RULE 23. Motion for previous question. – (a) The previous question may be moved upon a pending single motion, any pending amendment or amendments, and/or the pending bill to its passage on that reading or all readings or the pending resolution to its adoption. An authorized Senator moving the previous question shall specify to what the motion applies. Unless specified, the motion shall be deemed to apply to the current question.

(b) The previous question shall be as follows: "Shall the main question be now put?" and until it is decided shall preclude all amendments and debate. If this question is decided in the affirmative, the "main question" shall be on the passage of the bill, resolution, or other matter under consideration; but when amendments are pending, the question shall be taken upon such amendments in their inverse order, without further debate or amendment.

(c) Only one of the following Senators may move the previous question:

1. The chair of the committee submitting the report on the bill or other matter under consideration;
2. The member introducing the bill or other matter under consideration;

No motion for reconsideration shall be in order unless made on the same day or on the next legislative day on which the vote took place. When the next legislative day has by motion of the Senate been restricted as to matters which may be considered, a motion to reconsider shall be in order on the next succeeding day upon which regular business is conducted. No question shall be reconsidered more than once.

(b) Notwithstanding subsection (a) of this rule, a motion to reconsider is in order at any time if made by the Chair of the Committee on Rules and Operations of the Senate or the President Pro Tempore for the sole purpose of correcting grammatical errors in bills in the possession of the Senate.

(c) If a bill has gone out of the possession of the Senate and a motion to reconsider under these rules is passed, the bill shall not be enrolled unless it again passes third reading. The Principal Clerk shall notify the House of Representatives and the Enrolling Clerk of any action under this subsection.

IV. VOTING

RULE 25. Use of electronic voting system. – (a) Votes on the following questions shall be taken on the electronic voting system, and the ayes and noes shall be recorded on the Journal:

(2) All questions on which a call for the ayes and noes under Rule 26(b) has been sustained;

(3) Second and third readings of bills proposing amendment of the Constitution of North Carolina; and

(4) The vote on approval of a bill that was vetoed by the Governor.

(b) Votes on the following questions shall be taken on the electronic voting system, and the resulting totals shall be recorded on the Journal:

(1) Second reading of all public bills, all amendments to public bills offered after second reading, third reading if a public bill was amended after second reading, and all conference reports on public bills.

(2) Any other question upon direction of the Presiding Officer or upon motion of any Senator supported by one-fifth of the Senators present.

(c) When the electronic voting system is used, the Presiding Officer shall fix and announce the time, not to exceed one minute, which shall be allowed for voting on the question before the Senate. The system shall be set to lock automatically and to record the vote when that time has expired. Once the system has locked and recorded a vote, the vote shall be printed by the system.
(d) The voting station at each Senator's desk in the Chamber shall be used only by the Senator to whom the station is assigned. Under no circumstances shall any other person vote at a Senator's station. It is a breach of the ethical obligation of a Senator either to request that another vote at the requesting Senator's station or to vote at another Senator's station. The Presiding Officer shall enforce this rule without exception.

(e) When the electronic voting system is used, the Presiding Officer shall state the question and shall then state substantially the following: "All in favor vote 'aye'; all opposed vote 'no'; _____ seconds will be allowed for voting on this question; the Clerk will record the vote." After the machine locks and records the vote, the Presiding Officer shall announce the vote and declare the result, and no member may vote thereafter.

(f) One copy of the machine printout of the vote record shall be filed in the Office of the Principal Clerk, and one copy shall be filed in the Legislative Library where it shall be open to public inspection.

(g) When the Presiding Officer ascertains that the electronic voting system is inoperative before a vote is taken or while a vote is being taken on the electronic system, the Presiding Officer shall announce that fact to the Senate, and any partial electronic system voting record shall be voided. In such a case, if the Constitution of North Carolina or the Rules of the Senate require a call of the ayes and noes, the Clerk shall call the roll of the Senate, and the ayes and noes shall be taken manually and shall be recorded on the Journal. All other votes shall be taken as prescribed in Senate Rule 26. If, after a vote is taken on the electronic system, it is discovered that a malfunction caused an error in the electronic system printout, the Presiding Officer shall direct the Reading Clerk and the Principal Clerk to verify and correct the printout record and so advise the Senate.

(h) For the purpose of identifying motions on which the vote is taken on the electronic system (the identification codes having no relation to the order of precedence of motions), the motions are coded as follows:

(1) To lay on the table.
(2) To resolve into the Committee of the Whole Senate.
(3) For the previous question.
(4) To postpone indefinitely.
(5) To postpone to a day certain.
(6) To refer to a committee.
(7) To reconsider.
(8) To adopt.
(9) To concur.
(10) To take from the table.
(11) Miscellaneous.

RULE 26. Voice votes; call for division; call for ayes and noes. – (a) When the electronic voting system is not used, all votes on which a call of the roll of the Senate is not required shall be taken by voice vote. The question shall be put as follows: "Those in favor say 'aye,'" and, after the affirmative vote is expressed, "Opposed 'no';" after which the Presiding Officer shall announce the result. If a division on any vote is desired, it must be called for immediately before the result of the voting is announced on any question, and, upon such call, the Presiding Officer shall require the members to stand and be counted for and against the proposition under consideration.

(b) The ayes and the noes may be called for on any question before the vote is taken. If a Senator desires the ayes and noes recorded on the Journal on a question, that Senator shall address the Presiding Officer and obtain recognition and say, "Upon that question I call for the ayes and noes." Whereupon the Presiding Officer shall say, "Is the call sustained?" If one-fifth of the remaining Senators present then stand, the vote shall be taken on the electronic voting system if it is operative, and the ayes and noes shall be recorded on the Journal. If the electronic...
voting system is inoperative, the roll of the Senate shall be called and the ayes and noes taken manually and recorded on the Journal. If fewer than one-fifth of the Senators present stand to sustain the call, the Presiding Officer shall announce, "An insufficient number up," and a vote by electronic voting or by voice, whichever is appropriate under the Rules of the Senate, shall be taken.

RULE 27. (Reserved for future use).

RULE 28. Dividing question. – (a) If a bill is subject to division into separate parts so that each part states a separate and distinct proposition capable of standing alone, a Senator may move that the question be divided. The motion shall:

(1) Be in writing,
(2) Be submitted to the Principal Clerk at the time the motion is made, and
(3) Clearly state how the question is to be divided.

Upon a majority vote of the Senators present and voting, the motion shall be adopted.

(b) If the motion to divide the question is adopted, then there shall be no further amendment or debate on any of the distinct propositions.

(c) If the question is divided and any part thereof fails, then the bill or resolution and any pending amendments shall be removed from the calendar and re-referred to the committee from which the bill or resolution was reported.

(d) Only one motion to divide the question shall be in order during consideration of a bill or resolution.

RULE 29. Duty to vote; excuses. – (a) Every Senator who is within the Senate Chamber when the question is stated by the Presiding Officer shall vote thereon unless that Senator is excused by the Senate.

(b) A Senator who is a member of a committee shall, upon request, be excused from deliberations and voting on the bill while it is before the committee. The Senator must make the request to the chair of the committee when the bill is first taken up for consideration and before any motion or vote on the bill or any amendment to the bill. The Senator making the request for excuse in committee must renew that request for excuse on the floor of the Senate as set forth in this rule.

(c) Any Senator may move to be excused at any time from voting on any matter. The Senator may make a brief statement of the reasons for the motion which question shall be taken without debate on the motion.

(d) The Senator may send forward to the Principal Clerk, on a form provided by the Clerk, a concise statement of the reason for the motion, and the Clerk shall include this statement in the Journal.

(e) The Senator so excused shall not debate the bill or any amendment to the bill, vote on the bill, offer or vote on any amendment to the bill, or offer or vote on any motion concerning the bill at that reading, any subsequent reading, or any subsequent consideration of the bill.

(f) A Senator may move that the excuse of that Senator from deliberations on a particular bill be withdrawn, which question shall be determined without debate. The Senator shall send forward to the Principal Clerk, on a form provided by the Clerk, the written request.

(g) A motion to be excused or for the withdrawal of an excuse shall be taken without debate.

(h) A motion by any Senator to change that Senator's vote must be made in open session on the same legislative day as the vote is taken. This subsection may not be suspended.

Committee, or of the Finance Committee, or of the Committee on Rules and Operations of the 
Senate, upon the floor of the Senate, may request that a fiscal analysis be made of a bill, 
resolution, or an amendment to a bill or resolution which is in the possession of the Senate and 
that a fiscal note be attached to the measure, when in the opinion of that Chair the fiscal effects 
of that measure are not apparent from the language of the measure. No bill, resolution, or 
amendment for which a fiscal note has been requested may be considered for passage prior to the 
fiscal note being attached to it.

(b) The fiscal note shall be filed and attached to the bill, resolution, or amendment 
within two legislative days of the request. If it is impossible to prepare a fiscal note within two 
legislative days, the Director of Fiscal Research shall, in writing, so advise the Presiding Officer, 
the Principal Clerk, and the member introducing or proposing the measure and shall indicate the 
time when the fiscal note will be ready.

(c) The fiscal note shall be prepared by the Fiscal Research Division on a form 
approved by the Chair of the Committee on Rules and Operations of the Senate as to content and

make the fiscal note available to the membership of the Senate.

(d) A sponsor of a bill, resolution, or amendment may deliver a copy of that

attached who objects to the estimates and information provided may reduce to writing the 
objections. These objections shall be appended to the fiscal note attached to the bill, resolution, 
or amendment and to the copies of the fiscal note available to the membership.

(f) Subsection (a) of this rule shall not apply to the Current Operations 
Appropriations Bill or the Capital Improvement Appropriations Bill. This rule shall not apply to 
a bill, resolution, or amendment requiring an actuarial note under these rules.

RULE 42.2. Actuarial notes. – (a) Every bill or resolution proposing any change in

teachers and State employees, funded in whole or in part by State funds, 
shall have attached to it at the time of its consideration by any committee a brief explanatory 
statement or note that shall include a reliable estimate of the financial and actuarial effect of the 
proposed change, as provided in G.S. 120-114. The actuarial note shall be attached to the jacket 
of each proposed bill or resolution that is reported favorably by any committee and shall be 
clearly designated as an actuarial note. Upon its introduction, a bill or resolution described in 
subdivision (a)(1) of this rule shall be referred to the Committee on Pensions and Retirement and 
Aging.

(b) The sponsor of the bill or resolution shall present a copy of the measure, with 
the sponsor's request for an actuarial note, to the Fiscal Research Division, which shall prepare 
the actuarial note as promptly as possible but not later than two weeks after the request is made. 
Actuarial notes shall be prepared in the order of receipt of request and shall be transmitted to the 
sponsor of the measure. The actuarial note of the Fiscal Research Division shall be prepared and 
signed by an actuary.
The sponsor of the bill or resolution shall also present a copy of the measure to the chief administrative officer of the system affected by the measure. The chief administrative officer shall have an actuarial note prepared by the system’s actuary on the measure and shall transmit the note to the sponsor of the measure not later than two weeks after the request is received. The actuarial note may be attached to the jacket of the measure.

The note shall be factual and shall, if possible, provide a reliable estimate of both the immediate effect and, if determinable, the long-range fiscal and actuarial effect of the measure. If, after careful investigation, it is determined that no dollar estimate is possible, the note shall contain a statement to that effect, setting forth the reasons why no dollar estimate can be given. No comment or opinion shall be included in the actuarial note with regard to the merits of the measure for which the note is prepared. Technical and mechanical defects in the measure may be noted.

When any committee reports a measure to which an actuarial note is attached at the time of committee consideration, with any amendment of such nature as would substantially affect the cost to or the revenues of any system, the chair of the committee reporting the measure shall obtain from the Fiscal Research Division and the administrator of the affected system an actuarial note of the fiscal and actuarial effect of the proposed amendment. The actuarial note shall be attached to the jacket of the measure. A chair of the Appropriations/Base Budget Committee, or of the Finance Committee, or of the Committee on Rules and Operations of the Senate, upon the floor of the Senate, may request that an actuarial note be attached to a bill, resolution, or an amendment that affects the costs to or the revenues of a system described in this rule and that is in the possession of the Senate, when in the opinion of that chair, the effect to the cost to or the revenues of a system described in this rule are not apparent from the language of the measure. No bill, resolution, or amendment for which an actuarial note has been requested may be considered for passage prior to the actuarial note from both the Fiscal Research Division and the administrator of the affected system being attached to it.

The Fiscal Research Division shall make all relevant actuarial notes available to the membership of the Senate.

RULE 42.3. Assessment reports. – Municipal Incorporations. Every legislative proposal introduced in the Senate, or received in the Senate from the House, proposing the incorporation of a municipality shall have attached to the jacket of the original bill at the time of its consideration on second or third readings by the Senate or by any committee of the Senate prior to a favorable report, a recommendation from the Municipal Incorporations Subcommittee of the Joint Legislative Committee on Local Government established by Article 20 of Chapter 120 of the General Statutes. The recommendation of that Subcommittee shall be made in accordance with the provisions and criteria set forth in Article 20 of Chapter 120 of the General Statutes and shall include the findings required to be made by G.S. 120-166 through G.S. 120-170.

RULE 42.3A. Proposed increases in incarceration. – (a) Every bill, amendment, and resolution proposing any change in the law that could cause a net increase in the length of time for which persons are incarcerated or the number of persons incarcerated, whether by increasing penalties for violating existing laws, by criminalizing behavior, or by any other means, shall have attached to it at the time of its consideration by the Senate a fiscal note prepared by the Fiscal Research Division. The fiscal note shall be prepared in consultation with the Sentencing Policy and Advisory Commission and shall identify and estimate, for the first five fiscal years the proposed change would be in effect, all costs of the proposed net increase in incarceration, including capital outlay costs if the legislation would require increased cell space. If, after careful investigation, the Fiscal Research Division determines that no dollar estimate is possible, the note shall contain a statement to that effect, setting forth the reasons why no dollar estimate can be given. No comment or opinion shall be included in the fiscal note with regard to
the merits of the measure for which the note is prepared. However, technical and mechanical defects may be noted.

(b) The sponsor of each bill, amendment, or resolution to which this subsection applies shall present a copy of the bill, amendment, or resolution with the request for a fiscal note to the Fiscal Research Division. Upon receipt of the request and the copy of the bill, amendment, or resolution, the Fiscal Research Division shall prepare the fiscal note as promptly as possible. The Fiscal Research Division shall prepare the fiscal note and transmit it to the sponsor within two weeks after the request is made, unless the sponsor agrees to an extension of time.

(c) This fiscal note shall be attached to the original of each proposed bill, amendment, or resolution that is reported favorably by any committee, but shall be separate from the bill, amendment, or resolution and shall be clearly designated as a fiscal note. A fiscal note attached to a bill, amendment, or resolution pursuant to this subsection is not a part of the bill, amendment, or resolution and is not an expression of legislative intent proposed by the bill, amendment, or resolution.

(d) If a committee reports favorably a proposed bill or resolution with an amendment that proposes a change in the law that could cause a net increase in the length of time for which persons are incarcerated or the number of persons incarcerated, whether by increasing penalties for violating existing laws, by criminalizing behavior, or by any other means, the chair of the committee shall obtain from the Fiscal Research Division and attach to the amended bill or resolution a fiscal note as provided in this rule.

The Chair of the Committee on Rules and Operations of the Senate or, in the Chair's absence, the Vice-Chair of the Committee or the President Pro Tempore may refer to a Senate committee...
all bills introduced in the Senate or received from the House of Representatives. Upon the referral

Appropriations/Base Budget Committee."

RULE 44. Bills to receive three readings. – Every bill shall receive three readings
before being passed, and the Presiding Officer shall give notice at each reading whether it be the

prejudice.

RULE 45.1. Action on amendment or committee substitute; distribution of
committee substitutes. – (a) If any committee recommends adoption of an amendment or

considered adopted upon the reading of the committee report. The bill or resolution, as amended,
or its adopted committee substitute shall be placed on the calendar for the next legislative day or
re-referred if the bill or resolution was serially referred. The committee substitute's original bill
or resolution shall lie on the table.

(b) Notwithstanding any other provision of this rule, a committee substitute for a
simple resolution shall be placed on the calendar for the next legislative day for a vote on its

members of the Senate asking that the committee be discharged from further consideration of the bill or resolution. No petition may be circulated for signatures until 10 legislative days after the bill has been referred to the committee. No petition may be circulated for signature until notice has been given on the floor of the Senate that the petition is to be circulated. If such a motion accompanied by a valid petition is filed, the Principal Clerk shall place that motion on the calendar for the next legislative day as a special order of business. If the motion is adopted by two-thirds of the members of the Senate, then the committee to which the bill or resolution has been referred is discharged from further consideration of the bill or resolution, and that bill or resolution is placed on the calendar for the next legislative day as a special order of business. If the committee had, prior to discharge, adopted any amendment or committee substitute for the bill, it shall be in order to offer that amendment or substitute on the floor as if it were a committee amendment or substitute. The Principal Clerk shall provide a form for discharge petitions.

(c) This rule shall not be temporarily suspended.

Special orders. – Any bill or other matter in consideration before the Senate may be made a special order for a subsequent day or hour by a vote of the majority of the Senators voting, and if action on the bill is not completed on that day, it shall be returned to its place on the calendar, unless it is made a special order for another day; and when a special order is under consideration it shall take precedence over any special order or subsequent order for the day, but such subsequent order may be taken up immediately after the previous special order has been disposed of.

RULE 52. Procedure when necessary number of Senators not present. – If, on taking the question on a bill, it appears that a constitutional quorum is not present, or if the bill requires a vote of a certain proportion of all the Senators to pass it, and it appears that such number is not present, the bill shall be again read and the question taken thereon; if the bill fails a second time for the want of the necessary number being present and voting, the bill shall not be finally lost but shall be returned to the calendar in its proper order.
RULE 53. Effect of defeated measure. – (a) After a bill has been tabled, or has failed to pass on any of its readings, the contents of such bill or the principal provisions of its subject matter shall not be embodied in any other measure. After an amendment has been tabled or defeated on the Senate floor, the contents of such amendment or the principal provisions of its subject matter shall not be embodied in any other measure. If a substitute amendment is adopted on the floor, the contents of the previously pending amendment which are not contained in the substitute shall be considered to have been defeated. Upon the point of order being raised and sustained by the Presiding Officer, such measure shall be laid upon the table and shall not be taken therefrom except by a vote of two-thirds of the membership of the Senate present and voting: Provided, no local bill shall be held by the Presiding Officer as embodying the provisions of, or being identical with, any statewide measure which has been laid upon the table or failed to pass any of its readings.

Amending titles of bills. – When a bill is materially modified or the scope of its application extended or decreased, or if the county or counties to which it applies is changed, the title of the bill shall be changed by the committee having it in charge or by the Principal Clerk, so as to indicate the full purport of the bill as amended and the county or counties to which it applies.

RULE 56. Corrections of typographical errors in bills. – The Enrolling Clerk is authorized to make corrections of typographical errors in the text of bills at any time prior to ratification. Before the correction is made, the Enrolling Clerk shall have the approval of the Chair of the Committee on Rules and Operations of the Senate or, in the Chair’s absence, the Vice-Chair of said Committee, the President Pro Tempore, or the Deputy President Pro Tempore.

RULE 56.1. question may not be divided, notwithstanding Rule 28. The question that shall be put before the Senate by the Presiding Officer shall be: "Does the Senate concur in the House amendments (committee substitute) to S.B.______?".

(e) If the amendment or committee substitute for a bill is a material amendment, the receiving of that bill on messages shall constitute first reading, and the question before the Senate shall be concurrence on second reading. If the motion is passed, the question then shall be concurrence on third reading on the next legislative day.

(f) No committee substitute adopted by the House to a bill originating in the Senate may be amended by the Senate.

RULE 57. Conference committee. – The President Pro Tempore of the Senate, or in the President Pro Tempore's absence, the Deputy President Pro Tempore, upon motion, may appoint a conference committee when the Senate fails to concur in amendments or committee substitutes put by the House to a bill originating in the Senate, or when the House of Representatives fails to concur in amendments or committee substitutes put by the Senate to a bill originating in the House. Senate conferees shall include the primary sponsor of the bill. In considering the bill committed to the conferees, only such matters as are germane to the bill shall be considered by the conferees, and the conference report shall deal only with such matters. The matters referred to the conference committee by the conference committee chairs shall go to and be considered by the conferees appointed by the Senate and the House of Representatives. While the bill is in conference committee, the Senate’s position shall be determined by a majority of the Senate conferees. Upon agreement by the Senate and House of Representatives, a conference report shall be drafted reflecting the matters considered and agreed upon by the conferees.
