not required to use this form, and North Carolina law allows the use of other forms that meet certain requirements. If you prepare your own health care power of attorney, you should be very careful to make sure it is consistent with North Carolina law.

This document gives the person you designate as your health care agent **broad powers** to make health care decisions for you when you cannot make the decision yourself or cannot communicate your decision to other people. You should discuss your wishes concerning life-prolonging measures, mental health treatment, and other health care decisions with your health care agent. Except to the extent that you express specific limitations or restrictions in this form, your health care agent may make any health care decision you could make yourself.

This form does not impose a duty on your health care agent to exercise granted powers, but when a power is exercised, your health care agent will be obligated to use due care to act in your best interests and in accordance with this document.

This Health Care Power of Attorney form is intended to be valid in any jurisdiction in which it is presented, but places outside North Carolina may impose requirements that this form does not meet.

If you want to use this form, you must complete it, sign it, and have your signature witnessed by two qualified witnesses and or proved by a notary public. Follow the instructions about which choices you can initial very carefully. **Do not sign this form until** two witnesses and or a notary public are present to watch you sign it. You then should give a copy to your health care agent and to any alternates you name. You should consider filing it with the Advance Health Care Directive Registry maintained by the North Carolina Secretary of State: http://www.nclifelinks.org/ahcdr/State.

By signing here, I indicate that I am mentally alert and competent, fully informed as to the contents of this document, and understand the full import of this grant of powers to my health care agent.

This the \_\_\_\_\_ day of \_\_\_\_\_\_, 20\_\_\_\_.

(SEAL)(SIGNATURE)

I hereby state that the principal, \_\_\_\_\_\_\_\_\_, being of sound mind, signed (or directed another to sign on the principal's behalf) the foregoing health care power of attorney in my presence, and that I am not related to the principal by blood or marriage, and I would not be entitled to any portion of the estate of the principal under any existing will or codicil of the principal or as an heir under the Intestate Succession Act, if the principal died on this date without a will. I also state that I am not the principal's attending physician, nor a licensed health care provider or mental health treatment provider who is (1) an employee of the principal's attending physician or mental health treatment provider, (2) an employee of the health facility in which the principal is a patient, or (3) an employee of a nursing home or any adult care home where the principal resides. I further state that I do not have any claim against the principal or the estate of the principal.

# ADVANCE DIRECTIVE FOR A NATURAL DEATH ("LIVING WILL") NOTE: YOU SHOULD USE THIS DOCUMENT TO GIVE YOUR HEALTH CARE PROVIDERS INSTRUCTIONS TO WITHHOLD OR WITHDRAW LIFE-PROLONGING MEASURES IN CERTAIN SITUATIONS. THERE IS NO LEGAL

REQUIREMENT THAT ANYONE EXECUTE A LIVING WILL.

 GENERAL INSTRUCTIONS: You can use this Advance Directive ("Living Will") form to give instructions for the future if you want your health care providers to withhold or withdraw life-prolonging measures in certain situations. You should talk to your doctor about what these terms mean. The Living Will states what choices you would have made for yourself if you were able to communicate. Talk to your family members, friends, and others you trust about your choices. Also, it is a good idea to talk with professionals such as your doctors, clergypersons, and lawyers before you complete and sign this Living Will.

You do not have to use this form to give those instructions, but if you create your own Advance Directive you need to be very careful to ensure that it is consistent with North Carolina law.

This Living Will form is intended to be valid in any jurisdiction in which it is presented, but places outside North Carolina may impose requirements that this form does not meet.

If you want to use this form, you must complete it, sign it, and have your signature witnessed by two qualified witnesses and or proved by a notary public. Follow the instructions about which choices you can initial very carefully. **Do not sign this form until** two witnesses and or a notary public are present to watch you sign it. You then should consider giving a copy to your primary physician and/or a trusted relative, and should consider filing it with the Advanced Health Care Directive Registry maintained by the North Carolina Secretary of State: http://www.nclifelinks.org/ahcdr/State.
