- (2) Property situated within a 50-mile radius of a military installation.

(b) A prohibited foreign party shall not acquire by grant, purchase, devise, descent, or otherwise any interest, other than a de minimis direct interest, in land described in subsection (a) of this section in this State regardless of how the prohibited foreign party intends to use the land. A party may not knowingly hold land as an agent, trustee, or other fiduciary for a prohibited foreign party in violation of this section. A prohibited foreign party that acquires land in violation of this section remains in violation as long as the prohibited foreign party holds an interest in the land.

(c) A prohibited foreign party that has acquired any direct interest in land described in subsection (a) of this section in this State prior to the effective date of this section, or prior to the country of residence being added to 22 C.F.R. § 126.1(d), may continue to own or hold that interest, but may not acquire by grant, purchase, devise, descent, or otherwise, any additional interest in land described in subsection (a) of this section in this State and must register with the

Secretary of State. The Secretary of State shall maintain a report, updated monthly, of those prohibited foreign parties that have registered, and the report shall be a public record and be accessible on the Secretary of State's website. (d) The Secretary of State will provide the registry to the Attorney General's office one year from the effective date of this act and every six months thereafter, and the Attorney General shall enforce the payment of the civil fine as provided by this subsection. A prohibited foreign party that fails to timely file a registration with the Secretary of State is subject to a civil penalty of not less than one thousand dollars (\$1,000) for each day that the registration is late, the clear proceeds of which shall be remitted to the Civil Penalty and Forfeiture Fund, in accordance with G.S. 115C-457.2. The unpaid balance of any penalties assessed under this subsection shall constitute a lien against the land if a Notice of Foreign Ownership Violation Lien has been recorded by the Attorney General in the office of the register of deeds in the county where the property is located, and the lien shall have priority from the date and time of recordation and shall be enforced by the Attorney General.

(e) A prohibited foreign party that acquires land described in subsection (a) of this section on or after the effective date of this section, by devise or descent, through the enforcement of security interests, or through the collection of debts, other than a de minimis direct interest, shall sell, transfer, or otherwise divest itself of the land within one year after acquiring the land.

The North Carolina Real Estate Commission shall establish the form for the affidavit required under this subsection.

(g) Upon receipt of information that leads the Attorney General to believe that a prohibited foreign party has not divested itself of the land described in subsection (a) of this section as required under subsection (e) of this section, the Attorney General shall enforce a violation of this section by commencing a receivership proceeding in the county where the property is situated under Article 38A of Chapter 1 of the General Statutes seeking the appointment of a general receiver pursuant to G.S. 1-507.24(e1). Any interest in real property acquired or held in violation of this section shall be subject to divestiture pursuant to G.S. 64-64.

(h) A violation of this section by a prohibited foreign party may, at the discretion of the noteholder, be deemed a default under a loan, mortgage, or deed of trust and shall provide the lender the automatic right to trigger default on the loan, mortgage, or deed of trust.

(i) The responsibility for determining whether any entity is subject to this Article, pursuant to either civil or criminal law, rests solely with the Prohibited Foreign Party and the State of North Carolina and no other individual or entity.

(j) Title to land described in subsection (a) of this section is not invalid or subject to divestiture due to a violation of this section by any former owner or any other person holding or owning a former interest in the land described in subsection (a) of this section.

(m) This Article does not create or authorize a private right of action to enforce the provisions of this Article.

"§ 64-64. Divestiture procedure.

- (2) Production of relevant records.
- (3) Giving of relevant testimony.
