SECTION 1.1.(c) G.S. 163-234 reads as rewritten:

All absentee ballots returned to the county board of elections in the container-return
envelopes shall be retained by the board to be counted by the county board of elections as follows:

(1) Only those absentee ballots returned to the county board of elections no later
than 5:00 p.m. on the day before election day in a properly executed
container-return envelope or absentee ballots received pursuant to
G.S. 163-231(b)(2), or G.S. 163-231(b)(2) shall be counted, except to the
extent federal law requires otherwise counted.

(2) The county board of elections shall meet at 5:00 p.m. on election day in the
board office or other public location in the county courthouse for the purpose
of counting all absentee ballots except those which have been challenged
before 5:00 p.m. on election day and those received pursuant to
G.S. 163-231(b)(2), or G.S. 163-231(b)(2). Any elector of the county shall
be permitted to attend the meeting and allowed to observe the counting
process, so long as the elector does not in any manner interfere with the
election officials in the discharge of their duties.
The county board of elections may begin counting absentee ballots issued under Article 21A of this Chapter between the hours of 9:00 a.m. and 5:00 p.m. and may begin counting all absentee ballots between the hours of 2:00 p.m. and 5:00 p.m. upon the adoption of a resolution at least two weeks prior to the election in which the hour and place of counting absentee ballots shall be stated. The resolution also may provide for an additional meeting following the day of the election and prior to the day of canvass to count absentee ballots received pursuant to G.S. 163-231(b)(2)b. or c. G.S. 163-231(b)(2) as provided in subdivision (11) of this section. A copy of the resolution shall be published once a week for two weeks prior to the election, in a newspaper having general circulation in the county. Notice may additionally be made on a radio or television station or both, but the notice shall be in addition to the newspaper and other required notice. The count shall be continuous until completed and the members shall not separate or leave the counting place except for unavoidable necessity, except that if the count has been completed prior to the time the polls close, it shall be suspended until that time pending receipt of any additional ballots. Nothing in this section prohibits a county board of elections from taking preparatory steps for the count earlier than the times specified in this section, as long as the preparatory steps do not reveal to any individual not engaged in the actual count election results before the times specified in this subdivision for the count to begin. By way of illustration and not limitation, a preparatory step for the count would be the entry of tally cards from direct record electronic voting units into a computer for processing. The board shall not announce the result of the count before 7:30 p.m.

…

(9) In the event a political party does not have a member of the county board of elections present at the meeting to count absentee ballots due to illness or other cause of the member, the counting shall not commence until the county party chairman or chair of the absent member, or a member of the party's county executive committee, is in attendance. The person shall act as an official witness to the counting and shall sign the absentee ballot abstract as an "observer".

…

(11) The county board of elections shall meet after election day and prior to the date of canvass to determine whether the container-return envelopes for absentee ballots received pursuant to G.S. 163-231(b)(2)b. or c. G.S. 163-231(b)(2) have been properly executed. The county board of elections shall comply with the requirements of G.S. 163-230.1 for approval of applications. Any absentee ballots received pursuant to G.S. 163-231(b)(2)b. or c. G.S. 163-231(b)(2) shall be counted by the county board of elections on the day of canvass. The county board of elections may also meet following the day of the election and prior to the day of canvass to count absentee ballots received pursuant to G.S. 163-231(b)(2)b. or c. G.S. 163-231(b)(2) upon the adoption of a resolution pursuant to subdivision (2) of this section. The county board of elections shall comply with all other requirements of this section and G.S. 163-230.1 for the counting of these absentee ballots received pursuant to G.S. 163-231(b)(2)."

SECTION 1.1.(d) G.S. 163-89(a) reads as rewritten:

"(a) Time for Challenge. – The absentee ballot of any voter received by the county board of elections pursuant to G.S. 163-231(b)(1) may be challenged on the day of any statewide
primary or general election or county bond election beginning no earlier than noon and ending
no later than 5:00 P.M., or by the chief judge at the time of closing of the polls as provided in
G.S. 163-232 and G.S. 163-258.26(b). The absentee ballot of any voter received by the county
board of elections pursuant to G.S. 163-231(b)(ii) or (iii) G.S. 163-231(b)(2) may be challenged
no earlier than noon on the day following the election and no later than 5:00 p.m. on the next

The State Board of Elections shall not include a person’s name in the report if the State Board of Elections review determines that the individual became a citizen of the United States after the date of that person’s jury disqualification, unless the prospective juror voted prior to obtaining that person’s United States citizenship. In the event that the prospective juror voted prior to becoming a United States citizen, the State Board of Elections shall furnish the district attorney a copy of its investigation for prosecution of the violation as provided in G.S. 163-278.
