(1) All budget codes listed in the Governor's Recommended Base Budget for the 2023-2025 fiscal biennium, submitted pursuant to G.S. 143C-3-5, are appropriated up to the amounts specified, as adjusted by the General Assembly in this act and as delineated in the Committee Report described in Section 43.2 of this act, or in another act of the General Assembly.

(2) Agency receipts up to the amounts needed to implement the legislatively mandated salary increases and employee benefit increases provided in this act for each year of the 2023-2025 fiscal biennium.
SECTION 4.1.(b) Receipts collected in a fiscal year in excess of the amounts appropriated by this section shall remain unexpended and unencumbered until appropriated by the General Assembly, unless the expenditure of overrealized receipts in the fiscal year in which the receipts were collected is authorized by G.S. 143C-6-4. Overrealized receipts are appropriated in the amounts necessary to implement this subsection.

SECTION 4.1.(c) Funds may be expended only for the specified programs, purposes, objects, and line items or as otherwise authorized by the General Assembly.

OTHER RECEIPTS FROM PENDING AWARD GRANTS

SECTION 4.2.(a) Notwithstanding G.S. 143C-6-4, State agencies may, with approval of the Director of the Budget, spend funds received from grants awarded after the enactment of this act for grant awards that are for less than two million five hundred thousand dollars ($2,500,000), do not require State matching funds, and will not be used for a capital project. State agencies shall report to the Joint Legislative Commission on Governmental Operations, the chairs of the Senate Committee on Appropriations/Base Budget, the chairs of the House Appropriations Committee, and the Fiscal Research Division within 30 days of receipt of such funds.

State agencies may spend up to the greater of one percent (1%) or ten million dollars ($10,000,000) of the total amount of grants awarded after the enactment of this act to respond to an emergency, as defined in G.S. 166A-19.3, with the approval of the Director of the Budget. State agencies shall report to the Joint Legislative Commission on Governmental Operations, the chairs of the Senate Committee on Appropriations/Base Budget, the chairs of the House Appropriations Committee, and the Fiscal Research Division within 30 days of receipt of such funds, including specifying the total amount of grants awarded to respond to the emergency.

State agencies may spend all other funds from grants awarded after the enactment of this act only with approval of the Director of the Budget and after consultation with the Joint Legislative Commission on Governmental Operations.

SECTION 4.2.(b) The Office of State Budget and Management shall work with the recipient State agencies to budget grant awards according to the annual program needs and within the parameters of the respective granting entities. Depending on the nature of the award, additional State personnel may be employed on a time-limited basis. Funds received from such grants are hereby appropriated up to the applicable amount set forth in subsection (a) of this section and shall be incorporated into the authorized budget of the recipient State agency.

SECTION 4.2.(c) Notwithstanding the provisions of this section, no State agency may accept a grant not anticipated in this act if acceptance of the grant would obligate the State to make future expenditures relating to the program receiving the grant or would otherwise result in a financial obligation as a consequence of accepting the grant funds.

"Article 38B.

"Needs-Based Public School Capital Fund.

§ 115C-546.10. Fund created; purpose; prioritization.
There is created the Needs-Based Public School Capital Fund as an interest-bearing, nonreverting special fund in the Department of Public Instruction. The State Treasurer shall be the custodian of the Needs-Based Public School Capital Fund and shall invest its assets in accordance with the provisions of G.S. 147-69.2 and G.S. 147-69.3. The Department of Public Instruction shall award grants from the Fund to counties to assist with their critical public school building capital needs in accordance with the following priorities:

1. Counties designated as development tier one areas.
2. Counties with greater need and less ability to generate sales tax and property tax revenue.
3. Counties with a high debt-to-tax revenue ratio.
4. The extent to which a project will address critical deficiencies in adequately serving the current and future student population.
5. Projects with new construction or complete renovation of existing facilities.
6. Projects that will consolidate two or more schools into one new facility.
7. Counties that have not received a grant under this Article in the previous three years.

§ 115C-546.11. Matching requirement; use of funds; maximum awards; project review.
(a) An eligible county awarded a grant under this Article shall provide local matching funds from county funds, other non-State funds, or a combination of these sources for the grant as provided in this section. An eligible county is a county with an adjusted market value of taxable real property of less than forty billion dollars ($40,000,000,000). The adjusted market value of taxable property in a county is equal to the county's assessed taxable real property value, using the latest available data published by the Department of Revenue, divided by the county's sales assessment ratio determined under G.S. 105-289(h). The amount of matching funds for a county awarded a grant shall be published annually by the Department of Public Instruction prior to any application period. The local match requirement applied to the project shall be based on the match requirement effective at the time of the grant award. The local match requirement is calculated as follows:

(b) Grant funds shall be used only for the construction of new school buildings and additions, repairs, and renovations. Grant funds shall not be used for real property acquisition or for capital improvements to administrative buildings. Grant funds shall be disbursed in a series of payments based on the progress of the project. To obtain a payment, the grantee shall submit a request for payment along with documentation of the expenditures for which the payment is requested and evidence that the matching requirement contained in subsection (a) of this section has been met. No portion of grant funds may be used to acquire a Leadership in Energy and Environmental Design (LEED) certification.
(c) Maximum grant award amounts shall be determined as follows:

1. Up to thirty-fourty million dollars ($30,000,000) ($40,000,000) for an elementary school.

3. Up to fifty-sixty million dollars ($50,000,000) ($60,000,000) for a high school.

(d) The Department of Public Instruction shall review projected enrollment to evaluate the reasonableness of a project's size and scope. A county may include in a grant application a minimum grant amount that would enable the project to proceed. A grant application that proposes to consolidate two or more schools by (i) making additions or renovations at one or more school facilities and (ii) closing one or more existing school facilities may be submitted and considered by the Department of Public Instruction as a single project. Each application for a grant under this Article shall be evaluated independent of other grant applications submitted. A county may not apply for projects that exceed an aggregate amount greater than the maximum grant award amounts listed in subsection (c) of this section in any single year. The Department of Public Instruction shall not award a grant to an applicant at less than the requested amount or less than the maximum grant amounts listed in subsection (c) of this section for the purpose of reserving the amount of grant funds available for other grant applications. If a county declines or otherwise forfeits a grant awarded under this section, the Department shall not award additional grants to that county for 24 months from the date the grant award was declined or forfeited.

§ 115C-546.12. Grant agreement; requirements.

(a) A county receiving grant funds pursuant to this Article shall enter into an agreement with the Department of Public Instruction detailing the use of grant funds. The agreement shall contain at least all of the following:

1. A requirement that the grantee seek planning assistance and plan review from the School Planning Section of the Department of Public Instruction.

5. A provision requiring repayment in full of awarded grant funds in the event of grant forfeiture.

(b) Project construction must be initiated within 18 months of the award of grant funds. The Superintendent of Public Instruction may grant an 18-month extension under extraordinary circumstances.

(c) A grant awarded under this section may be forfeited if any of the following occur:

1. Project construction is not initiated on time.
2. Project scope changes significantly from what was outlined in the grant agreement.
3. Any statement or information provided in the grant application is later determined to be materially false.
4. Local funding is subsequently decreased from the amount provided in the grant application.

§ 115C-546.13. Lease exception; requirements.
(a) Notwithstanding any provision of this Article to the contrary, a county may utilize grant funds for a lease agreement if all of the following criteria are met:

1. Ownership of the subject property on which the leased school is constructed shall be retained by the county.

2. The lease agreement shall include a repairs and maintenance provision that requires the landlord to bear the entire expense of all repairs, maintenance, alterations, or improvements to the basic structure, fixtures, appurtenances, and grounds of the subject property for the term of the lease.

3. The lease agreement shall be for a term of at least 15 years and no more than 25 years.

4. In lieu of the progress payment requirement provided in G.S. 115C-546.11(b), a county that has entered into a lease agreement shall provide a copy of the lease agreement to the Department of Public Instruction and shall be periodically reimbursed upon submission of documentation satisfactory to the Department that the matching requirement of this section has been met.

(b) For the purposes of this section, the term "lease agreement" shall include any ancillary agreements or predevelopment agreements entered into in anticipation of or in accordance with a lease. A lease agreement entered into pursuant to this subsection shall be subject to the requirements of Article 8 of Chapter 159 of the General Statutes. In determining whether the lease agreement is necessary or expedient pursuant to G.S. 159-151(a)(1) and G.S. 159-151(b)(1), the Local Government Commission may consider any other relevant construction and financing methods available to the county.

(a) On or before April 1 of each year, a grant recipient shall submit to the Department of Public Instruction an annual report for the preceding year that describes the progress of the project for which the grant was received. The grant recipient shall submit a final report to the Department of Public Instruction within three months of the completion of the project.

(b) On or before May 1 of each year, the Department of Public Instruction shall submit a report to the chairs of the Senate Appropriations Committee on Education/Higher Education, the chairs of the House Appropriations Committee on Education, and the Fiscal Research Division. 2. Total cost of each project and amount supported by the Needs-Based Public School Capital Fund.

3. Projections for local school administrative unit capital needs for the next 30 years based upon present conditions and estimated demographic changes.

4. Any legislative recommendations for improving the Needs-Based Public School Capital Fund program.

SECTION 4.3.(c) The Department of Public Instruction may award additional grant funds for new construction, up to the maximum amounts provided in subsection (a) of this section, to a county that received an award for new construction under G.S. 115C-546.11(c) during the 2022-2023 fiscal year, provided that the county has not yet begun construction on the project. A county seeking additional funding pursuant to this subsection shall request additional funds from the Department in an amount not exceeding ten million dollars ($10,000,000) by June 30, 2024, and shall provide actual bids or other documentation of cost increases satisfactory to the Department based upon the original project scope outlined in the grant agreement to support the requested additional funding. The additional grant awards provided pursuant to this subsection shall be subject to the same local matching requirement applicable when the previous grant was awarded. The Department may amend any existing agreements entered into with grant recipients from the initial grant award to accommodate the increased grant funding provided in this subsection. The Department may award additional grant funds under this subsection outside
of the regular application process and timeline; provided, however, all additional grants funds shall be awarded no later than June 30, 2025.

SECTION 4.3.(d) No later than January 1, 2024, the Department of Public Instruction shall publish guidelines for the Needs-Based Public School Capital Fund program specifying the following:

1. The extraordinary circumstances justifying an 18-month extension for the initiation of project construction.
2. The criteria to determine if the project scope has changed significantly.

(g) Nonsupplant Requirement. – A county in which a local school administrative unit receives funds under this section shall use the funds to supplement local current expense funds and shall not supplant local current expense funds. The State Board of Education shall not allocate funds under this section to a county found to have used these funds to supplant local per student current expense funds. The State Board of Education shall adopt rules to implement the requirements of this subsection.

(h) Counties Containing a Base of the Armed Forces. – Notwithstanding any other provision of this section, counties containing a base of the Armed Forces of the United States that have an average daily membership of more than 17,000 students shall receive whichever is the higher amount in each fiscal year as follows: either the amount of supplemental funding the county received as a low-wealth county in the 2012-2013 fiscal year or the amount of supplemental funding the county is eligible to receive as a low-wealth county pursuant to the formula for distribution of supplemental funding under the other provisions of this section.

This data shall be used exclusively for instructional and curriculum decisions made in the best interest of children and for professional development for their teachers and administrators.

(b) Disadvantaged student supplemental funding (DSSF) shall be allotted to a local school administrative unit based on (i) the unit's eligible DSSF population and (ii) the difference between a teacher-to-student ratio of 1:21 and the following teacher-to-student ratios:

(4) For local school administrative units that received DSSF funds in fiscal year 2005-2006, a ratio of 1:16. These local school administrative units shall receive no less than the DSSF amount allotted in fiscal year 2006-2007.

For the purpose of this subsection, wealth shall be calculated under the low-wealth supplemental formula as provided for in this Article.

(c) If a local school administrative unit's wealth increases to a level that adversely affects the unit's disadvantaged student supplemental funding (DSSF) allotment ratio, the DSSF allotment for that unit shall be maintained at the prior year level for one additional fiscal year."

(7) A requirement that initial disbursement of the grants be awarded no later than 30 days after certification of the State budget for the respective fiscal year.

are in foster care and (ii) after addressing the waitlist under item (i) of
this sub-subdivision, work toward reducing the waitlist for children
eligible for subsidized child care. Additionally, the Division shall use
a portion of these funds to temporarily increase the child care subsidy
reimbursement rates to those recommended in the 2018-2021 Child
Care Market Rate Study until the funds expire on September 30, 2024, until funds are exhausted."

Page 188
CHILD CARE SUBSIDY RATES

SECTION 9D.3.(a) The maximum gross annual income for initial eligibility, adjusted annually, for subsidized child care services shall be determined based on a percentage of the federal poverty level as follows:

<table>
<thead>
<tr>
<th>AGE</th>
<th>INCOME PERCENTAGE LEVEL</th>
</tr>
</thead>
<tbody>
<tr>
<td>0 – 5</td>
<td>200%</td>
</tr>
<tr>
<td>6 – 12</td>
<td>133%</td>
</tr>
</tbody>
</table>

The eligibility for any child with special needs, including a child who is 13 years of age or older, shall be two hundred percent (200%) of the federal poverty level.

SECTION 9D.3.(b) Fees for families who are required to share in the cost of care are established based on ten percent (10%) of gross family income. When care is received at the blended rate, the copayment shall be eighty-three percent (83%) of the full-time copayment. Copayments for part-time care shall be seventy-five percent (75%) of the full-time copayment.

SECTION 9D.3.(c) Payments for the purchase of child care services for low-income children shall be in accordance with the following requirements:

1. Religious sponsored child care facilities operating pursuant to G.S. 110-106 and licensed child care centers and homes that meet the minimum licensing standards that are participating in the subsidized child care program shall be paid the one-star county market rate or the rate they charge privately paying parents, whichever is lower, unless prohibited by subsection (f) of this section.

2. Licensed child care centers and homes with two or more stars shall receive the market rate for that rated license level for that age group or the rate they charge privately paying parents, whichever is lower, unless prohibited by subsection (g) of this section.

3. No payments shall be made for transportation services charged by child care facilities.

4. Payments for subsidized child care services for postsecondary education shall be limited to a maximum of 20 months of enrollment. This shall not be determined before a family's annual recertification period.

5. The Department of Health and Human Services shall implement necessary rule changes to restructure services, including, but not limited to, targeting benefits to employment.

SECTION 9D.3.(d) Provisions of payment rates for child care providers in counties that do not have at least 50 children in each age group for center-based and home-based care are as follows:

1. Except as applicable in subdivision (2) of this subsection, payment rates shall be set at the statewide or regional market rate for licensed child care centers and homes.

2. If it can be demonstrated that the application of the statewide or regional market rate to a county with fewer than 50 children in each age group is lower than the county market rate and would inhibit the ability of the county to purchase child care for low-income children, then the county market rate may be applied.

SECTION 9D.3.(e) A market rate shall be calculated for child care centers and homes at each rated license level for each county and for each age group or age category of enrollees and shall be representative of fees charged to parents for each age group of enrollees within the county. The Division of Child Development and Early Education shall also calculate a statewide rate and regional market rate for each rated license level for each age category.

SECTION 9D.3.(f) The Division of Child Development and Early Education shall continue implementing policies that improve the quality of child care for subsidized children,
including a policy in which child care subsidies are paid, to the extent possible, for child care in
the higher quality centers and homes only. The Division shall define higher quality, and subsidy
funds shall not be paid for one- or two-star-rated facilities. For those counties with an inadequate
number of four- and five-star-rated facilities, the Division shall continue a transition period that
allows the facilities to continue to receive subsidy funds while the facilities work on the increased
star ratings. The Division may allow exemptions in counties where there is an inadequate number
of four- and five-star-rated facilities for non-star-rated programs, such as religious programs.

SECTION 9D.3.(g) Facilities licensed pursuant to Article 7 of Chapter 110 of the
General Statutes and facilities operated pursuant to G.S. 110-106 may participate in the program
that provides for the purchase of care in child care facilities for minor children of needy families.
Except as authorized by subsection (f) of this section, no separate licensing requirements shall
be used to select facilities to participate. In addition, child care facilities shall be required to meet
any additional applicable requirements of federal law or regulations. Child care arrangements
exempt from State regulation pursuant to Article 7 of Chapter 110 of the General Statutes shall
meet the requirements established by other State law and by the Social Services Commission.

County departments of social services or other local contracting agencies shall not
use a provider's failure to comply with requirements in addition to those specified in this
subsection as a condition for reducing the provider's subsidized child care rate.

SECTION 9D.3.(h) Payment for subsidized child care services provided with
Temporary Assistance for Needy Families Block Grant funds shall comply with all regulations
and policies issued by the Division of Child Development and Early Education for the subsidized
child care program.

SECTION 9D.3.(i) Noncitizen families who reside in this State legally shall be
eligible for child care subsidies if all other conditions of eligibility are met. If all other conditions
of eligibility are met, noncitizen families who reside in this State illegally shall be eligible for
child care subsidies only if at least one of the following conditions is met:

1. The child for whom a child care subsidy is sought is receiving child protective
   services or foster care services.

2. The child for whom a child care subsidy is sought is developmentally delayed
   or at risk of being developmentally delayed.

3. The child for whom a child care subsidy is sought is a citizen of the United
   States.

SECTION 9D.3.(j) The Department of Health and Human Services, Division of
Child Development and Early Education, shall require all county departments of social services
to include on any forms used to determine eligibility for child care subsidy whether the family
waiting for subsidy is receiving assistance through the NC Pre-K Program or Head Start.

SECTION 9D.3.(k) Department of Defense-certified child care facilities licensed
pursuant to G.S. 110-106.2 may participate in the State-subsidized child care program that
provides for the purchase of care in child care facilities for minor children in needy families,
provided that funds allocated from the State-subsidized child care program to Department of
Defense-certified child care facilities shall supplement and not supplant funds allocated in
accordance with G.S. 143B-168.15(g). Payment rates and fees for military families who choose
Department of Defense-certified child care facilities and who are eligible to receive subsidized
child care shall be as set forth in this section.

CHILD CARE ALLOCATION FORMULA

SECTION 9D.4.(a) The Department of Health and Human Services, Division of
Child Development and Early Education (Division), shall allocate child care subsidy voucher
funds to pay the costs of necessary child care for minor children of needy families. The
mandatory thirty percent (30%) North Carolina Partnership for Children, Inc., subsidy allocation
under G.S. 143B-168.15(g) shall constitute the base amount for each county's child care subsidy
allocation. The Department of Health and Human Services shall use the following method when allocating federal and State child care funds, not including the aggregate mandatory thirty percent (30%) North Carolina Partnership for Children, Inc., subsidy allocation:

(1) Funds shall be allocated to a county based upon the projected cost of serving children under age 11 in families with all parents working who earn less than the applicable federal poverty level percentage set forth in Section 9D.3(a) of this act.

(2) The Division may withhold up to two percent (2%) of available funds from the allocation formula for (i) preventing termination of services throughout the fiscal year and (ii) repayment of any federal funds identified by counties as overpayments, including overpayments due to fraud. The Division shall allocate to counties any funds withheld before the end of the fiscal year when the Division determines the funds are not needed for the purposes described in this subdivision. The Division shall submit a report to the Joint Legislative Oversight Committee on Health and Human Services and the Fiscal Research Division, which report shall include each of the following:

a. The amount of funds used for preventing termination of services and the repayment of any federal funds.

b. The date the remaining funds were distributed to counties.

c. As a result of funds withheld under this subdivision and after funds have been distributed, any counties that did not receive at least the amount the counties received the previous year and the amount by which funds were decreased.

The Division shall submit a report in each year of the 2023-2025 fiscal biennium 30 days after the funds withheld pursuant to this subdivision are distributed but no later than April 1 of each respective year.

(3) The Division shall set aside four percent (4%) of child care subsidy allocations for vulnerable populations, which include a child identified as having special needs and a child whose application for assistance indicates that the child and the child's family is experiencing homelessness or is in a temporary living situation. A child identified by this subdivision shall be given priority for receiving services until such time as set-aside allocations for vulnerable populations are exhausted.

SECTION 9D.4.(b) The Division may reallocate unused child care subsidy voucher funds in order to meet the child care needs of low-income families. Any reallocation of funds shall be based upon the expenditures of all child care subsidy voucher funding, including North Carolina Partnership for Children, Inc., funds within a county. Counties shall manage service levels within the funds allocated to the counties. A county with a spending coefficient over one hundred percent (100%) shall submit a plan to the Division for managing the county's allocation before receiving any reallocated funds.

SECTION 9D.4.(c) When implementing the formula under subsection (a) of this section, the Division shall include the market rate increase in the formula process rather than calculate the increases outside of the formula process. Additionally, the Department shall do the following:

(1) Deem a county's initial allocation as the county's expenditure in the previous fiscal year or a prorated share of the county's previous fiscal year expenditures if sufficient funds are not available.

(2) Effective immediately following the next new decennial census data release, implement (i) one-third of the change in a county's allocation in the year following the data release, (ii) an additional one-third of the change in a county's allocation beginning two years after the initial change under this
subdivision, and (iii) the final one-third change in a county's allocation beginning the following two years thereafter.

AUTOMATIC CHILD CARE SUBSIDY ELIGIBILITY FOR CHILD CARE TEACHERS/PILOT PROGRAM

SECTION 9D.4A.(a) Of the funds appropriated in this act from the General Fund to the Department of Health and Human Services, Division of Child Development and Early Education (Division), the sum of ten million dollars ($10,000,000) in nonrecurring funds for the 2024-2025 fiscal year shall be used to establish a pilot program that provides automatic eligibility for child care subsidy for the preschool-age children, 8 weeks to 5 years of age, of all child care teachers employed full time by a licensed child care program in this State. A child care teacher deemed automatically eligible for subsidy pursuant to this section shall have completed, be in the process of completing, or enroll at the first available semester in an Introduction to Early Childhood class at any local community college in this State. A child care teacher who does not already possess an Early Childhood Education Infant/Toddler Certificate or Child Development Certificate shall commit to remaining in college and completing either certificate within 18 months. Any coursework taken pursuant to this section shall be paid for by the T.E.A.C.H. Early Childhood North Carolina Scholarship Program, with no cost to the teacher. For purposes of this section, "full time" means a minimum of 35 hours per week.

SECTION 9D.4A.(b) Section 9L.2(b)(1)a. of S.L. 2021-180, as amended by Section 9L.2(a) of S.L. 2022-74, reads as rewritten:

"a. A minimum of two hundred six million dollars ($206,000,000) but no more than two hundred fifteen million dollars ($215,000,000) to (i) reduce the waitlist for children eligible for subsidized child care who are in foster care and (ii) after addressing the waitlist under item (i) of this sub-subdivision, work toward reducing the waitlist for children eligible for subsidized child care. Additionally, the Division shall use a portion of these funds temporarily for the following purposes until funds are exhausted:

1. To increase the child care subsidy reimbursement rates to those recommended in the 2018-2021 Child Care Market Rate Study until the funds expire on September 30, 2024.

2. To provide the sum of ten million dollars ($10,000,000) for the 2023-2024 fiscal year for the Automatic Child Care Subsidy Eligibility for Child Care Teachers pilot program established under Section 9D.4A of the 2023 Appropriations Act."

SECTION 9D.4A.(c) The Division of Child Development and Early Education shall implement the pilot program within 120 days from the date this section becomes law. The Division shall select counties from across the State to participate in the pilot program. In selecting counties, the Division shall focus on counties with the highest percentage of child care capacity lost during the past 10 years. In determining the applicable rate for a child care teacher eligible for subsidy under this section, the Division shall use the rate available in the county where the teacher resides. Child care centers shall accept the current market subsidy rates and may not charge copayment fees or any other fees in addition to the subsidy amount provided pursuant to this section. County agencies shall use existing child care subsidy funding first before applying for additional funding.

SECTION 9D.4A.(d) The Division of Child Development and Early Education shall submit an initial report to the Joint Legislative Oversight Committee on Health and Human Services and the Fiscal Research Division of the General Assembly by March 31, 2024, of the number of child care teachers participating in the pilot program, by county. Thereafter, the
Division shall submit a quarterly report on the number of participants in the program, with a detailed report by December 31 of each year the pilot program is in effect. The quarterly and annual detailed reports shall include, at a minimum, the following:

1. The number of teachers in the pilot program who were already teaching and became automatically eligible for child care subsidy on the date this section becomes law.
2. The number of new teachers added to the pilot program, by county, on a monthly basis.
3. The retention of every teacher in the pilot program.
4. Any other information the Division deems relevant.

SMART START INITIATIVES

SECTION 9D.5.(a) Policies. – The North Carolina Partnership for Children, Inc., and its Board shall ensure policies focus on the North Carolina Partnership for Children, Inc.’s mission of improving child care quality in North Carolina for children from birth to 5 years of age. North Carolina Partnership for Children, Inc., funded activities shall include assisting child care facilities with (i) improving quality, including helping one-, two-, and three-star-rated facilities increase their star ratings, and (ii) implementing prekindergarten programs. State funding for local partnerships shall also be used for evidence-based or evidence-informed programs for children from birth to 5 years of age that do the following:

1. Increase children’s literacy.
2. Increase the parents’ ability to raise healthy, successful children.
3. Improve children’s health.
4. Assist four- and five-star-rated facilities in improving and maintaining quality.

SECTION 9D.5.(b) Administration. – Administrative costs shall be equivalent to, on an average statewide basis for all local partnerships, not more than nine percent (9%) of the total statewide allocation to all local partnerships. For purposes of this subsection, administrative costs shall include costs associated with partnership oversight, business and financial management, general accounting, human resources, budgeting, purchasing, contracting, and information systems management. The North Carolina Partnership for Children, Inc., shall continue using a single statewide contract management system that incorporates features of the required standard fiscal accountability plan described in G.S. 143B-168.12(a)(4). All local partnerships are required to participate in the contract management system and, directed by the North Carolina Partnership for Children, Inc., to collaborate, to the fullest extent possible, with other local partnerships to increase efficiency and effectiveness.

SECTION 9D.5.(c) Salaries. – The salary schedule developed and implemented by the North Carolina Partnership for Children, Inc., shall set the maximum amount of State funds that may be used for the salary of the Executive Director of the North Carolina Partnership for Children, Inc., and the directors of the local partnerships. The North Carolina Partnership for Children, Inc., shall base the schedule on the following criteria:

1. The population of the area serviced by a local partnership.
2. The amount of State funds administered.
3. The amount of total funds administered.
4. The professional experience of the individual to be compensated.
5. Any other relevant factors pertaining to salary, as determined by the North Carolina Partnership for Children, Inc.

The salary schedule shall be used only to determine the maximum amount of State funds that may be used for compensation. Nothing in this subsection shall be construed to prohibit a local partnership from using non-State funds to supplement an individual’s salary in excess of the amount set by the salary schedule established under this subsection.
SECTION 9D.5.(d) Match Requirements. – The North Carolina Partnership for Children, Inc., and all local partnerships shall, in the aggregate, be required to match one hundred percent (100%) of the total amount budgeted for the program in each fiscal year of the 2023-2025 biennium. Of the funds that the North Carolina Partnership for Children, Inc., and the local partnerships are required to match, contributions of cash shall be equal to at least thirteen percent (13%) and in-kind donated resources shall be equal to no more than six percent (6%) for a total match requirement of nineteen percent (19%) for each year of the 2023-2025 fiscal biennium. The North Carolina Partnership for Children, Inc., may carry forward any amount in excess of the required match for a fiscal year in order to meet the match requirement of the succeeding fiscal year. Only in-kind contributions that are quantifiable shall be applied to the in-kind match requirement. Volunteer services may be treated as an in-kind contribution for the purpose of the match requirement of this subsection. Volunteer services that qualify as professional services shall be valued at the fair market value of those services. All other volunteer service hours shall be valued at the statewide average wage rate as calculated from data compiled by the Division of Employment Security of the Department of Commerce in the Employment and Wages in North Carolina Annual Report for the most recent period for which data are available. Expenses, including both those paid by cash and in-kind contributions, incurred by other participating non-State entities contracting with the North Carolina Partnership for Children, Inc., or the local partnerships also may be considered resources available to meet the required private match. In order to qualify to meet the required private match, the expenses shall:

1. Be verifiable from the contractor's records.
2. If in-kind, other than volunteer services, be quantifiable in accordance with generally accepted accounting principles for nonprofit organizations.
3. Not include expenses funded by State funds.
4. Be supplemental to and not supplant preexisting resources for related program activities.
5. Be incurred as a direct result of the Early Childhood Initiatives Program and be necessary and reasonable for the proper and efficient accomplishment of the Program's objectives.
6. Be otherwise allowable under federal or State law.
7. Be required and described in the contractual agreements approved by the North Carolina Partnership for Children, Inc., or the local partnership.
8. Be reported to the North Carolina Partnership for Children, Inc., or the local partnership by the contractor in the same manner as reimbursable expenses.

Failure to obtain a nineteen-percent (19%) match by June 30 of each year of the 2023-2025 fiscal biennium shall result in a dollar-for-dollar reduction in the appropriation for the Program for a subsequent fiscal year. The North Carolina Partnership for Children, Inc., shall be responsible for compiling information on the private cash and in-kind contributions into a report, to be included in its annual report as required under G.S. 143B-168.12(d), in a format that allows verification by the Department of Revenue. The same match requirements shall apply to any expansion funds appropriated by the General Assembly.

SECTION 9D.5.(e) Bidding. – The North Carolina Partnership for Children, Inc., and all local partnerships shall use competitive bidding practices in contracting for goods and services on contract amounts as follows:

1. For amounts of five thousand dollars ($5,000) or less, the procedures specified by a written policy as developed by the Board of Directors of the North Carolina Partnership for Children, Inc.
2. For amounts greater than five thousand dollars ($5,000) but less than fifteen thousand dollars ($15,000), three written quotes.
3. For amounts of fifteen thousand dollars ($15,000) or more but less than forty thousand dollars ($40,000), a request for proposal process.
(4) For amounts of forty thousand dollars ($40,000) or more, a request for proposal process and advertising in a major newspaper.

SECTION 9D.5.(f) Allocations. – The North Carolina Partnership for Children, Inc., shall not reduce the allocation for counties with less than 35,000 in population below the 2012-2013 funding level.

SECTION 9D.5.(g) Performance-Based Evaluation. – The Department of Health and Human Services shall continue to implement the performance-based evaluation system.

SECTION 9D.5.(h) Expenditure Restrictions. – Except as provided in subsection (i) of this section, the Department of Health and Human Services and the North Carolina Partnership for Children, Inc., shall ensure that the allocation of funds for Early Childhood Education and Development Initiatives for the 2023-2025 fiscal biennium shall be administered and distributed in the following manner:

SINGLE-STREAM FUNDING FOR DMH/DD/SAS COMMUNITY SERVICES

SECTION 9G.1.(a)  For the purpose of mitigating cash flow problems that many local management entities/managed care organizations (LME/MCOs) experience at the beginning of each fiscal year relative to single-stream funding, the Department of Health and Human Services, Division of Mental Health, Developmental Disabilities, and Substance Abuse Services (DMH/DD/SAS), shall distribute not less than one-twelfth of each LME/MCO's base budget allocation at the beginning of the fiscal year and subtract the amount of that distribution from the LME/MCO's total reimbursements for the fiscal year. For each month of the fiscal year after July, DMH/DD/SAS shall distribute, on the third working day of the month, one-eleventh of the amount of each LME/MCO's single-stream allocation that remains after subtracting the amount of the distribution that was made to the LME/MCO in July of the fiscal year.

SECTION 9G.1.(b)  During each year of the 2023-2025 fiscal biennium, DMH/DD/SAS shall ensure that LME/MCOs fund, in total, at least ninety percent (90%) of the level of single-stream services provided across the State during the 2014-2015 fiscal year. No LME/MCO shall reduce funding for (i) home and community-based services or (ii) services paid for with single-stream funding that support the 2012 settlement agreement entered into between the United States Department of Justice and the State of North Carolina to ensure that the State will willingly meet the requirements of the Americans with Disabilities Act of 1990, section 504 of the Rehabilitation Act of 1973, and the United States Supreme Court decision in Olmstead v. L.C., 527 U.S. 581 (1999). This subsection shall not be construed to require an LME/MCO to
authorize or maintain the same level of services for any specific individual whose services were paid for with single-stream funding. This subsection shall not be construed to create a private right of action for any person or entity against the State of North Carolina or the Department of Health and Human Services or any of its divisions, agents, or contractors and shall not be used as authority in any contested case brought pursuant to Chapter 108C of the General Statutes or Chapter 108D of the General Statutes.

SECTION 9G.2.(a) Use of Funds. — Funds appropriated in this act to the Department of Health and Human Services, Division of Mental Health, Developmental Disabilities, and Substance Abuse Services, shall continue to be used for the purchase of local inpatient psychiatric beds or bed days. The Department of Health and Human Services (DHHS) shall continue to implement a two-tiered system of payment for purchasing these local inpatient psychiatric beds or bed days based on acuity level with an enhanced rate of payment for inpatient psychiatric beds or bed days for individuals with higher acuity levels, as defined by DHHS. The enhanced rate of payment for inpatient psychiatric beds or bed days for individuals with higher acuity levels shall not exceed the lowest average cost per patient bed day among the State psychiatric hospitals. In addition, at the discretion of the Secretary of Health and Human Services, existing funds allocated to LME/MCOs for community-based mental health, developmental disabilities, and substance abuse services may be used to purchase additional local inpatient psychiatric beds or bed days.

SECTION 9G.2.(b) Distribution and Management of Beds or Bed Days. — DHHS shall work to ensure that any local inpatient psychiatric beds or bed days purchased in accordance with this section are utilized solely for individuals who are medically indigent, except that DHHS may use up to ten percent (10%) of the funds appropriated in this act to the Department of Health and Human Services, Division of Mental Health, Developmental Disabilities, and Substance Abuse Services, for the purchase of local inpatient psychiatric beds or bed days to pay for facility-based crisis services and nonhospital detoxification services for individuals in need of these services, regardless of whether the individuals are medically indigent. For the purposes of this subsection, "medically indigent" shall mean uninsured persons who (i) are financially unable to obtain private insurance coverage, as determined by DHHS and (ii) are not eligible for government-funded health coverage such as Medicare or Medicaid.

In addition, DHHS shall work to ensure that any local inpatient psychiatric beds or bed days purchased in accordance with this section are distributed across the State and according to need, as determined by DHHS. DHHS shall ensure that beds or bed days for individuals with higher acuity levels are distributed across the State and according to greatest need based on hospital bed utilization data. DHHS shall enter into contracts with LME/MCOs and local hospitals for the management of these beds or bed days. DHHS shall work to ensure that these contracts are awarded equitably around all regions of the State. LME/MCOs shall manage and control these local inpatient psychiatric beds or bed days, including the determination of the specific local hospital or State psychiatric hospital to which an individual should be admitted pursuant to an involuntary commitment order.

SECTION 9G.2.(c) Funds to be Held in Statewide Reserve. — Funds appropriated in this act to DHHS for the purchase of local inpatient psychiatric beds or bed days shall not be allocated to LME/MCOs but shall be held in a statewide reserve at the Division of Mental Health, Developmental Disabilities, and Substance Abuse Services to pay for services authorized by the LME/MCOs and billed by the hospitals through the LME/MCOs. LME/MCOs shall remit claims for payment to DHHS within 15 working days after receipt of a clean claim from the hospital and shall pay the hospital within 30 working days after receipt of payment from DHHS.

SECTION 9G.2.(d) Ineffective LME/MCO Management of Beds or Bed Days. — If DHHS determines that (i) an LME/MCO is not effectively managing the beds or bed days for which it has responsibility, as evidenced by beds or bed days in the local hospital not being
utilized while demand for services at the State psychiatric hospitals has not decreased, or (ii) the LME/MCO has failed to comply with the prompt payment provisions of this section, DHHS may contract with another LME/MCO to manage the beds or bed days or, notwithstanding any other provision of law to the contrary, may pay the hospital directly.

3. The amount of funds used to pay for facility-based crisis services, along with the number of individuals who received these services and the outcomes for each individual.

exceed the three thousand dollar ($3,000) maximum payment amount under policies adopted and
approved by a committee comprised of county child welfare agency staff and Division staff.
Payments made and waivers granted under this subsection shall be considered on a case-by-case
basis and align directly with the safety and permanency goals of the child.

SECTION 9J.10.(f) Normalcy Payments. – A portion of the funds provided under
this section may also be used by counties to ensure normalcy for children in kinship care.
Normalcy payments shall not exceed five hundred dollars ($500.00) annually per child and shall
align with the safety and permanency goals for the child. The Division of Social Services shall
form a workgroup comprised of county child welfare directors to adopt a fair and reasonable
quarterly allocation process for distributing these funds to counties. For purposes of this
subsection, "normalcy payments" are payments that allow a child to participate in normal
childhood activities as described in G.S. 131D-10.2A(e).

SECTION 9J.10.(g) Extensions. – The Division of Social Services may grant an
individual providing kinship care in accordance with this section up to two three-month
extensions to continue receiving kinship care assistance payments under this section if (i) a foster
care license has not been granted at the end of the 12-month period and (ii) it is determined that
the individual has made progress toward obtaining the foster care license.

SECTION 9J.10.(h) Waivers. – The Division of Social Services is authorized to
waive any non-safety licensing rule that impedes the placement of a child in kinship care in
accordance with this section. County child welfare agencies and licensed child placing agencies
shall pursue any non-safety waivers that may impede the licensure process. The Division shall
offer annual training to county child welfare agencies and private child placing agencies
regarding how waivers may be requested and what waivers may be granted.

SECTION 9J.10.(i) Publication of Kinship Care Process. – The Division of Social
Services shall develop and make available for distribution public materials for families
promoting kinship care, including information about the foster care licensure process and waiver
options for licensure. The Division shall ensure information about the program is available on its
website.

SECTION 9J.10.(j) Rules Review. – The Division of Social Services shall conduct
an extensive review of the foster care licensure rules, including rules regarding the licensing of
family foster homes, child placing agencies and residential maternity homes, minimum standards
for residential child care, minimum standards for specialized residential child care programs,
waiver procedures, denials, suspensions, revocations, and appeal procedures. At a minimum, the
review shall seek to streamline the foster care licensing process by shortening the length of time
to become licensed and eliminate any barriers to obtaining a license, including abolishing
outdated rules and eliminating non-safety rules. The Division shall form a workgroup comprised
of the following to complete the review:

  (1) County child welfare agency staff.
  (2) Tribal child welfare agency staff.
  (3) Staff from the Divisions of Social Services, Health Benefits, Mental Health,
      Developmental Disabilities, and Substance Abuse Services.
  (4) Provider stakeholders.

The review shall be completed no later than 12 months from the date this act becomes
law. The workgroup shall make a final report to the Joint Legislative Oversight Committee on
Health and Human Services and the Fiscal Research Division no later than 18 months from the
date this act becomes law. The report shall include a list and justification of the need for all foster
care licensing rules remaining in effect that are non-safety related rules. The Social Services
Commission shall adopt new rules consistent with the changes recommended pursuant to the
rules review.

CHILD ADVOCACY CENTER FUNDS

SECTION 9J.11. Of the funds appropriated in this act to the Department of Health
and Human Services, Division of Social Services, the sum of three million dollars ($3,000,000)
in recurring funds for each year of the 2023-2025 fiscal biennium shall be allocated to the
Children's Advocacy Centers of North Carolina, Inc. (CACNC), a nonprofit organization. At
least seventy-five percent (75%) of these funds shall be distributed to child advocacy centers in
this State that are in good standing with CACNC.

MARRIAGE AND FAMILY THERAPISTS, SOCIAL WORKERS, CLINICAL
MENTAL HEALTH COUNSELORS, AND PSYCHOLOGISTS

SECTION 9L.1.(a) G.S. 14-318.6(h) reads as rewritten:
Nothing in this section shall be construed as to require a person with (i) a privilege under G.S. 8-53.3, 8-53.7, 8-53.8, or 8-53.12, or with 8-53.12, (ii) attorney-client privilege, or (iii) psychiatrist-client or patient privilege to report pursuant to this section if that privilege would prevent them from doing so. Nothing in this section shall be construed as requiring a licensed marriage and family therapist with a privilege under G.S. 8-53.5 to report pursuant to this section if that privilege would prevent that person from doing so, but the privilege only applies to the primary client and not to any other family members. For purposes of this subsection, the term "primary client" means a person who contracts with a licensed marriage and family therapist for professional services for the purpose of diagnosis or treatment."

1. A delineation of the proposed allocations by program or activity, including State and federal match requirements.
2. A delineation of the proposed State and local administrative expenditures.
3. An identification of all new positions to be established through the Block Grant, including permanent, temporary, and time-limited positions.
4. A comparison of the proposed allocations by program or activity with two prior years' program and activity budgets and two prior years' actual program or activity expenditures.
5. A projection of current year expenditures by program or activity.
6. A projection of federal Block Grant funds available, including unspent federal funds from the current and prior fiscal years.
7. The required amount of maintenance of effort and the amount of funds qualifying for maintenance of effort in the previous year delineated by program or activity.

**SECTION 9M.1.(c) Changes in Federal Fund Availability.** – If the Congress of the United States increases the federal fund availability for any of the Block Grants or contingency funds and other grants related to existing Block Grants administered by the Department of Health and Human Services from the amounts appropriated in this act, the Department shall allocate the increase proportionally across the program and activity appropriations identified for that Block Grant in this section. In allocating an increase in federal fund availability, the Office of State Budget and Management shall not approve funding for new programs or activities not appropriated in this act.
If the Congress of the United States decreases the federal fund availability for any of
the Block Grants or contingency funds and other grants related to existing Block Grants
administered by the Department of Health and Human Services from the amounts appropriated
in this act, the Department shall develop a plan to adjust the Block Grants based on reduced
federal funding.

Notwithstanding the provisions of this subsection, for fiscal years 2023-2024 and
2024-2025, increases in the federal fund availability for the Temporary Assistance to Needy
Families (TANF) Block Grant shall be used only for the North Carolina Child Care Subsidy
program to pay for child care and shall not be used to supplant State funds.

Prior to allocating the change in federal fund availability, the proposed allocation
must be approved by the Office of State Budget and Management. If the Department adjusts the
allocation of any Block Grant due to changes in federal fund availability, then a report shall be
made to the Joint Legislative Oversight Committee on Health and Human Services and the Fiscal
Research Division.

SECTION 9M.1.(d) Except as otherwise provided, appropriations from federal

is enacted by the General Assembly.

SECTION 9M.1.(e) All changes to the budgeted allocations to the Block Grants or
contingency funds and other grants related to existing Block Grants administered by the
Department of Health and Human Services that are not specifically addressed in this section shall
be approved by the Office of State Budget and Management. The Office of State Budget and
Management shall not approve funding for new programs or activities not appropriated in this
section. However, the Office of State Budget and Management shall have the authority to realign
appropriated funds in the Maternal and Child Health Block Grant between the categories to
maintain federal compliance and programmatic alignment, so long as the realignment does not
result in a reduction of funds designated for subrecipients under subsection (a) of this section.
Additionally, if budgeted allocations are decreased, the Office of State Budget and Management
shall not approve any reduction of funds designated for subrecipients in subsection (a) of this
section under Item 01 or 02 of the Maternal and Child Health Block Grant. The Office of State
Budget and Management shall consult with the Joint Legislative Oversight Committee on Health
and Human Services for review prior to implementing any changes. In consulting, the report shall
include an itemized listing of affected programs, including associated changes in budgeted
allocations. All changes to the budgeted allocations to the Block Grants shall be reported
immediately to the Joint Legislative Oversight Committee on Health and Human Services and

SECTION 9M.1.(f) Except as otherwise provided, the Department of Health and
Human Services shall have flexibility to transfer funding between the Temporary Assistance for
Needy Families (TANF) Block Grant and the TANF Emergency Contingency Funds Block Grant

The report shall include a list of the recipients of grants from the Fund for the previous fiscal year, the amount of the grants received, how recipients used awarded grant funds, and whether any awarded funds were required to be repaid by recipients.”

SECTION 10.1.(c) The Agricultural Finance Authority, in consultation with the Large Animal Healthcare Enhancement Advisory Committee established by G.S. 106-1073, as enacted by subsection (b) of this section, shall adopt temporary rules to implement this section as soon as practicable and shall concurrently begin adopting permanent rules to replace the temporary rules.

SECTION 10.1.(d) This section is effective when it becomes law.
SECTION 10.2.(a) Findings and Purpose. – The General Assembly finds that the lack of capacity for value-added processing of agricultural commodities near the farms where those commodities are produced in the State creates competitive disadvantages to North Carolina farmers by imposing increased transportation costs to remote commodity processing facilities and presenting economic barriers to farmers who wish to participate in the market for higher profit margin processed food products. The General Assembly further finds that grants to increase agricultural processing opportunities in the State will create jobs and increase local property tax bases in this State; will benefit agricultural and farming operations in the State with decreased costs and increased profit options; and is consistent with promoting agricultural operations, a vital sector of the State's economy. The purpose of this section is to create seed capital to fund and promote the establishment of value-adding agricultural manufacturing and food processing facilities across the State to fill existing gaps in the processing of agricultural products and to create a diverse and economically competitive array of high value-added goods and products manufactured in this State from agricultural products grown or produced in this State.

SECTION 10.2.(b) Establishment. – There is created within the Department of Agriculture and Consumer Services (Department), the North Carolina Agricultural Manufacturing and Processing Initiative (NCAMPI). Funds allocated to NCAMPI by this section will be used for the following activities:

1. Up to $200,000 of funds in the first year of the program for the Department to assess the State's agricultural economy with the assistance of independent industry-recognized experts to identify and assess opportunities to increase access to value-added processing of commodities produced in the State and address categorical or geographical gaps in agricultural manufacturing and processing.

2. Up to $250,000 of the funds provided in each year of the program for the Department to market and recruit agricultural manufacturing and processing facilities to fill identified gaps in access to such facilities by North Carolina farmers based on the assessment described in subdivision (1) of this subsection.

3. Remaining NCAMPI funds to provide grants to agricultural manufacturing facilities for site development, infrastructure costs (including water, wastewater, or transportation improvements), building construction or rehabilitation costs, or equipment. New facilities and expansions of existing facilities will be eligible for grants under this subdivision. Before entering into a grant agreement, the Department must find that the total benefits of the project to the State outweigh its costs and render the grant appropriate for the project.

SECTION 10.2.(c) Administration of Initiative. – In consultation with the nonprofit corporation with which the Department of Commerce contracts pursuant to G.S. 143B-431.01(b), the Department shall develop guidelines related to the administration of NCAMPI. The guidelines shall require a finding that a grant under this section is necessary for the construction or expansion of a facility engaged in agricultural manufacturing and processing in this State. At least 20 days before the effective date of any guidelines or nontechnical amendments to the guidelines, the Department shall publish the proposed guidelines on its website and provide notice to persons who have requested notice of proposed guidelines. In addition, the Department shall accept oral and written comments on the proposed guidelines and shall, in its discretion, consider those comments before finalizing the guidelines. Guidelines adopted under this section shall not be subject to the requirements of Article 2A of Chapter 150B of the General Statutes, and shall include all of the following:

1. Criteria for evaluating grant applicants, including job creation, concentration of production of the agricultural product the facility will process in proximity

8

9
amounts.

SECTION 10.2.(d) Report. – Until all funds allocated by this section have been
10
expended, the Department shall annually report no later than October 1 on NCAMPI activities
11
during the prior fiscal year to the chairs of the Joint Legislative Oversight Committee on
12
Agriculture and Natural and Economic Resources and the Fiscal Research Division. The report

PART XXVII. GENERAL ASSEMBLY

CONTINUING LEGAL EDUCATION EXEMPTION FOR FULL-TIME ATTORNEYS FOR GENERAL ASSEMBLY

SECTION 27.1.(a) Finding. – The General Assembly finds that licensed attorneys who are full-time employees of the North Carolina General Assembly draft the general and local laws of this State, which requires extensive writing skills and researching capabilities similar to those required of full-time judicial law clerks employed by the judicial branch and full-time law professors. These full-time law clerks and full-time law professors have been granted exemptions from the continuing legal education requirements established by the North Carolina State Bar for any calendar year in which they serve some portion thereof in their capacity as a law clerk or law professor. Further, licensed attorneys who are members of the General Assembly have also been granted an exemption from continuing legal education requirements for any calendar year in which they serve some portion thereof as a member of the General Assembly. The General Assembly finds that given the similarities of the professional skills and abilities required by licensed attorneys who are full-time judicial law clerks, full-time law professors, and full-time employees of the General Assembly to perform their duties, there is ample justification for providing that licensed attorneys who are full-time employees of the General Assembly should be granted an exemption from the continuing legal education requirements established by the North Carolina State Bar for any calendar year in which they serve some portion thereof in their capacity as full-time employees of the General Assembly.

SECTION 27.1.(b) Full-Time Attorneys for General Assembly. – Notwithstanding any other provision of law or rule, the North Carolina State Bar Council shall adopt rules in accordance with Article 4 of Chapter 84 of the General Statutes to provide that full-time employees of the North Carolina General Assembly are exempt from the continuing legal education requirements established by the North Carolina State Bar for any calendar year in which they serve some portion thereof in their capacity as full-time employees of the North Carolina General Assembly. Rules adopted pursuant to this section are not subject to Part 3 of

House Bill 259-Second Edition  Page 347
Article 2A of Chapter 150B of the General Statutes. Until such time that the Bar Council adopts rules as required by this section, full-time employees of the North Carolina General Assembly shall be exempt from the continuing legal education requirements established by the North Carolina State Bar for any calendar year in which they serve some portion thereof in their capacity as full-time employees of the North Carolina General Assembly.

SECTION 40.1.(c) The Board of Governors of The University of North Carolina shall prioritize funds allocated for project code UNC/R&R21 for repairs and renovations pursuant to G.S. 143C-8-13 and, notwithstanding G.S. 143C-8-13(a), for projects listed in Section 40.1(d) of S.L. 2021-180. The cost for any single repair and renovation project other than those specifically listed in Section 40.1(d) of S.L. 2021-180 shall not exceed fifteen million dollars ($15,000,000). The Board of Governors may reallocate funds in accordance with G.S. 143C-8-13(b) or to projects listed in Section 40.1(d) of S.L. 2021-180; provided, however, reallocation of funds intended for a project located at a particular constituent institution may only be reallocated for repairs and renovations projects at that particular constituent institution. The provisions of G.S. 143C-8-13(b)(4) shall not apply to the projects listed in Section 40.1(d) of S.L. 2021-180. The Board of Governors shall report to the Joint Legislative Commission on Governmental Operations in accordance with G.S. 143C-8-13(b).

SECTION 40.1.(d) For project code R&R21, the provisions of Section 40.1(c) of S.L. 2021-180 shall apply to funds allocated for the project code during the 2023-2025 fiscal biennium.

SECTION 40.1.(e) For project code UNC/NCS23-4, notwithstanding G.S. 143C-4-5, North Carolina State University is authorized to spend up to one hundred twenty million dollars ($120,000,000) on the project, but shall commit to providing funding of at least fifty million dollars ($50,000,000) from non-State sources on or before December 31, 2024, as a match for the intended State allocations totaling seventy million dollars ($70,000,000) for the project. Upon verification by the Office of State Budget and Management that North Carolina State University has deposited at least twenty-five million dollars ($25,000,000) into an account dedicated for the project, the University may begin the letting of construction and design contracts and begin construction. It is the intent of the General Assembly to appropriate funds from the State Capital and Infrastructure Fund for this project beginning in the 2025-2026 fiscal year.

SECTION 40.1.(f) For project code UNC/WIL23-1, notwithstanding G.S. 143C-4-5, the University of North Carolina at Wilmington is authorized to spend up to forty-four million five hundred thousand dollars ($44,500,000) on the project, but shall commit to providing funding of at least four million four hundred fifty thousand dollars ($4,450,000) from non-State sources on or before December 31, 2025, as a match for the intended State allocations totaling forty million fifty thousand dollars ($40,050,000) for the project.

SECTION 40.1.(h) For project code UNC/WIL23-2, notwithstanding G.S. 143C-4-5, the University of North Carolina at Wilmington is authorized to spend up to twenty-four million dollars ($24,000,000) on the project, but shall commit to providing funding of at least two million four hundred thousand dollars ($2,400,000) from non-State sources on or before December 31, 2025, as a match for the intended State allocations totaling twenty-one million six hundred thousand dollars ($21,600,000) for the project.
SECTION 40.1.(i) There is established in the General Fund an Additional Project Reserve that shall make funds available for capital improvement project expenditures only upon an act of appropriation by the General Assembly. The State Controller shall reserve to the Additional Project Reserve from funds available in the State Capital and Infrastructure Fund the sum of five hundred million dollars ($500,000,000) in nonrecurring funds for the 2023-2024 fiscal year. Funds reserved in the Additional Project Reserve pursuant to this subsection do not constitute an "appropriation made by law," as that phrase is used in Section 7(1) of Article V of the North Carolina Constitution.

SECTION 40.1.(j) For project code DST23-1, the Department of State Treasurer may use funds allocated for the project code to redeem bonds that have debt service paid from the State Capital and Infrastructure Fund if the cost of redeeming those bonds is less than the estimated market value the bonds would have if not redeemed.

SECTION 40.1.(k) For project code BOG23-1, the Board of Governors of The University of North Carolina shall allocate funds, in an amount to be determined by the Board of Governors, to the athletic department for each of the following constituent institutions upon submission of a plan to utilize the funds for capital improvements to intercollegiate athletic facilities:

1. Elizabeth City State University.
2. Fayetteville State University.
5. The University of North Carolina at Asheville.
6. The University of North Carolina at Greensboro.
7. The University of North Carolina at Pembroke.
8. The University of North Carolina at Wilmington.
9. Western Carolina University.
10. Winston-Salem State University.

SECTION 40.1.(l) For project code WRC23-1, the Wildlife Resources Commission is authorized to spend up to thirty-nine million seven hundred thousand dollars ($39,700,000) on the project, but shall commit to providing funding of at least nineteen million seven hundred thousand dollars ($19,700,000) in non-State funds from the Commission's endowment as a match to the intended State allocations totaling twenty million dollars ($20,000,000) for the project. The Commission shall use the endowment funds described in this subsection on the project prior to expending any State funds.

SIX-YEAR INTENDED PROJECT ALLOCATION SCHEDULE

SECTION 40.2. It is the intent of the General Assembly to fund capital improvement projects on a cash flow basis and to plan for future project funding based upon projected availability in the State Capital and Infrastructure Fund. Nothing in this section shall be construed (i) to appropriate funds or (ii) as an obligation by the General Assembly to appropriate funds for the projects listed in future years. The following schedule lists capital improvement projects that will begin or be completed in fiscal years outside of the 2023-2025 fiscal biennium and estimated amounts (in thousands) needed for completion of those projects:

CARE RETIREMENT COMMUNITIES

SECTION 42.10.(a) Article 9 of Subchapter I of Chapter 105 of the General Statutes
is amended by adding a new section to read:

"§ 105-244.4B. Forgiveness of certain sales tax assessments of continuing care retirement
communities.

(a) Reduction. – The Secretary must reduce by one hundred percent (100%) a sales and
use tax assessment against a taxpayer who requests relief for State and local sales and use taxes
and waive any penalties imposed as part of the assessment when the assessment is the result of
an audit of the taxpayer by the Department, and all of the following apply:

(1) The taxpayer is a provider of continuing care. The terms "continuing care"
and "provider" have the same meanings as defined in G.S. 58-64-1.

(2) The taxpayer remitted to the Department during the period under audit all the
sales and use taxes it collected during that period.
The taxpayer had not been informed by the Department in a prior audit to collect sales and use taxes in the circumstance that is the basis of the assessment, as reflected in the written audit comments of the prior audit.

The taxpayer had not requested and received from the Department a private letter ruling advising to collect sales and use taxes in the circumstance that is the basis of the assessment.

The taxpayer had not received other specific written guidance from the Department advising it to collect sales and use tax in the circumstances that is the basis of the assessment for which it seeks reduction.

The assessment is based on the failure to collect sales tax on items that would be exempt under G.S. 105-164.13(74) if sold on or after October 1, 2023.

The taxpayer meets one of the following:

a. The taxpayer received a proposed assessment dated on or before June 1, 2023, timely filed a request for review, and files a written request with the Secretary on or before December 1, 2023, to request the amount of sales or use taxes be reduced as provided in this section citing the specific reasons. The Department does not need to take further action on the taxpayer's request for review unless the taxpayer states in writing, when filing a request for reduction under this section, that the reduction does not resolve the taxpayer's objection to the proposed assessment and that the taxpayer wishes to continue the Departmental review.

b. The taxpayer received a proposed assessment dated on or before June 1, 2023, did not file a request for review, paid the tax due, and files a written request with the Secretary on or before December 1, 2023, to request the amount of sales or use taxes be reduced as provided in this section citing the specific reasons.

c. The taxpayer receives a proposed assessment after June 1, 2023, timely files a request for review, as provided in G.S. 105-241.11, and files a written request with the Secretary no later than 45 days from the date of the notice of the proposed assessment to request the amount of sales or use taxes be reduced as provided in this section citing the specific reasons.

(b) Application. – This section applies to the following for a tax period ending prior to January 1, 2024:

A proposed assessment or portion of a proposed assessment,

An assessment that becomes collectible under G.S. 105-241.22,

A pending request for review case,

A pending contested case hearing at the Office of Administrative Hearings.

SECTION 42.10.(b) G.S. 105-164.13 reads as rewritten:

§ 105-164.13. Retail sales and use tax.

The amount of the refund must be reduced by the amount of sales and use tax due from the provider of continuing care on the purchase price of the item under G.S. 105-164.13(74), as amended by this section, if the sale was made on or after October 1, 2020. If a provider of continuing care collected the tax from the purchaser, the Secretary may allow the refund only if the provider of continuing care gives the purchaser credit for or a refund of the tax collected from the purchaser. A request for a refund under this section must be in writing and must include any information and documentation required by the Secretary. A request for a refund under this section must be made on or after October 1, 2023, and is due before December 1, 2023. A refund allowed under this section is not an overpayment of tax and does not accrue interest as provided in G.S. 105-241.21.

SECTION 42.10.(d)  Subsection (b) of this section becomes effective October 1, 2023. The remainder of this section is effective when it becomes law.
