15 The General Assembly of North Carolina enacts:

16 **SECTION 1.** This act shall be known as "The G.U.A.R.D. Act" or "The  
17 Guaranteeing Uninterrupted Access to Resident Dignity Act."

18 **SECTION 2.** Part 1 of Article 6 of Chapter 131E of the General Statutes is amended  
19 by adding a new section to read:

20 **"§ 131E-112.10. Electronic monitoring of nursing home and combination home residents.**

21 (a) The following definitions apply in this section:

22 (1) Electronic monitoring device. – Any technology capable of capturing and  
23 storing audio or video data, or both, including a video surveillance camera, an  
24 audio device, a mobile telephone, or an internet video surveillance device.

25 (2) Resident. – A person residing in a nursing home or combination home, or that  
26 person's responsible party or legal representative.

27 (b) A nursing home or combination home shall permit a resident to monitor the resident's  
28 room through the use of an electronic monitoring device. The nursing home or combination home  
29 shall require a resident who exercises this option to post a notice in a conspicuous location on the  
30 door of the resident's room stating that the room is being monitored by an electronic monitoring  
31 device.

32 (c) All of the following apply to monitoring conducted by a resident under this section:

33 (1) Electronic monitoring is noncompulsory and at the election of the resident.

34 (2) The resident is responsible for all costs associated with the installation,  
35 maintenance, and removal of the electronic monitoring device.

- 1           (3)    To the greatest extent possible, the resident shall protect the privacy rights of  
2                    other residents and visitors of the nursing home or combination home.
- 3           (d)    In complying with this section, all of the following apply to nursing homes and  
4                    combination homes:
- 5                   (1)    Shall not refuse to admit an individual as a resident of the nursing home or  
6                            combination home, nor discharge a resident from a nursing home or  
7                            combination home, due to a request to install an electronic monitoring device  
8                            in the resident's room.
- 9                   (2)    Shall make reasonable physical accommodations for a resident's electronic  
10                           monitoring device by providing access to power sources, access to the internet  
11                           if readily available, and a reasonably secure place to mount the electronic  
12                           monitoring device.
- 13                   (3)    Shall inform a resident or prospective resident of the resident's right to install  
14                           or arrange for the installation of an electronic monitoring device.
- 15                   (4)    May require a resident who requests to install an electronic monitoring device  
16                           to make the request in writing.
- 17                   (5)    Shall not include in any contract between a resident and the nursing home or  
18                           combination home a provision that purports to waive or modify the resident's  
19                           rights under this section.
- 20           (e)    A recording created through the use of a resident's electronic monitoring device in  
21                    either a civil or criminal action brought in a North Carolina court of competent jurisdiction is  
22                    admissible, subject to Chapter 8C of the General Statutes.
- 23           (f)    A person who operates a nursing home or combination home in violation of this  
24                    section is guilty of a Class A1 misdemeanor and upon conviction is subject to a fine not exceeding  
25                    two thousand dollars (\$2,000) or imprisonment not exceeding one year, or both.
- 26           (g)    A person who willfully and without the consent of a resident hampers, obstructs,  
27                    tampers with, or destroys an electronic monitoring device shall be guilty of a Class A1  
28                    misdemeanor and upon conviction is subject to a fine not exceeding two thousand dollars  
29                    (\$2,000) or imprisonment not exceeding 90 days, or both."
- 30           **SECTION 3.** G.S. 131E-117 is amended by adding a new subdivision to read:  
31                    "(17) To install or have installed at the resident's own expense an electronic  
32                            monitoring device in the resident's room pursuant to G.S. 131E-112.10 for the  
33                            purpose of ensuring the resident's health and safety."
- 34           **SECTION 4.** Article 1 of Chapter 131D of the General Statutes is amended by  
35                    adding a new section to read:  
36            "§ 131D-7.10. Electronic monitoring of adult care home residents.
