provided in subsection (e) of this rule, the member so excused shall not debate the bill or any amendment to the bill, vote on the bill, offer or vote on any amendment to the bill, or offer or vote on any motion concerning the bill, in committee or on the floor of the House at any reading, or any subsequent consideration of the bill.

(d) A member may request that his or her excuse from deliberations on a particular bill be withdrawn.

(e) By leave of the House, a member who has been excused from deliberations and voting on a bill may participate in deliberations and votes on amendments to which that member does not have any conflict that requires excusal.

RULE 24.1B. Division of Amendments and Questions. – (a) Any member may call for an amendment to be divided into two or more amendments to be voted on separately. The motion shall be in writing, must be submitted to the Principal Clerk at the time the motion is made, and must clearly state how the question is to be divided. The Speaker shall determine whether the amendment admits of such a division. Upon a majority vote of the members present and voting, the motion shall be adopted and the body shall debate and vote each amendment separately.

(b) Any member may call for a bill to be divided into two or more propositions to be voted on separately, provided the bill is subject to division into separate parts so that each part states a separate and distinct proposition capable of standing alone. The motion shall be in writing, must be submitted to the Principal Clerk at the time the motion is made, and must clearly state how the question is to be divided. The Speaker shall then determine whether the bill admits of such a division. Upon a majority vote of the members present and voting, the motion shall be adopted and there shall be no further amendment or debate as to further division of the distinct propositions. If the question is divided, the body shall debate and vote each proposition separately. If any proposition fails, the bill shall be removed from the calendar and re-referred to the committee from which the bill was reported. If all parts of the divided question pass, the Speaker shall announce that the entire measure has passed second or third reading. No conference report and no Current Operations Appropriations Bill is eligible to be divided under this subsection.
RULE 25. Voting by Speaker. – In all elections, the Speaker may vote. In all other instances, the Speaker may vote or may reserve this right until there is a tie, in which event the Speaker may vote; but in no instance may the Speaker vote twice on the same question.

V. Committees

RULE 26. Standing Committees Generally. – (a) The Speaker shall appoint a chair, or cochair, of every standing committee, and select committee, if any. In the construction of these rules, the word "chair," as applied to a committee, extends to and includes a cochair of the committee. The Speaker shall have the exclusive right and authority to establish select committees, but this does not exclude the right of the House by resolution to establish select committees.

(b) The Speaker shall establish the number of members of each standing committee and appoint the members in a manner to reflect the partisan membership of the House, except that the Committee on Ethics shall have an equal number of members of the majority and minority.

(c) Before appointing members of committees, the Speaker shall consult with the Minority Leader. The Speaker and Minority Leader shall consider members' committee preferences in making appointments and recommendations.

(d) The Chair of the Committee on Rules, Calendar, and Operations of the House, the Speaker Pro Tempore, the Majority Leader, and the Deputy Majority Leader are ex officio members of each standing committee with the right to vote. The previous sentence does not apply to the Standing Committee on Ethics. Up to two chairs of the Appropriations Committee are entitled to vote in all other Appropriations Committees (Capital, Education, General Government, Health and Human Services, Information Technology, Justice and Public Safety, Agriculture and Natural and Economic Resources, and Transportation).

(e) Either the chair or acting chair, designated by the chair or by the Speaker, and five other members of the standing committee, or a majority of the standing committee, whichever is fewer, shall constitute a quorum of that standing committee. A quorum of less than a majority of all the members must include at least one member of the minority party. For purposes of determining a quorum, the Chair of the Standing Committee on Rules, Calendar, and Operations of the House, the Speaker Pro Tempore, the Majority Leader, and the Deputy Majority Leader, when serving only as ex officio members under subsection (d) of this rule, shall be counted among the membership of the committee only when present.

(f) In any joint meeting of the Senate and House committees, the House standing committee reserves the right to vote separately.

RULE 26.1. Mentions of Standing Committee Includes Select Committee. – Any reference in these rules to standing committees shall extend to select committees unless the context requires otherwise.

RULE 27. List of Standing Committees. – The standing committees are:

Committees

Alcoholic Beverage Control

RULE 28. **Standing Committee Meetings.** – (a) Standing committees shall be furnished with suitable meeting places pursuant to a schedule established by the Chair of the Standing Committee on Rules, Calendar, and Operations of the House. Select committees shall be furnished with suitable meeting places as their needs require by the Chair of the Standing Committee on Rules, Calendar, and Operations of the House.

(b) Subject to the provisions of subsection (c) of this rule, standing committees thereof shall permit other members of the General Assembly, the press, and the general public to attend all sessions of said standing committees.

(c) The chair or other presiding officer shall have general direction of the meeting place of the standing committee, and, in case of any disturbance or disorderly conduct therein, or if the peace, good order, and proper conduct of the legislative business is hindered by any person or persons, the chair or presiding officer shall have power to exclude from the session any individual or individuals so hindering the legislative business.

(d) Procedure in the standing committees shall be governed by the rules of the House, so far as the same may be applicable to such procedure. Before a question is put, any member may call for the ayes and noes. The chair shall ask, "Is the call sustained?" If the call is sustained by one-fifth of the members present and standing, the question shall be decided by the ayes and noes upon a roll call vote. All roll call votes shall be taken alphabetically and shall be subject to Rule 21(c).

(d1) The committee chair shall set the agenda for each committee meeting. After April 1, 2023, a committee may, provided there is a written request signed by at least two-thirds of the members of the committee, place a bill on the committee's agenda for the next regularly scheduled meeting of the committee.

(e) No standing committee shall meet on any day when the House shall not convene except by permission of the Speaker or by approval of the House by resolution adopted by a majority vote of the House.
(f) No standing committee shall meet during any session of the House that is not a pro forma session. Standing committees shall meet at their regularly scheduled hour. Standing committees may meet at other times as authorized by the Chair of the Standing Committee on Rules, Calendar, and Operations of the House in order to assure the availability of the meeting room and that no conflicts will exist with the meetings of other bodies. Except for a meeting of a standing committee for which the Speaker has given notice that the House will be at ease until the adjournment of that standing committee, all standing committee meetings shall adjourn no later than:

1. 15 minutes preceding a regular session of the House, and
2. 10 minutes preceding the hour of the next regularly scheduled standing committee meeting.

Action taken by a committee in violation of this rule is voidable unless taken by unanimous consent at a meeting at which a majority of all the members of the committee are present, and at which at least one member present is of the minority party.

(g) Any call or notice of a standing committee meeting between legislative sessions shall be sent by electronic mail to each member of the standing committee at least five days prior to such meeting. If a member of the body so requests in writing to the chair of the standing committee, the member shall also be notified of the meetings by mail at a designated address.

(h) During standing committee meetings, the chair may exercise the right to vote, or may reserve this right until there is a tie, in which event the chair may vote, but in no instance may the chair vote twice on the same question.

RULE 28.1. (b) If, after such preliminary investigation as it may make, the Committee determines to proceed with an inquiry into the conduct of any individual, the Committee shall notify the individual as to the fact of the inquiry and the charges against the individual and shall schedule one or more hearings on the matter. The individual shall have the right to present evidence, cross-examine witnesses, and be represented by counsel at any hearings.

(c) After the Committee has concluded its inquiries into the alleged violations, the Committee shall dispose of the matter by taking one of the following actions:

1. Dismiss the complaint and take no further action.
2. Issue a private letter of reprimand to the legislator, if the legislator unintentionally violated the provisions of the Open Meetings Law.

2. Each member is able to communicate, in real time, with all other members by (i) in-person communication, (ii) remote communication using devices or programs that transmit audio or audio and video, or (iii) both.
3. All documents considered by the committee are provided to members.
The committee otherwise complies with G.S. 143-318.13(a).

(d) In the Committee of the Whole House, a motion that the standing committee rise shall always be in order, except when a member is speaking, and shall be decided without debate.

(e) When a bill is submitted to the Committee of the Whole House, it shall be read and debated by sections, leaving the preamble to be last considered. The body of the bill shall not be defaced or interlined, but all amendments, noting the page and line, shall be duly entered by the Principal Clerk on a separate paper as the same shall be agreed to by the standing committee and be so reported to the House. After report, the bill shall again be subject to be debated and amended by sections before a question on its passage be taken.

(g) All memorializing, celebration, commendation, and commemoration resolutions, except those honoring the memory of deceased members of the General Assembly or expressing to Congress the opinions of the House or the General Assembly, shall be excluded from introduction and consideration in the House. The mention of a deceased member of the General Assembly as a pretext to honor an institution or a living person is prohibited. Members should utilize a Representative Statement, as provided in Rule 8.1, as the preferred alternative to House simple resolutions that memorialize, celebrate, commend, and commemorate, other than for those relating to deceased members of the General Assembly or expressing to Congress the opinions of the House or the General Assembly.
(h) Any reference in these rules to bills shall extend to resolutions unless the context requires otherwise.

or both of the Appropriations Committee or the Finance Committee, must be submitted to the
Legislative Drafting Division or the Legislative Analysis Division of the Legislative Services
Office by 4:00 P.M. on Wednesday, March 29, 2023, and must be introduced not later than 3:00
P.M. on Tuesday, April 25, 2023. If any bill is subject to the deadline under this subsection and
the bill is amended so that all the provisions requiring referral to either or both of those
committees under Rule 38 do not remain in the bill, it is not eligible for further consideration.
(f) A bill containing no substantive provisions may not be introduced in the
House.
(g) No member may introduce more than 15 public bills. For the purpose of this
subsection, the introducer is the member who is listed as the first sponsor. A member may assign
a portion of this limit to another member electronically using the procedures established and
published by the Principal Clerk. This subsection does not apply to bills or resolutions
recommended by commissions or committees authorized or directed by act or resolution of the
General Assembly (i) to report to the 2023 Regular Session of the General Assembly, or to report
prior to convening of that session, or (ii) that are recommended to the Regular Session of the
General Assembly by a commission or committee established directly by Chapter 120 of the

received by the next legislative day stating that a bill has passed its third reading and is being
engrossed shall comply with the requirements of this subsection and provided that the Senate has
a similar rule.
(i) This rule, other than subsections (f) and (g), does not apply to bills (i)
establishing districts for Congress or State or local entities, (ii) introduced on the report of the
Committees on Appropriations, Finance, or Rules, Calendar, and Operations of the House, or

RULE 32. Referral to Standing Committees; Serial Referrals; Re-referral of Bills
From One Standing Committee to Another Standing Committee; Re-referral to Committee
on Rules. – (a) Each bill not introduced on the report of a standing committee shall immediately
upon its first reading be referred by the Speaker to such standing committee, select committee,
or committee of the whole as the Speaker deems appropriate. The Speaker at the same time may
order that, if the bill is reported with any favorable recommendation or without prejudice, it be
re-referred automatically upon the committee report to another committee designated in the
order. Each joint resolution or House resolution not introduced on the report of a standing
committee shall immediately upon its first reading either be referred by the Speaker to a standing
committee or be calendared on the date designated by the Speaker, as the Speaker deems appropriate.

(a) Notwithstanding subsection (a) of this rule, any bill establishing districts for Congress or State Senators or State Representatives may be placed on the calendar without being referred by the Speaker to a committee and on the same legislative day of its introduction or receipt from the Senate.

(b) Upon consent of the sponsor of the bill, the Speaker, the chair of the standing committee from which the bill is to be re-referred, and the chair of the standing committee to which the bill is to be re-referred, the chair of the standing committee from which the bill is to be re-referred or the Chair of the Committee on Rules, Calendar, and Operations of the House may move for a re-referral to another standing committee, and the bill shall be re-referred upon vote of the majority present during a regular session of the House.

(c) The Speaker may remove a bill from the committee to which the bill has been referred and may re-refer the bill to another committee.

(d) All public bills and resolutions reported by any standing committee must have also been reported by the Committee on Rules, Calendar, and Operations of the House prior to being calendared for consideration by the House. This rule may be waived by leave of the House.

RULE 33. Papers Addressed to the House. – Petitions, memorials, and other papers addressed to the House shall be presented by the Speaker. A brief statement of the contents thereof may be made orally by the introducer before referral to a committee, but such papers shall not be debated or decided on the day of their first being read unless the House shall direct otherwise.

(c) A bill may be filed for introduction without the signature or initial of each member whose name appears on the preprinted bill jacket as a primary sponsor if each such member has approved being included as a primary sponsor using the member’s electronic dashboard.

RULE 35. Public and Local Bills. – (a) The Legislative Services Officer shall cause such bills as are introduced to be duplicated in such numbers as may be specified by the Speaker. Copies shall be available in the Printed Bills Room and made available to the committees to which the bill is referred, to individual members on request, and to the general public.

(b) A public bill is a bill affecting 15 or more counties. A local bill is one affecting fewer than 15 counties.

RULE 35.1. Municipal Incorporation Reports. – Every legislative proposal introduced in the House or received in the House from the Senate, proposing the incorporation of a municipality shall have attached to the jacket of the original bill at the time of its consideration on second or third readings by the House or by any committee of the House prior to a favorable report, a recommendation from the Municipal Incorporations Subcommittee of the Joint Legislative Committee on Local Government, established by Article 20 of Chapter 120 of the General Statutes. The recommendation of the Municipal Incorporations Subcommittee of the Joint Legislative Committee on Local Government shall be made in accordance with the provisions and criteria set forth in Article 20 of Chapter 120 of the General Statutes and shall include the findings required to be made by G.S. 120-166 through G.S. 120-170.
RULE 36. Report by Standing Committee.— (a) Reports. — Bills and resolutions may be reported from the standing committee to which referred with such recommendations as the standing committee may desire to make.

(b) Favorable Report. — When a standing committee reports a bill with the recommendation that it be passed, the bill shall be placed on the favorable calendar on the day designated by the Chair of the Standing Committee on Rules, Calendar, and Operations of the House, but not on the same day that it is reported except by leave of the House, and no later than the fourth legislative day after submission of the report or Senate message under Rule 43.2 or Rule 43.3(a), unless:

1. The bill is re-referred to the Committee on Appropriations or Committee on Finance under Rule 38 or was serially referred under Rule 32; or
2. The bill has not yet been placed on the calendar, and the Speaker refers the bill to another committee.

In order to place a bill on the calendar for a legislative day, notice shall be given by the Chair of the Standing Committee on Rules, Calendar, and Operations of the House orally in the House or in writing to the Principal Clerk. When a committee substitute is adopted and receives a favorable report by the standing committee, the chair shall submit to the standing committee the question of an unfavorable report on the original bill. The standing committee's action, if any, on the original bill shall be reported at the same time the committee substitute is reported.

(b1) Favorable Report of Bills Proposing Congressional or State Districts.— Notwithstanding subsection (b) of this rule, a bill establishing districts for Congress or State Senators or State Representatives that is reported favorably by a committee may be placed on the favorable calendar on the same day it is reported.

(c) Report Without Prejudice. — When a standing committee reports a bill without prejudice, the bill shall be placed on the favorable calendar in the same manner as provided in subsection (b) of this rule.

(d) Postponed Indefinitely. — When a standing committee reports a bill with the recommendation that it be postponed indefinitely and no minority report accompanies it, the bill shall be placed on the unfavorable calendar.

(e) Unfavorable Report. — When a standing committee reports a bill with the recommendation that it not be passed and no minority report accompanies it, the bill shall be placed on the unfavorable calendar.

(f) Minority Report. — When a bill is reported by a standing committee with a recommendation that it not be passed or that it be postponed indefinitely but it is accompanied by a minority report signed by at least one-fourth of the members of the standing committee who were present and voting when the bill was considered in standing committee, the question before the House shall be: "The adoption of the minority report." If the minority report is adopted by majority vote, the bill shall be placed on the favorable calendar for consideration. If the minority report fails of adoption by a majority vote, the bill shall be placed on the unfavorable calendar.

RULE 36.1. Fiscal Notes. — (a) The Chair or Cochair of the Appropriations Committee, of the Finance Committee, or of the Standing Committee on Rules, Calendar, and Operations of the House, upon the floor of the House, may request that a fiscal analysis be made of a bill, a resolution, or an amendment to a bill or resolution which is in the possession of the House and that a fiscal note be attached to the measure, which request shall be allowed when, in the opinion of the Speaker, the fiscal effects of that measure are not apparent from the language of the measure. When a request is properly made under this subsection, the bill is removed from the calendar until such time that the fiscal note is attached to the measure.

(b) The fiscal note shall be filed and attached to the bill or amendment within two legislative days of the request, and a copy shall be sent by electronic mail to each member. If it is impossible to prepare a fiscal note within two legislative days, the Director of Fiscal Research shall, in writing, so advise the Speaker, the Principal Clerk, the Majority Leader, the Minority
Leader, and the member introducing or proposing the measure and shall indicate the time when
the fiscal note will be ready.

(c) The fiscal note shall be prepared by the Fiscal Research Division on a form
approved by the Chair of the Standing Committee on Rules, Calendar, and Operations of the
House as to content and form and signed by the staff member or members preparing it. If no
estimate in dollars is possible, the fiscal note shall indicate the reasons that no estimate is
provided. The fiscal note shall not comment on the merit, but may identify technical problems.
The Fiscal Research Division shall make the fiscal note available to the membership of the
House.

(d) A sponsor of a bill or amendment may deliver a copy of the bill or amendment
to the Fiscal Research Division for the preparation of a fiscal note. The sponsor shall attach the
fiscal note to the bill when filed or to the amendment when its adoption is moved.

(e) The sponsor of a bill or amendment to which a fiscal note is attached who
objects to the estimates and information provided may reduce to writing the objections. These
objections shall be appended to the fiscal note attached to the bill or amendment and to the copies
of the fiscal note available to the membership.

(f) Subsection (a) of this rule shall not apply to the Current Operations
Appropriations Bill or the Capital Improvement Appropriations Bill. This rule shall not apply to
a bill or amendment requiring an actuarial note under these rules.

RULE 36.1A. Distribution of Proposed Committee Substitutes. – (a) No proposed
committee substitute may be considered by a standing committee unless the proposed committee
substitute shall have been distributed electronically no later than 9:00 P.M. of the preceding
calendar day to the members of the committee and to the member who is listed as the first primary
sponsor. This requirement may be waived by leave of the standing committee.

(b) Subsection (a) of this rule does not apply to a proposed committee substitute
establishing districts for Congress or State Senators or State Representatives.

RULE 36.2. Actuarial Notes. – (a) Every bill or resolution proposing any change in
the law relative to any:

(1) State, municipal, or other retirement system funded in whole or in part out of
public funds; or

(2) Program of hospital, medical, disability, or related benefits provided for
teachers and State employees, funded in whole or in part by State funds;
shall have attached to it at the time of its consideration by any standing committee a brief
explanatory statement or note which shall include a reliable estimate of the financial and actuarial
effect of the proposed change to that retirement or pension system. The actuarial note shall be
attached to the jacket of each proposed bill or resolution which is reported favorably by any
standing committee, shall be separate therefrom, and shall be clearly designated as an actuarial
note. A bill described in subdivision (a)(1) of this rule shall be referred to the Committee on
Pensions and Retirement upon its introduction in accordance with G.S. 120-1111.3.

(b) The sponsor of the bill or resolution shall present a copy of the measure, with
a request for an actuarial note, to the Fiscal Research Division, which shall prepare the actuarial
note as promptly as possible but not later than two weeks after the request is made, unless an
extension of time is agreed to by the sponsor as being necessary in the preparation of the note.
Actuarial notes shall be prepared in the order of receipt of request and shall be transmitted to the
sponsor of the measure. The actuarial note of the Fiscal Research Division shall be prepared and
signed by an actuary.

(c) The sponsor of the bill or resolution shall also present a copy of the measure
to the actuary employed by the system or program affected by the measure. Actuarial notes shall
be prepared and transmitted to the sponsor of the measure not later than two weeks after the
request is received, unless an extension of time is agreed to by the sponsor as being necessary in
the preparation of the note. The actuarial note shall be attached to the jacket of the measure. The
provisions of this subsection may be waived by the measure's sponsor for a measure affecting
local government retirement or pension plans not administered by the State or any local
government program of hospital, medical, disability, or related benefits for local government
employees not administered by the State.

(d) The note shall be factual and shall, if possible, provide a reliable estimate of
both the immediate effect and, if determinable, the long-range fiscal and actuarial effect of the
measure. If, after careful investigation, it is determined that no dollar estimate is possible, the
note shall contain a statement to that effect, setting forth the reasons why no dollar estimate can
be given. No comment or opinion shall be included in the actuarial note with regard to the merits
of the measure for which the note is prepared. Technical and mechanical defects in the measure
may be noted.

(e) When any standing committee reports a measure to which an actuarial note is
attached at the time of committee consideration, with any amendment of such nature as would
substantially affect the cost to or the revenues of any retirement or pension system, or program
of hospital, medical, disability, or related benefits for teachers or State employees, the chair of
the standing committee reporting the measure shall obtain from the Fiscal Research Division an
actuarial note of the fiscal and actuarial effect of the proposed amendment. The actuarial note
shall be attached to the jacket of the measure. An amendment to any bill or resolution shall not
be in order if the amendment affects the costs to or the revenues of a State-administered
retirement or pension system, or program of hospital, medical, disability, or related benefits for
teachers or State employees, unless the amendment is accompanied by an actuarial note, prepared
by the Fiscal Research Division, as to the actuarial effect of the amendment.

(f) The Fiscal Research Division shall make all relevant actuarial notes available
to the membership of the House.

RULE 36.3. Local Legislation Affecting State Highway System. – A local bill
affecting the State Highway System shall be referred to the Committee on Transportation.

RULE 36.4. Content of Appropriations Bills. – No provision shall be contained in
any of the following bills unless it pertains to the appropriation of money or the raising or
reducing of revenue: (i) the Current Operations Appropriations Bill; (ii) the Capital Improvement
Appropriations Bill; (iii) any bill generally revising appropriations for the second fiscal year of
a biennium. If a point of order is made against such a provision and is sustained, the presiding
officer shall refer the bill to the committee from which it came, with instructions for the chair of
the committee to immediately report out a substitute or amendment removing the offending
provision.

RULE 37. Removing Bill From Unfavorable Calendar. – A bill may be removed
from the unfavorable calendar upon motion carried by a two-thirds vote. A motion to remove a
bill from the unfavorable calendar is debatable.

RULE 38. Reports on Appropriation and Revenue Bills. – (a) All standing
committees, other than the Standing Committees on Appropriations, when favorably reporting
any bill or resolution that:

(1) Carries an appropriation from the State; or
(2) Requires or will require in the future substantial additional State monies from
the General Fund or Highway Fund to implement its provisions shall indicate
same in the report, and said bill or resolution shall be referred to the Standing
Committees on Appropriations for a further report before being acted upon by
the House.

(b) All standing committees, other than the Standing Committee on Finance,
when favorably reporting any bill that in any way or manner raises revenue, reduces revenue,
levies a tax, authorizes the levying of a tax, an assessment, or a fee, or authorizes the issue of
bonds or notes, whether public or local, shall indicate same in the report, and said bill shall be
referred to the Standing Committee on Finance for a further report before being acted upon by
the House. This subsection shall not apply to bills only imposing fines, forfeitures, or penalties.

RULE 39. Discharge Petition. – (a) A motion to discharge a committee from
consideration of a bill may be filed with the Principal Clerk by a primary sponsor of that measure
if accompanied by a petition asking that the committee be discharged from further consideration
of the bill. No motion may be filed until 10 legislative days after the bill has been referred to the
committee. No petition may be filed until notice has been given on the floor of the House that
the petition is to be filed and the primary sponsor giving notice has obtained a fiscal note from
the Fiscal Research Division on the bill, which note shall be attached to the petition. Members
may sign the petition only in the office of the Principal Clerk, and when the signatures of 61
members appear on the petition, the Principal Clerk shall place that motion on the calendar for
the next legislative day as a special order of business. Members may withdraw their names at any
time until 61 names appear. If the motion is adopted by the House, then the committee to which
the bill or resolution has been referred is discharged from further consideration of the bill, and
that bill is placed on the calendar for the next legislative day as a special order of business. The
Principal Clerk shall provide a form for discharge petitions.

(b) This rule shall not be temporarily suspended without one day’s notice on the
motion given in the House and delivered in writing to the chair of the standing committee, and
to sustain that motion two-thirds of the members shall be required.

RULE 40. Calendars and Schedules of Business. – The Clerk of the House shall
prepare a daily schedule of business, including the Calendar of Bills and Resolutions for
consideration and debate that day, in accordance with the Order of Business of the Day (Rule 5).

RULE 41. Reading of Bills. – (a) Every bill shall receive three readings in the House
prior to its passage. The Speaker shall give notice at each subsequent reading whether it is the
second or third reading.

(a1) The first reading and referral to standing committee of a House bill shall occur
on the next legislative day following its introduction. The first reading and referral to standing

(b) No local bill shall be held by the chair to embody the contents of or the
principal provisions of the subject matter of any statewide measure which has been laid on the
table, has failed to pass on any of its readings, or has been placed on the unfavorable calendar.

unfavorable report from a committee if the committee has also in the same report reported
favorable to the bill as amended or to a proposed committee substitute to the bill.
RULE 43. Amendments. – (a) No amendment to a measure before the House shall be in order unless the amendment is germane to the measure under consideration. A House amendment deleting a previously adopted House amendment shall not be in order. No amendment that is clearly unconstitutional shall be in order. Only one principal (first degree) amendment shall be pending at any one time. If a subsequent or substitute principal amendment shall be offered, the Speaker shall rule it out of order. Perfecting (or second degree) amendments may be offered and considered without limitation as to number, and in the event of multiple perfecting amendments, they shall be voted upon in inverse order.

(b) The following rules apply when considering: (i) the Current Operations Appropriations Bill; (ii) the Capital Improvement Appropriations Bill; (iii) any bill generally revising appropriations for the second fiscal year of a biennium:

(b) The Speaker shall rule whether the committee substitute is a material amendment under Section 23 of Article II of the North Carolina Constitution which reads:

"Revenue bills. – No law shall be enacted to raise money on the credit of the State, or to pledge the faith of the State directly or indirectly for the payment of any debt, or to impose any tax upon the people of the State, or to allow the counties, cities, or towns to do so, unless the bill for the purpose shall have been read three several times in each house of the General Assembly and passed three several readings, which readings shall have been on three different days, and shall have been agreed to by each house respectively, and unless the yeas and nays on the second and third readings of the bill shall have been entered on the journal."

If the committee substitute was referred to standing committee, the standing committee shall:

(1) Report the bill with the recommendation either that the House do concur or that the House do not concur; and
(2) Advise the Speaker as to whether or not that committee substitute is a material amendment under Section 23 of Article II of the North Carolina Constitution.

(c) If the committee substitute for a bill is not a material amendment, the question before the House shall be concurrence.

(d) If the committee substitute for a bill is a material amendment, the receiving of that bill on messages shall constitute first reading, and the question before the House shall be concurrence on second reading. If the motion is passed, the question then shall be concurrence on third reading on the next legislative day.

(e) No committee substitute adopted by the Senate for a bill originating in the House may be amended by the House.

RULE 44. Conference Standing Committees. – (a) Whenever the House shall decline or refuse to concur in amendments put by the Senate to a bill originating in the House, or shall refuse to concur in a substitute adopted by the Senate for a bill originating in the House, or whenever the Senate shall decline or refuse to concur in amendments put by the House to a bill originating in the Senate, or shall refuse to concur in a substitute adopted by the House for a bill originating in the Senate, a conference committee may be appointed by the Speaker upon the Speaker's own motion and shall be appointed upon request by the principal sponsor of the original bill, the chair of the House standing committee that reported the bill, or the sponsor of the amendment in which the Senate refused to concur; and the bill under consideration shall thereupon go to and be considered by the joint conferees on the part of the House and Senate. In appointing members to conference committees, the Speaker shall appoint no less than a majority of members who generally supported the House position as determined by the Speaker.

(b) The conference report may be made by a majority of the House members of such conference committee and shall not be amended. If the Senate has a similar rule, only such matters as are in difference between the two houses shall be considered by the conferees and the conference report shall deal only with such matters. If the Senate does not have a similar rule, a conference committee report which includes significant matters that were not in difference between the houses shall be referred to a standing committee for its recommendation before further action by the House.

(c) If the conferees fail to agree or if either house fails to adopt the report of its conferees, new conferees may be appointed.

(d) Except by leave of the House and except as otherwise provided in this subsection, no vote shall be taken on adoption of a conference report until the next legislative day following the report. RULE 32(d) is repealed.

RULE 36(b) shall read as follows: "(b) Favorable Report. – When a standing committee reports a bill with the recommendation that it be passed, the bill shall be placed on the favorable calendar on the day designated by the Chair of the Standing Committee on Rules, Calendar, and Operations of the House, but no later than the fourth legislative day after submission of the report or Senate message under Rule 43.2 or Rule 43.3(a), unless:

Except as provided in subsection (d) of this rule, any member not listed as a preprinted cosponsor on the computer-generated draft edition who wishes to cosponsor a bill or resolution which has been introduced may do so by 5:00 P.M. of the calendar day following the adjournment of the session during which such bill or resolution was first read and referred, but only electronically under procedures approved by the Principal Clerk.

(b) Members wishing to cosponsor legislation prior to preparation of the draft should indicate such to the drafter at the time the bill is requested and before filing the bill with the Principal Clerk's office. The names of the members who are the primary sponsors shall be listed in the order requested by them, followed by the words (Primary Sponsors); and the remaining names of such members cosponsoring shall follow on the draft edition and first edition. No more than four members may be listed as primary sponsors. Names of persons cosponsoring bills thereafter under subsection (a) of this rule do not appear on subsequent editions but shall be listed in the bill status system as cosponsors.

(c) No member shall permit anyone, other than that member's committee assistant, legislative assistant, office assistant, or another member, to have possession of and solicit for bill or resolution sponsorship, the jacket of a bill or resolution.

(d) Should any member wish to remove the member's sponsorship of a bill that is substantially changed by a Senate amendment or a Senate committee substitute, the member shall
notify the House Principal Clerk before the bill is considered for concurrence. If no sponsors remain on the bill, the House Principal Clerk shall notify the Chair of the Standing Committee on Rules, Calendar, and Operations of the House who may request that other members sponsor the bill. Removal of the first primary sponsor's name from a bill does not reduce the total number of bills introduced by the member under Rule 31.1(g), and sponsorship of a bill after removal of all sponsors is subject to Rule 31.1(g).

RULE 60. Correcting of Typographical Errors. – The Legislative Services Officer may correct typographical errors appearing in House bills or resolutions or House amendments to Senate bills provided that such corrections are made before ratification and do not conflict with any actions or rules of the Senate and provided further that such correction be approved by the Chair of the Standing Committee on Rules, Calendar, and Operations of the House, the Speaker, or other presiding officer.

RULE 61.1. Office Assignments. – The Chair of the Standing Committee on Rules, Calendar, and Operations of the House shall assign to each member an office space. When available, chairs of standing committees shall be assigned an office adjacent to the room in which the standing committee generally meets if the Chair so desires. In the case of a vacancy, inability, or refusal to so serve, the duty shall devolve upon the Sergeant-at-Arms of the prior House, and in the case of a vacancy in that office, or inability or refusal to so serve, the duty shall devolve upon the Reading Clerk of the prior House.

(b) It shall be the duty of the Chair of the Standing Committee on Rules, Calendar, and Operations of the House of the prior House to assign temporary seats to the members of the House of Representatives in its Chamber. In the case of the inability or refusal to serve of the Chair of the Standing Committee on Rules, Calendar, and Operations of the House, the Speaker of the prior House of Representatives shall appoint a person to assign seats to members of the House of Representatives in its Chamber. In the event that the party that had a majority of members in the prior House will no longer have a majority of members in the new House, then the duty assigned in this subsection to the Chair of the Committee of the prior House shall instead be the duty of the person nominated as Speaker by the majority party caucus for the new House, or some member-elect designated by the Speaker-nominee. In the event no party will have a majority, then the duty assigned in this subsection to the Chair of the Committee of the prior House shall instead be the joint duty of one person chosen each by the caucuses of the two parties having the greatest numbers of members.

RULE 61.3. Livestreaming Sessions. – To the extent any session of the House is livestreamed, the methods used for the livestreaming shall comply with the policies and procedures established and published by the Principal Clerk.
