51 become a member of the Retirement System may secure Retirement System

1 credit for such service as a North Carolina National Guard civilian employee
2 for the period preceding the time when such employees became eligible for
3 Retirement System coverage by paying to the Retirement System an amount
4 equal to that which would have constituted employee contributions if the
5 employee had been a member during the years of ineligibility, plus interest.
6 Employees of State agencies, departments, institutions, boards, and
7 commissions who are employed in permanent job positions on a recurring
8 basis must work at least 30 hours per week for nine or more months per

24 except that in the case of a high-need retired teacher, as defined under
25 G.S. 115C-302.4(a), the period of separation required is two months. A
26 member who is a full-time faculty member of The University of North
27 Carolina may effect a retirement allowance under this Chapter,
28 notwithstanding the six-month requirement above, provided the member
29 immediately enters the University's Phased Retirement Program for Tenured
30 Faculty as that program existed on May 25, 2011. For purposes of this
31 subdivision, all of the following shall not be considered service or work:

42 applicable regulations, as amended.

43 The employing unit shall pay the employer premiums for retirees who enroll
44 under this subdivision."

45 **SECTION 3.(d)** G.S. 135-106(b) reads as rewritten:

46 "(b) After the commencement of benefits under this section, the benefits payable under
47 the terms of this section during the first 36 months of the long-term disability period shall be
48 equal to sixty-five percent (65%) of 1/12th of the annual base rate of compensation last payable
49 to the participant or beneficiary prior to the beginning of the short-term disability period as may
50 be adjusted for percentage increases as provided under G.S. 135-108, plus sixty-five percent
51 (65%) of 1/12th of the annual longevity payment to which the participant or beneficiary would

1 be eligible, to a maximum of three thousand nine hundred dollars (\$3,900) per month reduced by
2 any primary Social Security disability benefits to which the beneficiary may be entitled, effective
3 as of the first of the month following the month of initial entitlement, and by monthly payments
4 for Workers' Compensation to which the participant or beneficiary may be entitled. When
5 primary Social Security disability benefits are increased by cost-of-living adjustments, the
6 increased reduction shall be applied in the first month following the month in which the member
7 becomes entitled to the increased Social Security benefit. The monthly benefit shall be further
8 reduced by the amount of any monthly payments from the federal Department of Veterans
9 Affairs, any other federal agency or any payments made under the provisions of G.S. 127A-108,
10 to which the participant or beneficiary may be entitled on account of the same disability.
11 Provided, in any event, the benefit payable shall be no less than ten dollars (\$10.00) a month.
12 However, a disabled participant may elect to receive any salary continuation as provided in
13 G.S. 135-104 in lieu of long-term disability benefits; provided such election shall not extend the
14 first 36 consecutive calendar months of the long-term disability period. An election to receive
15 any salary continuation for any part of any given day shall be in lieu of any long-term benefit
16 payable for that day, provided further, any lump-sum payout for vacation leave shall be treated
17 as if the beneficiary or participant had exhausted the leave and shall be in lieu of any long-term
18 benefit otherwise payable. Provided that, in any event, a beneficiary's benefit shall be reduced
19 during the first 36 months of the long-term disability period by an amount, as determined by the
20 Board of Trustees, equal to a primary Social Security retirement benefit to which the beneficiary
21 might be entitled, effective as of the first of the month following the month of initial entitlement.

22 After 36 months of long-term disability, no further benefits are payable under the terms of
23 this section unless the member has been approved and is in receipt of primary Social Security
24 disability benefits. In that case the benefits payable shall be equal to sixty-five percent (65%) of
25 1/12th of the annual base rate of compensation last payable to the participant or beneficiary prior
26 to the beginning of the short-term disability period as may be adjusted for percentage increases
27 as provided under G.S. 135-108, plus sixty-five percent (65%) of 1/12th of the annual longevity
28 payment to which the participant or beneficiary would be eligible, to a maximum of three
29 thousand nine hundred dollars (\$3,900) per month reduced by the primary Social Security
30 disability benefits to which the beneficiary may be entitled, effective as of the first of the month
31 following the month of initial entitlement, and by monthly payments for Workers' Compensation
32 to which the participant or beneficiary may be entitled. When primary Social Security disability
33 benefits are increased by cost-of-living adjustments, the increased reduction shall be applied in
34 the first month following the month in which the member becomes entitled to the increased Social
35 Security benefit. The monthly benefit shall be further reduced by the amount of any monthly
36 payments from the federal Department of Veterans Affairs, for payments from any other federal
37 agency, or for any payments made under the provisions of G.S. 127A-108, to which the
38 participant or beneficiary may be entitled on account of the same disability. Provided, in any
39 event, the benefit payable shall be no less than ten dollars (\$10.00) a month.

40 Notwithstanding the foregoing, the long-term disability benefit is payable so long as the
41 beneficiary is disabled and is in receipt of a primary Social Security disability benefit until the
42 earliest date at which the beneficiary is eligible for an unreduced service retirement allowance
43 from the Retirement System, at which time the beneficiary would receive a retirement allowance
44 calculated on the basis of the beneficiary's average final compensation at the time of disability as
45 adjusted to reflect compensation increases subsequent to the time of disability and the creditable
46 service accumulated by the beneficiary, including creditable service while in receipt of benefits
47 under the Plan. In the event the beneficiary has not been approved and is not in receipt of a
48 primary Social Security disability benefit, the long-term disability benefit shall cease after the
49 first 36 months of the long-term disability period. When such a long-term disability recipient
50 begins receiving this unreduced service retirement allowance from the System, that recipient
51 shall not be subject to the ~~six-month~~ applicable waiting period set forth in G.S. 135-1(20).

1 However, a beneficiary shall be entitled to a restoration of the long-term disability benefit in the
2 event the Social Security Administration grants a retroactive approval for primary Social Security
3 disability benefits with a benefit effective date within the first 36 months of the long-term
4 disability period. In such event, the long-term disability benefit shall be restored retroactively to
5 the date of cessation."

6 **SECTION 4.(a)** The State Treasurer shall seek a private letter ruling from the
7 Internal Revenue Service to determine if any provisions of this section jeopardize the status of
8 the Teachers' and State Employees' Retirement System.

9 **SECTION 4.(b)** If the Internal Revenue Service determines that any provision of
10 this section jeopardizes the status of the Teachers' and State Employees' Retirement System of
11 North Carolina under the Internal Revenue Code, then this section is repealed on the last day of
12 the month following the month of receipt of that determination by the State Treasurer. Upon
13 receipt of that determination, the State Treasurer shall notify the Revisor of Statutes of the
14 determination and the date of receipt. Within three business days of receipt of the determination,
15 the State Treasurer shall notify all public school units of the repeal of this section and shall
16 publicly notice the receipt of this information on the Department of State Treasurer's website.
17 Within three business days of receipt of the notice from the State Treasurer, a public school unit
18 shall notify all high-need retired teachers employed by its governing body of the repeal of this
19 section.

20 **SECTION 4.(c)** Notwithstanding any other provision of law to the contrary, in order
21 to pay costs associated with the administration of the provisions of this section, the Retirement
22 Systems Division of the Department of State Treasurer may increase receipts from the retirement
23 assets of the Teachers' and State Employees' Retirement System or pay costs associated with the
24 administration directly from the retirement assets.

25 **SECTION 4.(d)** Any beneficiary that is employed by the governing body of a public
26 school unit as a high-need retired teacher, as defined in G.S. 115C-302.4(a), shall not be eligible
27 to elect into a position that would lead the beneficiary to be eligible to accrue any additional
28 benefits under G.S. 135-3(a)(8). Any failure of the governing body of the public school unit or a
29 beneficiary to comply with the foregoing shall be corrected by the Executive Director of the
30 Retirement System as may be appropriate under State and federal law. Any costs of the
31 correction, as determined by the Executive Director of the Retirement System, shall be the sole
32 responsibility of the governing body of the public school unit and shall be transferred to the
33 Pension Accumulation Fund under G.S. 135-8 under rules adopted by the Board of Trustees.

34 **SECTION 4.(e)** Effective July 1, 2025, there is appropriated from the General Fund
35 to the Department of State Treasurer the sum of one hundred thousand dollars (\$100,000) in
36 nonrecurring funds for the 2025-2026 fiscal year to be used to obtain the private letter ruling
37 under subsection (a) of this section.

38 **SECTION 4.(f)** Effective July 1, 2025, there is appropriated from the General Fund
39 to the Department of State Treasurer the sum of ten million dollars (\$10,000,000) in recurring
40 funds for each year of the 2025-2027 fiscal biennium to be used to address the increased cost to
41 the Teachers' and State Employees' Retirement System as a result of the implementation of this
42 section.

43 **SECTION 5.** This act is effective when it becomes law and expires June 30, 2029.
44 G.S. 115C-302.4, as reenacted by this act, applies beginning with the 2025-2026 school year.
