HOUSE BILL DRH40317-NI-115A

Short Title: Make Elevators Great Again.-AB

(Public)

Sponsors: Representative Howard.

Referred to:

1 A BILL TO BE ENTITLED
2 AN ACT TO MAKE VARIOUS FEE MODIFICATIONS TO THE STATE LABOR
3 REGULATIONS.

4 Whereas, the North Carolina Department of Labor's Elevator and Amusement Device
5 Bureau is a fully receipt-supported operation that receives no State appropriations and is currently
6 facing a backlog of over 3,000 overdue inspections and critical staffing shortages, particularly in
7 North Carolina's fast-growing urban regions; and

8 Whereas, outdated statutory fee caps have constrained the Department's ability to
9 modernize operations, attract qualified inspectors, and deliver timely inspections; and

10 Whereas, authorizing modest, common-sense fee adjustments will empower the
11 Department to eliminate the inspection backlog, raise inspector pay to market rates, and launch
12 an in-house apprenticeship program to train the next generation of safety professionals; and

13 Whereas, this Act ensures that all fee increases remain capped, transparent, and tied
14 to inflation, while keeping the Elevator and Amusement Device Bureau fully receipt-supported,
15 free from new taxpayer burdens, and operated with the accountability and efficiency of a small
16 business; and

17 Whereas, it is in North Carolina's best interest to modernize the Department in a way
18 that is accountable, fiscally responsible, and tailored to the needs of our fast-growing State; Now,
19 therefore,

20 The General Assembly of North Carolina enacts:
