Governor. Failure to so resign shall signify consent to serve and to cast his vote for the candidate
of the political party which nominated such elector.

In case of the absence, ineligibility or resignation of any elector chosen, or if the proper
number of electors shall for any cause be deficient, the first and second alternates, respectively,
who were nominated under G.S. 163-1(c), shall fill the first two vacancies. If the alternates are

member, officer, or employee of the board of elections shall write or type the
words "Absentee Ballot No. _____ " or an abbreviation approved by the State
Board and insert in the blank space the number assigned the applicant's
application in the register of absentee requests, applications, and ballots
issued. That person shall not write, type, or print any other matter upon the
ballots transmitted to the absentee voter. Alternatively, the board of elections
may cause to be barcoded on the ballot the voter's application number, if that
barcoding system is approved by the State Board.

   (2) The chair, member, officer, or employee of the board of elections shall fold
and place the ballots (identified in accordance with the preceding instruction)
in a container-return envelope and write or type in the appropriate blanks
thereon, in accordance with the terms of G.S. 163-229(b), the absentee voter's
name, the absentee voter's application number, and the designation of the
precinct in which the voter is registered. If the ballot is barcoded under this
section, the envelope may be barcoded rather than having the actual number
appear. The person placing the ballots in the envelopes shall leave the
container-return envelope holding the ballots unsealed.

   (3) The chair, member, officer, or employee of the board of elections shall then
place the unsealed container-return envelope holding the ballots together with
printed instructions for voting and returning the ballots, in an envelope
addressed to the voter at the post office address stated in the request, seal the
envelope, and mail it at the expense of the county board of elections: Provided,
that in case of a request received after 5:00 p.m. on the Tuesday before the
election under the provisions of subsection (b) of this section, in lieu of
transmitting the ballots to the voter in person or by mail, the chair, member,
officer, or employee of the board of elections may deliver the sealed envelope
containing the instruction sheet and the container-return envelope holding the
ballots to a near relative or verifiable legal guardian of the voter.

The county board of elections may receive completed written request forms for applications
at any time prior to the election but shall not mail applications and ballots to the voter or issue
applications and ballots in person earlier than 60 days prior to the statewide general election in
an even-numbered year, or earlier than 50 days prior to any other election, except as provided in
G.S. 163-227.2, 163-227.5, and 163-227.6. No election official shall issue applications for
absentee ballots except in compliance with this Article.

voting in person at a one-stop voting site after requesting a mail-in absentee

(2) The number of outstanding mail-in absentee ballots, including the total
number of mail-in absentee ballots sent to date and the total number of mail-in
absentee ballots received to date.

(3) The number of provisional ballots cast.

(c) The reports required by this section shall be completed in the manner specified by the
State Board. The State Board shall publish each report received by a county board of elections
pursuant to this section on its website each day. Each list shall be made publicly available and
published in a readable and usable format."

SECTION 24.(b) This section becomes effective January 1, 2024, and applies to
elections held on or after that date.

SECTION 25. G.S. 163-233(c) reads as rewritten:
"(c) All applications for absentee ballots shall be retained by the county board of elections
for a period of one year after which those applications may be destroyed. 22 months after the
corresponding election or as otherwise specified in federal law, whichever is greater."  

SECTION 26. G.S. 163-234 reads as rewritten:

All absentee ballots returned to the county board of elections in the container-return
envelopes shall be retained by the county board of elections to be counted by the county board
of elections as follows:

(1) Only those absentee ballots returned to the county board of elections no later
than 5:00 p.m. on the day before election day in a properly executed
container-return envelope or absentee ballots and received pursuant to
G.S. 163-231(b)(2), or e. G.S. 163-231(b) shall be counted, except to the
extent federal law requires otherwise counted. Absentee ballots received prior
to election day shall be counted on election day. An absentee ballot returned
in an executed container-return envelope containing a deficiency listed in
G.S. 163-230.1(e) shall be counted if documentation curing the deficiency is
timely received by the county board of elections in accordance with the
requirements of G.S. 163-230.1(e).

(2) The county board of elections shall meet at 5:00 p.m. on election day in the
board office or other public location in the county courthouse for the purpose
of counting all absentee ballots except those which have been challenged
before 5:00 p.m. on election day and day, those received on election day, and
those received pursuant to G.S. 163-231(b)(2), or e. G.S. 163-231(b). Any
elector of the county shall be permitted to attend the meeting and allowed to
observe the counting process, so long as the elector does not in any manner
interfere with the election officials in the discharge of their duties.

The county board of elections may begin counting absentee ballots issued
under Article 21A of this Chapter between the hours of 9:00 a.m. and 5:00
p.m. and may begin counting all absentee ballots between the hours of 2:00
p.m. and 5:00 p.m. upon the adoption of a resolution at least two weeks prior
to the election in which the hour and place of counting absentee ballots shall
be stated. The resolution also may provide for an additional meeting following
the day of the election and prior to the day of canvass to count absentee ballots
received pursuant to G.S. 163-231(b)(2), or c., on election day as provided in
subdivision (11) of this section. A copy of the resolution shall be published
once a week for two weeks prior to the election, in a newspaper having general
circulation in the county. Notice may additionally be made on a radio or
television station or both, but the notice shall be in addition to the newspaper
and other required notice. The count shall be continuous until completed and
the members shall not separate or leave the counting place except for
unavoidable necessity, except that if the count has been completed prior to the
time the polls close, it shall be suspended until that time pending receipt of
any additional ballots. Nothing in this section prohibits a county board of
elections from taking preparatory steps for the count earlier than the times
specified in this section, as long as the preparatory steps do not reveal to any
individual not engaged in the actual count election results before the times
specified in this subdivision for the count to begin. By way of illustration and
not limitation, a preparatory step for the count would be the entry of tally cards
from direct record electronic voting units into a computer for processing. The
board shall not announce the result of the count before 7:30 p.m.

(3) Notwithstanding subdivision (2) of this section, a county board of elections
may, at each meeting at which it approves absentee ballot applications
pursuant to G.S. 163-230.1(e) and (f), remove those ballots from their
envelopes and have them read by an optical scanning machine, without
printing the totals on the scanner. The board shall complete the counting of
these ballots at the times provided in subdivision (2) of this section. The State
Board of Elections shall provide instructions to county boards of elections for
executing this procedure, and the instructions shall be designed to ensure the
accuracy of the count, the participation of board members of both parties, and
the secrecy of the results before election day. This subdivision applies only in
counties that use optical scan devices to count absentee ballots.

(4) The counting of absentee ballots shall not commence until a majority and at
least one board member of each political party represented on the board is
present and that fact is publicly declared and entered in the official minutes of
the county board.

(5) The county board of elections may employ such assistants as deemed
necessary to count the absentee ballots, but each board member present shall
be responsible for and observe and supervise the opening and tallying of the
ballots.

(6) As each ballot envelope is opened, the board shall cause to be entered into a
pollbook designated "Pollbook of Absentee Voters" the name of the absentee
voter, or if the pollbook is computer-generated, the board shall check off the
name. Preserving secrecy, the ballots shall be placed in the appropriate ballot
boxes, at least one of which shall be provided for each type of ballot. The
"Pollbook of Absentee Voters" shall also contain the names of all persons who
voted under G.S. 163-227.2, 163-227.5, and 163-227.6, but those names may
be printed by computer for inclusion in the pollbook.

After all ballots have been placed in the boxes, the counting process shall
begin.

If one-stop ballots under G.S. 163-227.2, 163-227.5, and 163-227.6 are
counted electronically, that count shall commence at the time the polls close.
If one-stop ballots are paper ballots counted manually, that count shall commence at the same time as other absentee ballots are counted.

If a challenge transmitted to the board on canvass day by a chief judge is sustained, the ballots challenged and sustained shall be withdrawn from the appropriate boxes, as provided in G.S. 163-89(e).

As soon as the absentee ballots have been counted and the names of the absentee voters entered in the pollbook as required in this subdivision, the board members and assistants employed to count the absentee ballots shall each sign the pollbook immediately beneath the last absentee voter’s name entered in the pollbook. The county board of elections is responsible for the safekeeping of the pollbook of absentee voters.

(7) Upon completion of the counting process the board members shall cause the results of the tally to be entered on the absentee abstract prescribed by the State Board of Elections. The abstract shall be signed by the members of the board in attendance and the original mailed immediately to the State Board of Elections. The county board of elections may have a separate count on the abstract for one-stop absentee ballots under G.S. 163-227.2, 163-227.5, and 163-227.6.

(8) One copy of the absentee abstract shall be retained by the county board of elections and the totals appearing on the absentee abstract shall be added to the final totals of all votes cast in the county for each office as determined on the official canvass.

(9) In the event a political party does not have a member of the county board of elections present at the meeting to count absentee ballots due to illness or other cause of the member, the counting shall not commence until the county party chairman of the absent member, or a member of the party’s county executive committee, is in attendance. The person shall act as an official witness to the counting and shall sign the absentee ballot abstract as an "observer".

(10) The county board of elections shall retain all container-return envelopes and absentee ballots, in a safe place, for at least four (4) months, and longer if any contest is pending concerning the validity of any ballot.

(11) The county board of elections shall meet after election day and prior to the date of canvass to determine whether the container-return envelopes for absentee ballots received on election day pursuant to G.S. 163-231(b)(2)b. or c. G.S. 163-231(b) have been properly executed. The county board of elections shall comply with the requirements of G.S. 163-230.1 for approval of applications. Any absentee ballots received pursuant to G.S. 163-231(b)(2)b. or c. G.S. 163-231(b)(2) shall be counted by the county board of elections on the day of canvass. The county board of elections may also meet following the day of the election and prior to the day of canvass to count absentee ballots received pursuant to G.S. 163-231(b)(2)b. or c. G.S. 163-231(b)(2) upon the adoption of a resolution pursuant to subdivision (2) of this section. The county board of elections shall comply with all other requirements of this section and G.S. 163-230.1 for the counting of these absentee ballots."
