29 the time of filing notice of candidacy, file with the State Board a written statement designating
30 the vacancy to which the candidate seeks election. Votes cast for a candidate shall be effective
31 only for election to the vacancy for which the candidate has given notice of candidacy as provided
32 in this subsection.

33 A person seeking election for a specialized district judgeship established under G.S. 7A-147
34 shall, at the time of filing notice of candidacy, file with the State Board a written statement
35 designating the specialized judgeship to which the person seeks nomination.

37 notice of candidacy for superior court judge unless that person is at the time of filing the notice
38 of candidacy a resident of the judicial district as it will exist at the time the person would take

40 unless that person is at the time of nomination a resident of the judicial district as it will exist at
41 the time the person would take office if elected. This subsection implements Section 9(1) of
42 Article IV of the North Carolina Constitution which requires regular Superior Court Judges to
43 reside in the district for which elected.

44 **"§ 163-353. Filing fees required of candidates; refunds.**

45 (a) Fee Schedule. – At the time of filing a notice of candidacy under this Article, each
46 candidate shall pay to the State Board a filing fee for the office the candidate seeks in the amount
47 of one percent (1%) of the annual salary of the office sought.

48 (b) Refund of Fees. – If any person who has filed a notice of candidacy and paid the filing
49 fee prescribed in subsection (a) of this section withdraws his or her notice of candidacy within
50 the period prescribed in G.S. 163-352(c), the candidate shall be entitled to have the fee the

4 candidacy and paid the filing fee prescribed in subsection (a) of this section dies prior to the date
5 of the election, the personal representative of the estate shall be entitled to have the fee refunded
6 if application is made to the board of elections to which the fee was paid no later than one year
7 after the date of death and refund shall be made in the same manner as the withdrawal of notice
8 of candidacy.

9 **"§ 163-354. Petition in lieu of payment of filing fee.**

10 (a) General. – Any qualified voter who seeks election under this Article may, in lieu of
11 payment of any filing fee required for the office sought, file a written petition requesting to be a
12 candidate for a specified office with the State Board.

13 (b) Requirements of Petition; Deadline for Filing. – If the candidate is seeking the office
14 of justice of the Supreme Court, judge of the Court of Appeals, or superior or district court judge,
15 that individual shall file a written petition with the State Board no later than 12:00 noon on
16 Monday preceding the filing deadline before the primary. If the office is justice of the Supreme
17 Court or judge of the Court of Appeals, the petition shall be signed by 8,000 registered voters in
18 the State. If the office is superior or district court judge, the petition shall be signed by five percent
19 (5%) of the registered voters of the election area in which those registered voters will vote for
20 that office. The board of elections shall verify the names on the petition and, if the petition and
21 notice of candidacy are found to be sufficient, the candidate's name shall be printed on the
22 appropriate ballot. Petitions shall be presented to the county board of elections for verification at
23 least 15 days before the petition is due to be filed with the State Board. The State Board may
24 adopt rules to implement this section and to provide standard petition forms.

25 **"§ 163-355. Certification of notices of candidacy.**

26 (a) Names of Candidates Sent to Secretary of State. – Within three days after the time for
27 filing notices of candidacy with the State Board under the provisions of G.S. 163-352(b) has
28 expired, the chairman or secretary of that Board shall certify to the Secretary of State the name
29 and address of each person who has filed with the State Board, indicating in each instance the
30 office sought.

31 (b) Notification of Local Boards. – No later than 10 days after the time for filing notices
32 of candidacy under the provisions of G.S. 163-352(b) has expired, the chairman of the State
33 Board shall certify to the chairman of the county board of elections in each county in the
34 appropriate district the names of candidates for nomination to the offices of justice of the
35 Supreme Court, judge of the Court of Appeals, and superior and district court judge who have
36 filed the required notice and paid the required filing fee or presented the required petition to the
37 State Board so that their names may be printed on the official judicial ballot for justice of the
38 Supreme Court, judge of the Court of Appeals, and superior and district court judge.

39 (c) Receipt of Notification by County Board. – Within two days after receipt of each of
40 the letters of certification from the chairman of the State Board required by subsection (b) of this
41 section, each county board of elections chairman shall acknowledge receipt by letter addressed
42 to the chairman of the State Board.

43 **"§ 163-356. Rules when vacancies for superior court judge are to be voted on.**

44 If a vacancy occurs in a judicial district for any offices of superior court judge, and on account
45 of the occurrence of the vacancy there is to be an election for one or more terms in that district
46 to fill the vacancy or vacancies, at that same election in accordance with G.S. 163-9 and Section
47 19 of Article IV of the North Carolina Constitution, the nomination and election shall be
48 determined by the following special rules in addition to any other provisions of law:

- 49 (1) If the vacancy occurs prior to the opening of the filing period under
50 G.S. 163-352(b), nominations shall be made by primary election as provided
51 by this Article without designation as to the vacancy.

1 (2) If the vacancy occurs beginning on the opening of the filing period under
2 G.S. 163-352(b) and ending on the sixtieth day before the general election,
3 candidate filing shall be as provided by G.S. 163-358 without designation as
4 to the vacancy.

5 (3) The general election ballot shall contain, without designation as to vacancy,
6 spaces for the election to fill the vacancy where nominations were made or
7 candidates filed under subdivision (1) or (2) of this section. Except as provided
8 in G.S. 163-358, the persons receiving the highest numbers of votes equal to
9 the term or terms to be filled shall be elected to the term or terms.

10 **"§ 163-357. Failure of candidates to file; death or other disqualification of a candidate; no**
11 **withdrawal from candidacy.**

12 (a) Insufficient Number of Candidates. – If, when the filing period expires, candidates
13 have not filed for an office to be filled under this Article, the State Board shall extend the filing
14 period for five days for any such offices.

15 (b) Death or Disqualification of Candidate Before Primary. – If a candidate for
16 nomination in a primary dies or becomes disqualified before the primary but after the ballots
17 have been printed, the State Board shall determine whether or not there is time to reprint the
18 ballots. If the State Board determines that there is not enough time to reprint the ballots, the
19 deceased or disqualified candidate's name shall remain on the ballots. If that candidate receives
20 enough votes for nomination, such votes shall be disregarded and the candidate receiving the
21 next highest number of votes below the number necessary for nomination shall be declared
22 nominated. If the death or disqualification of the candidate leaves only two candidates for each
23 office to be filled, the nonpartisan primary shall not be held and all candidates shall be declared
24 nominees.

25 (c) Earlier Non-Primary Vacancies; Reopening Filing. – If there is no primary because
26 only one or two candidates have filed for a single office, or the number of candidates filed for a
27 group of offices does not exceed twice the number of positions to be filled, or if a primary has
28 occurred and eliminated candidates, and thereafter a remaining candidate dies or otherwise
29 becomes disqualified before the election and before the ballots are printed, the State Board shall,
30 upon notification of the death or other disqualification, immediately reopen the filing period for
31 an additional five days during which time additional candidates shall be permitted to file for
32 election. If the ballots have been printed at the time the State Board receives notice of the
33 candidate's death or other disqualification, the State Board shall determine whether there will be
34 sufficient time to reprint them before the election if the filing period is reopened for three days.
35 If the State Board determines that there will be sufficient time to reprint the ballots, it shall reopen
36 the filing period for three days to allow other candidates to file for election and that election shall
37 be conducted as provided in G.S. 163-358(b).

38 (d) Later Vacancies; Ballots Not Reprinted. – If the ballots have been printed at the time
39 the State Board receives notice of a candidate's death or other disqualification, and if the Board
40 determines that there is not enough time to reprint the ballots before the election if the filing
41 period is reopened for three days, then regardless of the number of candidates remaining for the
42 office or group of offices, the ballots shall not be reprinted and the name of the vacated candidate
43 shall remain on the ballots. If a vacated candidate should poll the highest number of votes in the
44 election for a single office or enough votes to be elected to one of a group of offices, the State
45 Board shall declare the office vacant and it shall be filled in the manner provided by law.

46 (e) No Withdrawal Permitted of Living, Qualified Candidate After Close of Filing. –
47 After the close of the candidate filing period, a candidate who has filed a notice of candidacy for
48 the office, who has not withdrawn notice before the close of filing as permitted by
49 G.S. 163-352(b), who remains alive, and who has not become disqualified for the office may not
50 withdraw his or her candidacy. That candidate's name shall remain on the ballot, any votes cast

1 for the candidacy shall be counted in the primary or election, and if the candidate wins, the
2 candidate may fail to qualify by refusing to take the oath of office.

3 (f) **Death, Disqualification, or Failure to Qualify After Election.** – If a person elected to
4 the office of justice of the Supreme Court, judge of the Court of Appeals, or superior or district
5 court judge dies or becomes disqualified on or after election day and before the person has
6 qualified by taking the oath of office, or fails to qualify by refusing to take the oath of office, the
7 office shall be deemed vacant and shall be filled as provided by law.

8 **§ 163-358. Elections to fill vacancy in office created after primary filing period opens.**

9 (a) **General.** – If a vacancy is created in the office of justice of the Supreme Court, judge
10 of the Court of Appeals, or judge of superior court after the filing period for the primary opens
11 but more than 60 days before the general election, and under the Constitution of North Carolina
12 an election is to be held for that position, such that the office shall be filled in the general election
13 as provided in G.S. 163-9, the election to fill the office for the remainder of the term shall be
14 conducted without a primary using the method provided in subsection (b) of this section. If a
15 vacancy is created in the office of justice of the Supreme Court, judge of the Court of Appeals,
16 or judge of superior court before the filing period for the primary opens, and under the
17 Constitution of North Carolina an election is to be held for that position, such that the office shall
18 be filled in the general election as provided in G.S. 163-9, the election to fill the office for the
19 remainder of the term shall be conducted in accordance with G.S. 163-351.

20 (b) **Method for Vacancy Election.** – If a vacancy for the office of justice of the Supreme
21 Court, judge of the Court of Appeals, or judge of superior court occurs more than 60 days before
22 the general election and after the opening of the filing period for the primary, then the State Board
23 shall designate a special filing period of one week for candidates for the office. If more than two
24 candidates file and qualify for the office in accordance with G.S. 163-352, then the Board shall
25 conduct the election for the office as follows:

26 (1) **When the vacancy described in this section occurs more than 63 days before**
27 the date of the second primary for members of the General Assembly, a special
28 primary shall be held on the same day as the second primary. The two
29 candidates with the most votes in the special primary shall have their names
30 placed on the ballot for the general election held on the same day as the general
31 election for members of the General Assembly.

32 (2) **When the vacancy described in this section occurs less than 64 days before**
33 the date of the second primary, a general election for all the candidates shall
34 be held on the same day as the general election for members of the General
35 Assembly and the results shall be determined on a plurality basis as provided
36 by G.S. 163-292.

37 (c) **Applicable Provisions.** – Except as provided in this section, the provisions of this
38 Article apply to elections conducted under this section.

39 **§ 163-359. Voting in primary.**

40 Any person who will become qualified by age or residence to register and vote in the general
41 election for which the primary is held, even though not so qualified by the date of the primary,
42 shall be entitled to register for the primary and general election prior to the primary and then to
43 vote in the primary after being registered. The person may register not earlier than 60 days nor
44 later than the last day for making application to register under G.S. 163-82.6(d) prior to the
45 primary.

46 **§ 163-360. Date of primary.**

47 The primary shall be held on the same date as established for primary elections under
48 G.S. 163-1(b).

49 **§ 163-361. Ballots.**

1 (a) General. – In elections there shall be official ballots. The ballots shall be printed to
2 conform to the requirement of G.S. 163-165.6(c) and to show the name of each person who has

2 it meets the requirements of G.S. 163-278.121(16)a. and b.

3 (5) A candidate and the candidate's committee shall limit the use of all revenues
4 permitted by this subsection to expenditures for campaign-related purposes
5 only. The Board shall publish guidelines outlining permissible
6 campaign-related expenditures. In establishing those guidelines, the Board
7 shall differentiate expenditures that reasonably further a candidate's campaign
8 from expenditures for personal use that would be incurred in the absence of
9 the candidacy. In establishing the guidelines, the Board shall review relevant
10 provisions of the Federal Election Campaign Act, and rules adopted pursuant
11 to it, and similar provisions in other states.

12 (6) Any contribution received by a participating or certified candidate that falls
13 outside that permitted by this subsection shall be returned to the donor as soon
14 as practicable. Contributions intentionally made, solicited, or accepted in
15 violation of this Article are subject to civil penalties as specified in
16 G.S. 163-278.128. The funds involved shall be forfeited to the Civil Penalty
17 and Forfeiture Fund.

18 (7) A candidate shall return to the Fund any amount distributed for an election
19 that is unspent and uncommitted at the date of the election, or at the time the
20 individual ceases to be a certified candidate, whichever occurs first. For
21 accounting purposes, all qualifying, personal, and family contributions shall
22 be considered spent before revenue from the Fund is spent or committed.

23 (e) Revocation. – A candidate may revoke, in writing to the Board, a decision to
24 participate in the Fund at any time before the deadline set by the Board for the candidate's
25 submission of information for the Voter Guide described in G.S. 163-278.129. After a timely
26 revocation, that candidate may accept and expend outside the limits of this Article without
27 violating this Article. Within 10 days after revocation, a candidate shall return to the State Board
28 all money received from the Fund.

29 **"§ 163-278.124. Special participation provisions for candidates in vacancy elections.**

30 (a) Participation Provisions Modified. – Candidates involved in elections described in
31 G.S. 163-358 may participate in the Fund subject to the provisions of G.S. 163-278.123 as
32 modified by this section. The Board shall adapt other provisions of this Article, including
33 G.S. 163-278.127, to those elections.

34 (b) Qualifying. – The Board shall designate a special qualifying period of no less than
35 four weeks for these candidates, beginning at the close of the notice-of-candidacy filing period.
36 To receive certification, a participating candidate shall raise at least 225 qualifying contributions,
37 totaling at least 20 times the amount of the filing fee for the office, for a four-week qualifying
38 period. If the Board sets a longer qualifying period, then for each additional week that the
39 qualifying period extends beyond four weeks, the minimum number of qualifying contributions
40 required for certification shall increase by 25 and the minimum amount of the qualifying
41 contributions shall increase by two times the filing fee. The minimum qualifying contributions
42 shall not exceed the limit set by G.S. 163-278.123(b).

43 (c) Allocations. – Certified candidates shall receive one percent (1%) of the funding to
44 which they would be eligible under G.S. 163-278.125 times the number of calendar days between
45 the end of the special qualifying period and the day of the general election. That amount shall
46 not exceed one hundred percent (100%) of the funding to which they would be eligible under
47 G.S. 163-278.125.

48 **"§ 163-278.125. Distribution from the Fund.**

49 (a) Timing of Fund Distribution. – The Board shall distribute to a certified candidate
50 revenue from the Fund in an amount determined under subdivision (b)(4) of this section within

1 five business days after the certified candidate's name is approved to appear on the ballot in a
2 contested general election but no earlier than five business days after the primary.

3 (b) Amount of Fund Distribution. – By August 1, 2026, and no less frequently than every
4 two years thereafter, the Board shall determine the amount of funds, rounded to the nearest one
5 hundred dollars (\$100.00), to be distributed to certified candidates as follows:

6 (1) Uncontested primaries. – No funds shall be distributed.

7 (2) Contested primaries. – No funds shall be distributed except as provided in
8 G.S. 163-278.127.

9 (3) Uncontested general elections. – No funds shall be distributed.

10 (4) Contested general elections. – Funds shall be distributed to a certified
11 candidate for a position on the Court of Appeals in an amount equal to 125
12 times the candidate's filing fee as set forth in G.S. 163-353. Funds shall be
13 distributed to a certified candidate for a position on the Supreme Court in an
14 amount equal to 175 times the candidate's filing fee as set forth in
15 G.S. 163-353.

16 (c) Method of Fund Distribution. – The Board, in consultation with the State Treasurer
17 and the State Controller, shall develop a rapid, reliable method of conveying funds to certified
18 candidates. In all cases, the Board shall distribute funds to certified candidates in a manner that
19 is expeditious, ensures accountability, and safeguards the integrity of the Fund. If the money in
20 the Fund is insufficient to fully fund all certified candidates, then the available money shall be
21 distributed proportionally, according to each candidate's eligible funding, and the candidate may
22 raise additional money in the same manner as a noncertified candidate for the same office up to
23 the unfunded amount of the candidate's eligible funding.

24 **"§ 163-278.126. Reporting requirements.**

25 (a) Reporting by Noncertified Candidates and Other Entities. – Any noncertified
26 candidate with a certified opponent shall report total contributions received to the Board by
27 facsimile machine or electronically within 24 hours after the total amount of contributions
28 received exceeds eighty percent (80%) of the trigger for matching funds as defined in
29 G.S. 163-278.121(19). Any entity making independent expenditures in support of or opposition
30 to a certified candidate or in support of a candidate opposing a certified candidate, or paying for
31 electioneering communications, referring to one of those candidates, shall report the total
32 expenditures or payments made to the Board by facsimile machine or electronically within 24
33 hours after the total amount of expenditures or payments made for the purpose of making the
34 independent expenditures or electioneering communications exceed five thousand dollars
35 (\$5,000). After the initial 24-hour filing, the noncertified candidate or other reporting entity shall
36 comply with an expedited reporting schedule. The schedule and forms for reports required by
37 this subsection shall be supplied by the Board.

38 (b) Reporting by Participating and Certified Candidates. – Notwithstanding other
39 provisions of law, participating and certified candidates shall report any money received,
40 including all previously unreported qualifying contributions, all campaign expenditures,
41 obligations, and related activities to the Board according to procedures developed by the Board.
42 A certified candidate who ceases to be certified or ceases to be a candidate or who loses an
43 election shall file a final report with the Board and return any unspent revenues received from
44 the Fund. In developing these procedures, the Board shall utilize existing campaign reporting
45 procedures whenever practical.

46 (c) Timely Access to Reports. – The Board shall ensure prompt public access to the
47 reports received in accordance with this Article. The Board may utilize electronic means of
48 reporting and storing information.

49 **"§ 163-278.127. Matching funds.**

50 (a) When Matching Funds Become Available. – When any report or group of reports
51 shows that "funds in opposition to a certified candidate or in support of an opponent to that

1 candidate" as described in this section exceed the trigger for matching funds as defined in
2 G.S. 163-278.121(19), the Board shall issue immediately to that certified candidate an additional
3 amount equal to the reported excess within the limits set forth in this section. "Funds in opposition
4 to a certified candidate or in support of an opponent to that candidate" shall be equal to the sum
5 of subdivisions (1) and (2) of this subsection as follows:

6 (1) The greater of the following:

7 a. Campaign expenditures or obligations made, or funds raised or
8 borrowed, whichever is greater, reported by any one nonparticipating
9 candidate who is an opponent of a certified candidate. Where a
10 certified candidate has more than one nonparticipating candidate as an
11 opponent, the measure shall be taken from the nonparticipating
12 candidate showing the highest relevant dollar amount.

13 b. The funds distributed in accordance with G.S. 163-278.125(b) to a
14 certified opponent of the certified candidate.

15 (2) The aggregate total of all expenditures and payments reported in accordance
16 with G.S. 163-278.126(a) of entities making independent expenditures or
17 electioneering communications in opposition to the certified candidate or in
18 support of any opponent of that certified candidate.

19 (b) Limit on Matching Funds Before Date of Primary. – Total matching funds to a
20 certified candidate before the date of the primary shall be limited to an amount equal to two times
21 the maximum qualifying contributions for the office sought. Matching funds are available to a
22 certified candidate with an opponent in the primary or to a certified candidate who is clearly
23 referred to in expenditures reportable under G.S. 163-278.125 made in opposition to that
24 candidate.

25 (c) Limit on Matching Funds in Contested General Election. – Total matching funds to a
26 certified candidate in a contested general election shall be limited to an amount equal to two
27 times the amount described in G.S. 163-278.125(b)(4).

28 (d) Expedited Distribution of Matching Funds. – When a candidate becomes entitled to
29 any amount of matching funds under subsection (a) of this section, the Board shall authorize the
30 issuance of that amount to the candidate as soon as practicable. The Department of
31 Administration shall transfer that amount to the candidate as soon as practicable and in no event
32 later than 12 hours after receiving notice from the Board that the candidate has become entitled
33 to it. The Department of Administration shall develop a method of rapidly transferring funds to
34 a candidate or otherwise fulfilling the requirements of this subsection in conjunction with the
35 Board. The candidate shall return to the Board as soon as practicable any amount of the matching
36 funds that the candidate has not spent at the date of the election or at the time the individual
37 ceases to be a certified candidate, whichever occurs first.

38 (e) Determinations by Board. – In the case of electioneering communications, the Board
39 shall determine which candidate, if any, is entitled to receive matching funds as a result of the
40 communication. The Board shall issue matching funds based on the communication only if it
41 ascertains that the communication is susceptible of no reasonable interpretation other than as an
42 appeal to vote for or against a specific candidate. In making its determination, the Board shall
43 not consider evidence external to the communication itself of the intent of the sponsor or the
44 effect of the communication. The Board shall notify each candidate it determines is entitled to
45 receive matching funds based on those communications, the sponsor of those communications,
46 and any candidate who is an opponent of the candidate it determines is entitled to the matching
47 funds. The Board shall give the sponsor of the communication and any opposing candidate an
48 adequate opportunity to rebut the determination of the Board. In considering the rebuttal, all
49 candidates in the race and the sponsor shall be given adequate and equal opportunity to be heard.
50 The Board shall adopt procedures for implementing this subsection, balancing in those
51 procedures adequacy of opportunity to rebut and adequacy and equality of opportunity to be

1 heard on the rebuttal with the need to expedite the decision on awarding matching funds. The
2 Board shall distribute the matching funds, if any, at the conclusion of its process.

3 (f) Proportional Measuring of Multicandidate Communications. – In calculating the
4 amount of matching funds a certified candidate is eligible to receive under this section, the Board
5 shall include the proportion of expenditures, obligations, or payments for multicandidate
6 communications that pertain to the candidate.

7 (g) No Matching Funds for Certain Communications Involving All Candidates. – No
8 matching funds are available under this section as a result of an expenditure that supports all
9 candidates for the same office or opposes all candidates for the same office. No matching funds
10 are available under this section as a result of an electioneering communication that the Board
11 ascertains is susceptible of no reasonable interpretation other than as an appeal to vote for all
12 candidates for the same office or to vote against all candidates for the same office.

13 **"§ 163-278.128. Civil penalty.**

14 In addition to any other penalties that may be applicable, any individual, political committee,
15 or other entity that violates any provision of this Article is subject to a civil penalty of up to ten
16 thousand dollars (\$10,000) per violation or three times the amount of any financial transactions
17 involved in the violation, whichever is greater. In addition to any fine, for good cause shown, a
18 candidate found in violation of this Article may be required to return to the Fund all amounts
19 distributed to the candidate from the Fund. If the Board makes a determination that a violation
20 of this Article has occurred, the Board shall calculate and assess the amount of the civil penalty
21 and shall notify the entity that is assessed the civil penalty of the amount that has been assessed.
22 The Board shall then proceed in the manner prescribed in G.S. 163-278.34. In determining
23 whether or not a candidate is in violation of this Article, the Board may consider as a mitigating
24 factor any circumstances out of the candidate's control."

29 determined by the Council but not to exceed three hundred twenty-five dollars

34 fifty dollar (\$50.00) surcharge shall be sent on a monthly schedule to the State Board of Elections.
35 The secretary-treasurer shall annually, at a time and in a law magazine or daily newspaper to be
36 prescribed by the Council, publish an account of the financial transactions of the Council in a
37 form to be prescribed by it. The secretary-treasurer shall compile and keep currently correct from
38 the names and mailing addresses forwarded to the secretary-treasurer and from any other
39 available sources of information a list of members of the North Carolina State Bar and furnish to
40 the clerk of the superior court in each county, not later than the first day of October in each year,
41 a list showing the name and address of each attorney for that county who has not complied with
42 the provisions of this Article. The name of each of the active members who are in arrears in the
43 payment of membership fees shall be furnished to the presiding judge by the clerk of the superior
44 court of each county wherein the member or members reside, and the court shall thereupon take
45 action that is necessary and proper. The names and addresses of attorneys so certified shall be
46 kept available to the public. The Secretary of Revenue is hereby directed to supply the
47 secretary-treasurer, from records of license tax payments, with any information for which the
48 secretary-treasurer may call in order to enable the secretary-treasurer to comply with this
49 requirement.

50 The list submitted to several clerks of the superior court shall also be submitted to the Council
51 and it shall take the action thereon that is necessary and proper."

6 163 of the General Statutes, the Department must allocate to that Fund three dollars (\$3.00) from
7 the income taxes paid each year by each individual with an income tax liability of at least that
8 amount, if the individual agrees. A taxpayer must be given the opportunity to indicate an
9 agreement or objection to that allocation in the manner described in subsection (b) of this section.
10 In the case of a married couple filing a joint return, each individual must have the option of
11 agreeing or objecting to the allocation. The amounts allocated under this subsection to the Fund
