If petitioned, the State Board may also receive and consider alternative petitions from another member or members of that county board. The State Board may adopt a Plan for Implementation for that county. The proposed Plan for Implementation shall specify the hours of operation for the county board of elections for an election conducted in that county for that odd-numbered year. If the county board of elections is unable to reach unanimity in favor of a Plan for Implementation for that odd-numbered year, a member or members of the county board of elections may petition the State Board to adopt a Plan for Implementation for the county, and the State Board may adopt a Plan for Implementation for that county. However, throughout the period required by ~~G.S. 163-227.2(b)~~ G.S. 163-166.40(b), any Plan ~~of~~ for Implementation approved under this subsection shall provide for a minimum of regular business hours consistent with daily hours presently observed by the county board of elections for the county board of elections, or its alternate, and for uniform locations, days, and hours for all other additional ~~one-stop early voting~~ sites in that county.

 - c. Provide the voter with the opportunity to correct the official ballot before it is accepted and counted."

SECTION 29. G.S. 163-182.2 reads as rewritten:

"§ 163-182.2. Initial counting of official ballots.

(a) The initial counting of official ballots cast on election day and under Part 5 of Article 14A of this Chapter shall be conducted according to the following principles:

- (1) Vote counting of ballots cast at the precinct on election day shall occur immediately after the polls close and shall be continuous until completed. If ballots cast under Part 5 of Article 14A of this Chapter are counted electronically, that count shall commence at the time the polls close. If ballots cast under Part 5 of Article 14A of this Chapter are paper ballots counted manually, that count shall commence at the same time as mail-in absentee ballots cast under Article 20 or Article 21A of this Chapter are counted.

...

(b) ~~The State Board of Elections~~ shall promulgate rules for the initial counting of all official ballots. All election officials shall be governed by those rules. In promulgating those rules, the State Board shall adhere to the following guidelines:

- (1) For each voting system used, the rules shall specify the role of precinct officials and of the county board of elections in the initial counting of official ballots.
- (2) For optical scan and direct record electronic voting systems, and for any other voting systems in which ballots are counted other than on paper by hand and eye, those rules shall provide for a sample hand-to-eye count of the paper ballots of a sampling of a statewide ballot item in every county. The presidential ballot item shall be the subject of the sampling in a presidential election. If there is no statewide ballot item, the State Board shall provide a process for selecting district or local ballot items to adequately sample the electorate. The State Board shall approve in an open meeting the procedure for ~~randomly selecting the sample precincts~~ random sampling for each election. The ~~random selection of precincts~~ sampling for any county shall be done publicly after the initial count of election returns for that county is publicly released or 24 hours after the polls close on election day, whichever is earlier. The sample chosen by the State Board shall be of one or more full precincts, full counts of mailed absentee ballots, and full counts of one or more ~~one stop~~ early voting sites. The size of the sample of each category shall be chosen to produce a statistically significant result and shall be chosen after consultation with a statistician. The actual units shall be chosen at random. In the event of a material discrepancy between the electronic or mechanical count and a hand-to-eye count, the hand-to-eye count shall control, except where paper ballots have been lost or destroyed or where there is another reasonable basis to conclude that the hand-to-eye count is not the true count. If the discrepancy between the hand-to-eye count and the mechanical or electronic count is significant, a complete hand-to-eye count shall be conducted. The sample count need not be done on election night.

- (3) The rules shall provide for accurate unofficial reporting of the results from the precinct to the county board of elections with reasonable speed on the night of the election.
- (4) The rules shall provide for the prompt and secure transmission of official ballots from the voting place to the county board of elections.

The State Board shall direct the county boards of elections in the application of the principles and rules in individual circumstances."

SECTION 30. G.S. 163-182.4(a)(3) reads as rewritten:

- "(3) Offices of municipalities, unless the municipality has a valid board of election municipalities. Where voters in more than one county cast ballots for a municipal office, the State Board shall prepare a composite abstract upon the completion of the canvass by the county boards and deliver that abstract to all county boards responsible for canvassing votes for the contest, and each of those county boards shall issue a certificate of nomination or election."

SECTION 31. G.S. 163-182.6(a) reads as rewritten:

"(a) Abstracts to Be Prepared by County Board of Elections. – As soon as the county canvass has been completed, the county board of elections shall prepare abstracts of all the ballot items in a form prescribed by the State ~~Board of Elections.~~ Board. The county board of elections shall have a separate count on the abstract for ballots cast under Part 5 of Article 14A of this Chapter. The county board shall prepare those abstracts in triplicate originals. The county board shall retain one of the triplicate originals, and shall distribute one each to the clerk of superior court for the county and the State ~~Board of Elections.~~ Board. The State Highway Patrol may, upon request of the State ~~Board of Elections.~~ Board, be responsible for the delivery of the abstracts from each county to the State ~~Board of Elections.~~ Board. The State Board of Elections shall forward the original abstract it receives to the Secretary of State."

SECTION 32. G.S. 163-182.7A reads as rewritten:

"§ **163-182.7A. Additional provisions for hand-to-eye recounts.**

(a) The rules promulgated by the State Board ~~of Elections~~ for recounts shall provide that if the initial recount is not hand-to-eye, and if the recount does not reverse the results, the candidate who had originally been entitled to a recount may, within 24 hours of the completion of the first recount, demand a second recount on a hand-to-eye basis in a sample of precincts. If the initial recount was not hand-to-eye and it reversed the results, the candidate who had initially been the winner shall have the same right to ask for a hand-to-eye recount in a sample of precincts.

That sample shall be all the ballots in three percent (3%) of the precincts casting ballots in each county in the jurisdiction of the office, rounded up to the next whole number of precincts. For the purpose of that calculation, each ~~one-stop (early) early~~ early voting site under Part 5 of Article 14A of this Chapter shall be considered to be a precinct. The precincts to be recounted by a hand-to-eye count shall be chosen at random within each county. If the results of the hand-to-eye recount differ from the previous results within those precincts to the extent that extrapolating the amount of the change to the entire jurisdiction (based on the proportion of ballots recounted to the total votes cast for that office) would result in the reversing of the results, then the State Board ~~of Elections~~ shall order a hand-to-eye recount of the entire jurisdiction in which the election is held. There shall be no cost to the candidate for that recount in the entire jurisdiction.

(b) Recounts under this section shall be governed by rules adopted under G.S. 163-182.7(d).

(c) No complete hand-to-eye recount shall be conducted under this section if one has already been done under another provision of law."

SECTION 33. G.S. 163-182.15 is amended by adding a new subsection to read:

"(b1) Report on Revisions to Elections Records After Certification. – The State Board shall submit an annual report on any revisions made to any voter's voter history records other than

routine updates following each election, including the rationale for and timing of the revisions, to the Joint Legislative Elections Oversight Committee and the Joint Legislative Oversight Committee on General Government no later than October 1 of each year."

SECTION 34.(a) G.S. 163-210 reads as rewritten:

"§ 163-210. Governor to proclaim results; casting State's vote for President and Vice-President.

Upon receipt of the certifications prepared by the State Board of Elections and delivered in accordance with G.S. 163-182.15, the Secretary of State, under seal of the office, shall notify the Governor of the names of the persons elected to the office of elector for President and Vice-President of the United States as stated in the abstracts of the State Board of Elections. Thereupon, the Governor shall immediately issue a proclamation setting forth the names of the electors and instructing them to be present in the old Hall of the House of Representatives in the State Capitol in the City of Raleigh at noon on the first ~~Monday~~ Tuesday after the second Wednesday in December next after their election, at which time the electors shall meet and vote on behalf of the State for President and Vice-President of the United States. The Governor shall cause this proclamation to be published in the daily newspapers published in the City of Raleigh. The Secretary of State is responsible for making the actual arrangements for the meeting, preparing the agenda, and inviting guests.

Before the date fixed for the meeting of the electors, the Governor shall send by ~~registered mail~~ the most expeditious method available to the Archivist of the United States, either three duplicate original certificates, or one original certificate and two authenticated copies of the Certificates of Ascertainment, under the great seal of the State setting forth the names of the persons chosen as presidential electors for this State and the number of votes cast for each. These Certificates of Ascertainment shall contain a security feature for purposes of verifying their authenticity and should be sent as soon as possible after the election, but must be received before the Electoral College meeting. At the same time the Governor shall deliver to the electors six duplicate originals of the same certificate, each bearing the great seal of the State. At any time prior to receipt of the certificate of the Governor or within 48 hours thereafter, any person elected to the office of elector may resign by submitting his resignation, written and duly verified, to the Governor. Failure to so resign shall signify consent to serve and to cast his vote for the candidate of the political party which nominated such elector.

In case of the absence, ineligibility or resignation of any elector chosen, or if the proper number of electors shall for any cause be deficient, the first and second alternates, respectively, who were nominated under G.S. 163-1(c), shall fill the first two vacancies. If the alternates are absent, ineligible, resign, or were not chosen, or if there are more than two vacancies, then the electors present at the required meeting shall forthwith elect from the citizens of the State a sufficient number of persons to fill the deficiency, and the persons chosen shall be deemed qualified electors to vote for President and Vice-President of the United States."

SECTION 34.(b) G.S. 163-213(d) reads as rewritten:

"(d) Proclamation Before Electors' Meeting Day Controls. – If the proclamation of any Presidential Elector under G.S. 163-210 is made any time before ~~noon on~~ the day set for the meeting of Presidential Electors by 3 U.S.C. § 7, then that proclamation shall control over an appointment made by the General Assembly or the Governor. Cure documentation may be transmitted via e-mail to the county board of elections if the deficiency is one described in subdivision (3) of this subsection. The notification of voters regarding curable deficiencies is an administrative task that may be performed by county board staff and is not required to be performed at an absentee meeting as provided for in subsection (f) of this section. The voter shall be notified of curable deficiencies by mail, and by telephone or email if the telephone number or email address was provided by the voter on the request form for absentee ballots.

- (1) Only those absentee ballots returned to the county board of elections ~~no later than 5:00 p.m. on the day before election day~~ in a properly executed container-return envelope ~~or absentee ballots and~~ received pursuant to G.S. 163-231(b)(2)b. or c. G.S. 163-231 shall be counted, ~~except to the extent~~

federal law requires otherwise counted. Absentee ballots not received pursuant to all requirements in G.S. 163-231 shall not be deemed to be valid and shall not be counted. Absentee ballots received prior to election day shall be counted on election day. An absentee ballot returned in an executed container-return envelope containing a deficiency listed in G.S. 163-230.1(e) shall be counted if documentation curing the deficiency is timely received by the county board of elections in accordance with the requirements of G.S. 163-230.1(e).

- (2) The county board of elections shall meet at 5:00 ~~p.m.~~ P.M. on election day in the board office or other public location in the county courthouse for the purpose of counting all absentee ballots except those which have been challenged before 5:00 ~~p.m.~~ P.M. on election ~~day and day, those received on election day, and~~ those received pursuant to ~~G.S. 163-231(b)(2)b. or e.~~ G.S. 163-231(b)(2). Any elector of the county shall be permitted to attend the meeting and allowed to observe the counting process, so long as the elector does not in any manner interfere with the election officials in the discharge of their duties.

The county board of elections may begin counting absentee ballots issued under Article 21A of this Chapter between the hours of 9:00 ~~a.m.~~ A.M. and 5:00 ~~p.m.~~ P.M. and may begin counting all absentee ballots between the hours of 2:00 ~~p.m.~~ P.M. and 5:00 ~~p.m.~~ P.M. upon the adoption of a resolution at least two weeks prior to the election in which the hour and place of counting absentee ballots shall be stated. The count shall be continuous until completed and the members shall not separate or leave the counting place except for unavoidable necessity, except that if the count has been completed prior to the time the polls close, it shall be suspended until that time pending receipt of any additional ballots. Nothing in this section prohibits a county board of elections from taking preparatory steps for the count earlier than the times specified in this section, as long as the preparatory steps do not reveal to any individual not engaged in the actual count election results before the times specified in this subdivision for the count to begin. By way of illustration and not limitation, a preparatory step for the count would be the entry of tally cards from direct record electronic voting units into a computer for processing. The board shall not announce the result of the count before 7:30 ~~p.m.~~ P.M.

- (3) Notwithstanding subdivision (2) of this section, a county board of elections may, at each meeting at which it approves absentee ballot applications pursuant to G.S. 163-230.1(e) and (f), remove those ballots from their envelopes and have them read by an optical scanning machine, without printing the totals on the scanner. The board shall complete the counting of these ballots at the times provided in subdivision (2) of this section. The State Board of Elections shall provide instructions to county boards of elections for executing this procedure, and the instructions shall be designed to ensure the accuracy of the count, the participation of board members of both parties, and

the secrecy of the results before election day. This subdivision applies only in counties that use optical scan devices to count absentee ballots.

- (4) The counting of absentee ballots shall not commence until a majority and at least one board member of each political party represented on the board is present and that fact is publicly declared and entered in the official minutes of the county board.
- (5) The county board of elections may employ such assistants as deemed necessary to count the absentee ballots, but each board member present shall be responsible for and observe and supervise the opening and tallying of the ballots.
- (6) As each ballot envelope is opened, the board shall cause to be entered into a pollbook designated "Pollbook of Absentee Voters" the name of the absentee voter, or if the pollbook is computer-generated, the board shall check off the name. Preserving secrecy, the ballots shall be placed in the appropriate ballot boxes, at least one of which shall be provided for each type of ballot. ~~The "Pollbook of Absentee Voters" shall also contain the names of all persons who voted under G.S. 163-227.2, 163-227.5, and 163-227.6, but those names may be printed by computer for inclusion in the pollbook.~~

After all ballots have been placed in the boxes, the counting process shall begin.

~~If one-stop ballots under G.S. 163-227.2, 163-227.5, and 163-227.6 are counted electronically, that count shall commence at the time the polls close. If one-stop ballots are paper ballots counted manually, that count shall commence at the same time as other absentee ballots are counted.~~

If a challenge transmitted to the board on canvass day by a chief judge is sustained, the ballots challenged and sustained shall be withdrawn from the appropriate boxes, as provided in G.S. 163-89(e).

As soon as the absentee ballots have been counted and the names of the absentee voters entered in the pollbook as required in this subdivision, the board members and assistants employed to count the absentee ballots shall each sign the pollbook immediately beneath the last absentee voter's name entered in the pollbook. The county board of elections is responsible for the safekeeping of the pollbook of absentee voters.

- (7) Upon completion of the counting process the board members shall cause the results of the tally to be entered on the absentee abstract prescribed by the State ~~Board of Elections~~ Board. The abstract shall be signed by the members of the board in attendance and the original mailed immediately to the State ~~Board of Elections~~. ~~The county board of elections may have a separate count on the abstract for one-stop absentee ballots under G.S. 163-227.2, 163-227.5, and 163-227.6.~~ Board.
- (8) One copy of the absentee abstract shall be retained by the county board of elections and the totals appearing on the absentee abstract shall be added to the final totals of all votes cast in the county for each office as determined on the official canvass.
- (9) In the event a political party does not have a member of the county board of elections present at the meeting to count absentee ballots due to illness or other cause of the member, the counting shall not commence until the county party ~~chairman~~ chair of the absent member, or a member of the party's county executive committee, is in attendance. The person shall act as an official witness to the counting and shall ~~sign~~ include his or her printed name and

signature on the absentee ballot abstract as an "observer"-abstract, along with the name of who designated him or her to attend.

- (10) The county board of elections shall retain all container-return envelopes and absentee ballots, in a safe place, for at least ~~four~~ 22 months, and longer if any contest is pending concerning the validity of any ballot.
- (11) The county board of elections shall meet after election day and prior to the date of canvass to determine whether the container-return envelopes for absentee ballots received on election day pursuant to G.S. 163-231(b)(2)b. or e. ~~G.S. 163-231(b)~~ have been properly executed. The county board of elections shall comply with the requirements of G.S. 163-230.1 for approval of applications. Any absentee ballots received pursuant to ~~G.S. 163-231(b)(2)b. or e.~~ G.S. 163-231(b)(2) shall be counted by the county board of elections on the day of canvass. The county board of elections may also meet following the day of the election and prior to the day of canvass to count absentee ballots received pursuant to ~~G.S. 163-231(b)(2)b. or e.~~ G.S. 163-231(b)(2) upon the adoption of a resolution pursuant to subdivision (2) of this section. The county board of elections shall comply with all other requirements of this section and G.S. 163-230.1 for the counting of these absentee ballots.
