1 A BILL TO BE ENTITLED
2 AN ACT TO LEGALIZE AND REGULATE THE SALE, POSSESSION, AND USE OF
3 CANNABIS IN NORTH CAROLINA.

4 The General Assembly of North Carolina enacts:

5
6 **PART I. LEGALIZATION OF POSSESSION AND SALE OF CANNABIS**

7 **SECTION 1.1.** The General Statutes are amended by adding a new Chapter to read:

8 **"Chapter 18D.**

9 **"Regulation of Cannabis.**

10 **"Article 1.**

11 **"General Provisions.**

12 **"§ 18D-100. Findings.**

13 The General Assembly finds all of the following:

- 14 (1) Cannabis prohibition, like alcohol prohibition before it, has been a wasteful
15 and destructive failure. About half of Americans admit to having used
16 cannabis despite more than eight decades of prohibition.
- 17 (2) Regulating cannabis similarly to alcohol will replace the uncontrolled illicit
18 market with a well-regulated system. Legalization allows regulation and
19 control to protect consumers, workers, communities, and the environment.
- 20 (3) The prohibition of cannabis has had an unfair, disparate impact on persons
21 and communities of color. A 2020 report by the American Civil Liberties
22 Union found black individuals are three and six-tenths times as likely as white
23 individuals to be arrested for cannabis possession, despite nearly identical use
24 rates.
- 25 (4) The prohibition of cannabis diverts law enforcement resources from violent
26 and property crimes and subjects civilians to unnecessary police interactions.
- 27 (5) Keeping cannabis illegal deprives the State of thousands of legal jobs and
28 hundreds of millions of dollars in tax revenue.
- 29 (6) The use of cannabis should be legal for persons 21 years of age or older and
30 subject to taxation and regulation in a manner that does all of the following:
- 31 a. Controls the production and distribution of cannabis under a system of
32 licensing, regulation, and taxation.
- 33 b. Includes lab testing, potency labeling, secure packaging, restrictions
34 on advertising, and education about responsible use and risks.

- 1 c. Fosters a responsible industry, whereby businesses will only be
2 allowed to expand if they prioritize diversity, good wages,
3 sustainability, and community investment.
4 d. Promotes the participation of individuals most impacted by cannabis
5 prohibition in the legal, regulated industry.
6 e. Generates needed revenue, including to reinvest in communities that
7 have been disproportionately impacted by prohibition, for substance
8 abuse treatment and education, and to train more law enforcement
9 officers to detect impaired driving.

- 10 (7) It is necessary to ensure consistency and fairness in the application of this
11 Chapter throughout the State and that, therefore, the matters addressed by this
12 Chapter are, except as specified herein, matters of statewide concern.

13 **§ 18D-101. Definitions.**

9 percent of delta-9 tetrahydrocannabinol and tetrahydrocannabinolic acid in

(d) Upon receiving an application or renewal application for a cannabis establishment, the Department shall immediately forward a copy of each application and half of the registration application fee to the local regulatory authority for the locality in which the applicant desires to operate the cannabis establishment, unless the locality has not designated a local regulatory authority.

(e) Within 120 days after receiving an application or renewal application, the Department shall issue an annual registration or a conditional registration to the applicant, unless the Department finds the applicant is not in compliance with rules enacted by the Department or the Department is notified by the relevant locality that the applicant is not in compliance with ordinances and regulations in effect at the time of application.

A locality may establish civil penalties for violation of an ordinance or regulations governing the time, place, and manner of a cannabis establishment that may operate in such locality.

28 (b) Except as otherwise provided in this section, in a prosecution for selling, transferring,
29 delivering, distributing, giving, or otherwise furnishing cannabis, cannabis products, or cannabis
30 accessories to any person who is under 21 years of age, it is a complete defense if both of the
31 following requirements are met:

32 (1) The person who sold, gave, or otherwise furnished cannabis, cannabis
33 products, or cannabis accessories was a retail cannabis store or on-site
34 consumption establishment or was acting in his or her capacity as an owner,
35 employee, or agent of a retail cannabis store or on-site consumption
36 establishment at the time the cannabis, cannabis products, or cannabis
37 accessories were sold, given, or otherwise furnished to the person.

38 (2) Before selling, giving, or otherwise furnishing cannabis, cannabis products,
39 or cannabis accessories to a person who is under 21 years of age, the person
40 who sold, gave, or otherwise furnished the cannabis or cannabis accessories,
41 or a staffer or agent of the retail cannabis store, was shown a document that
42 appeared to be issued by an agency of a federal, state, tribal, or foreign
43 sovereign government and that indicated that the person to whom the cannabis
44 or cannabis accessories were sold, given, or otherwise furnished was 21 years
45 of age or older at the time the cannabis or cannabis accessories were sold,
46 given, or otherwise furnished to the person.

47 (c) Subsection (b) of this section does not apply if both of the following requirements are
48 met:

49 (1) The document that was shown to the person who sold, gave, or otherwise
50 furnished the cannabis, cannabis products, or cannabis accessories was
51 counterfeit, forged, altered, or issued to a person other than the person to
