9 (b) Every public utility shall furnish adequate, efficient and reasonable service.

10 (c) In determining costs of service, the Commission may apply a test-year method of
11 estimating revenue needs, utilizing appropriate normalization and adjustments as required.

12 (d) The Commission may approve special rates or contracts for individual customers or
13 customer classes if it determines that such measures are in the public interest, do not unreasonably
14 burden other customers, and align with State emissions reductions goals."

15 **SECTION 3.** Article 7 of Chapter 62 of the General Statutes is amended by adding
16 new sections to read:

17 **"§ 62-131A. Prohibited cost recovery; annual reporting.**

18 (a) Public utilities regulated under this Chapter cannot attempt to recover in rates any
19 costs related to the Prohibited Costs listed in G.S. 62-131(a)(2).

20 (b) By July 1 of each year, regulated public utilities shall submit to the Commission an
21 annual report detailing all of the following:

22 (1) A written, itemized description of any expenses associated with prohibited
23 activities in G.S. 62-131(a)(2).

24 (2) For each expense, the report must include the date, the payee, the amount, and
25 a description of the purpose of the expense.

26 (3) Third-party expenditures for prohibited activities, with details sufficient to
27 describe the nature of the expenditure regarding payees and purposes.

28 (4) A list of all divisions, departments, or other organizational employee groups
29 within the public utility that performs activities associated with
30 G.S. 62-131(a)(2). For each organizational employee group, the public utility
31 shall include a list of employees who work in that group. For each employee,
32 the public utility shall include the employee's job title, a job description
33 sufficient to describe the employee's responsibilities, each activity described
34 in G.S. 62-131(a)(2) in which the employee engages, and a description
35 sufficient to describe the nature of any such activity, the total annual
36 compensation for the employee, the hours allocated to the activity, the
37 percentage of annual compensation paid for work associated with the
38 activities described in G.S. 62-131(a)(2), and the percentage of annual
39 compensation recoverable from ratepayers.

40 (5) Any additional information that the Commission deems relevant.

41 (c) The Commission shall review the reports submitted under this section, ensuring they
42 comply with the requirements outlined in this act. The Commission may request additional
43 clarification or documentation to ensure compliance. If any violations are identified, the
44 Commission shall act promptly to enforce penalties as outlined in subsection (e) of this section.

45 (d) Public Disclosure. – A public utility shall do all of the following:

46 (1) Clearly and conspicuously disclose in all its public messaging and advertising
47 whether the costs of the public messaging or advertising are being paid for by
48 the corporation's shareholders or ratepayers. A disclosure is not clear and
49 conspicuous if the disclosure is difficult to hear or read, or if the placement of
50 the disclosure is easily overlooked.

1 (2) Publish on its publicly accessible website all materials filed with the
2 Commission in accordance with subsection (b) of this section. The
3 Commission shall make available the annual reports filed by public utilities in
4 accordance with this section on its publicly accessible website with notice of
5 the availability of the reports prominently displayed on the website.

6 (e) The Commission shall impose penalties on public utilities that recover prohibited
7 costs through rates, equal to the amount improperly recovered and refund them to the ratepayers.
8 The Commission shall also satisfy all of the following:

9 (1) In addition to any refunds that the Commission orders a public utility to pay
10 ratepayers, the Commission shall assess a civil penalty in accordance with this
11 section against a public utility that violates G.S. 62-131(a)(2) or fails or
12 neglects to comply with any part or provision of any order, decision, decree,
13 rule, direction, demand, or requirement of the Commission related to
14 implementing G.S. 62-131(a)(2).

15 a. This civil penalty will not be less than fifty thousand dollars (\$50,000)
16 and not more than one hundred fifty thousand dollars (\$150,000) for
17 each violation.

18 b. Each expense improperly recorded to cost recovery through ratepayers
19 is a separate and distinct violation. Violations are continuing
20 violations. Each day a violation to G.S. 62-131(a)(2) occurs shall be a
21 separate and distinct violation.

22 c. The public utility shall not recover any penalty assessed pursuant to
23 this section from ratepayers.

24 (2) Three-fourths of the monies collected pursuant to any settlement or penalties
25 collected by the Commission for violations of G.S. 62-131(a)(2) shall be
26 deposited in the "Energy Equity Fund," which is hereby established in the
27 State Treasury.

28 (3) One-fourth of the monies collected pursuant to any settlement or penalties
29 collected for violations of G.S. 62-131(a)(2) shall, upon appropriation by the
30 General Assembly, be used by the Commission for purposes of increasing
31 resources for the enforcement of this section.

32 (4) Upon appropriation by the General Assembly, monies in the "Energy Equity
33 Fund" may be allocated for purposes of disaster recovery and relief, as well
34 as assisting low-income households in transitioning to zero-emission
35 appliances to mitigate air quality and public health impacts of using
36 combustion appliances.

37 **"§ 62-131B. Guidelines for special rates and alternative regulatory plans.**

38 (a) The Commission may adopt alternative regulatory mechanisms, including
39 performance-based rates or special customer rates, provided that such measures accomplish all
40 of the following:

41 (1) Protect the public interest.

42 (2) Ensure equitable treatment across customer classes.

43 (3) Do not compromise the reliability of electric service.

44 (b) Before approving any alternative regulatory plan, the Commission shall ensure that
45 the plan will not increase costs for other customers beyond reasonable limits or conflict with
46 State energy goals, including renewable energy deployment.

47 (c) By November 1, 2025, the Commission shall initiate rulemaking to amend its rules
48 under G.S. 62-30 to implement the requirements of this act. The Commission's rules shall not
49 require public utilities to file more than one annual report related to advertising and political
50 activities, except as required under G.S. 62-133.6."

1 **SECTION 4.** If any provision of this act or its application is held invalid, the
2 invalidity does not affect other provisions or applications of this act that can be given effect
3 without the invalid provisions or application and, to this end, the provisions of this act are
4 severable.

5 **SECTION 5.** This act is effective when it becomes law.
