6 The General Assembly of North Carolina enacts:

7 **SECTION 1.** G.S. 93A-62 reads as rewritten:

8 **"§ 93A-62. Delinquent assessments; developer guarantee.**

9 (a) Delinquent assessments may bear interest at the highest rate permitted by law or at
10 some lesser rate established by the managing entity. In addition to interest, the managing entity
11 may charge a reasonable administrative late fee for each delinquent assessment. Any costs of
12 collection, including reasonable collection agency fees and reasonable attorney's fees, incurred
13 in the collection of a delinquent assessment shall be paid by the owner and shall be secured by a
14 lien in favor of the managing entity upon the timeshare with respect to which the delinquent
15 assessment has been incurred.

16 (b) The managing entity may deny the use of the timeshare units or facilities, including
17 the denial of the right to make a reservation or the cancellation of a confirmed reservation for
18 timeshare periods, to any owner who is delinquent in the payment of any assessments made by
19 the managing entity against the owner for common expenses, in accordance with the following:

20 (1) The managing entity must, no less than 30 days after the date the assessment
21 is due, notify the owner in writing of the total amount of any delinquency
22 which then exists, including any accrued interest and late charges permitted
23 to be imposed under the terms of the timeshare program or by law and
24 including a per diem amount. The notice shall be sent to the owner at the
25 owner's known address as recorded in the books and records of the timeshare
26 program.

27 (2) The notice shall clearly state that the owner will not be permitted to use the
28 owner's timeshare, that the owner will not be permitted to make a reservation
29 in the timeshare program's reservation system, or that any confirmed
30 reservation may be canceled until the total amount of such delinquency is
31 satisfied in full or until the owner produces satisfactory evidence that the
32 delinquency does not exist.

33 (3) The notice shall be effective to bar the use of the owner and those claiming
34 use rights under the owner, including the owner's guests, lessees, and persons

1 receiving use rights in the timeshare through an exchange program; provided,
2 however, that (i) a managing entity desiring to deny the use of the timeshare
3 to persons receiving use rights in the delinquent owner's timeshare through an
4 exchange program that has an affiliation agreement with the managing entity
5 shall notify the affiliated exchange company in writing of the denial of use at
6 the time that the notice was sent to the owner and (ii) any person claiming
7 through the affiliated exchange program who has received a confirmed
8 assignment of the delinquent owner's use rights from the affiliated exchange
9 company prior to the expiration of 48 hours after the receipt by the affiliated
10 exchange company of the written notice from the managing entity shall be
11 permitted by the managing entity to use the owner's use rights.

12 (4) Any costs reasonably incurred by the managing entity in connection with its
13 compliance with the requirements of this section may be assessed by the
14 managing entity against the delinquent owner and collected in the same
15 manner as if those costs were common expenses of the timeshare program
16 allocable solely to the delinquent purchaser.

17 (5) A managing entity may not enforce the denial of use against any one owner
18 or group of owners without similarly enforcing it against all owners, including
19 all developers.

20 (c) In addition to the denial of use pursuant to subsection (b) of this section, the managing
21 entity may give further notice to the delinquent owner that the managing entity may rent the
22 delinquent owner's timeshare, or any use rights appurtenant thereto, in accordance with the
23 following:

24 (1) A further notice of intent to rent must be given no less than 30 days after the
25 date the assessment is due and must be delivered to the purchaser in the
26 manner required for notices under subsection (b) of this section.

27 (2) The notice shall state that unless the owner satisfies the delinquency in full, or
28 unless the owner produces satisfactory evidence that the delinquency does not
29 exist, the purchaser will be bound by the terms of any rental contract entered
30 into by the managing entity with respect to the owner's timeshare or
31 appurtenant use rights.

32 (3) The notice shall state that the owner will remain liable for any difference
33 between the amount of the delinquency and the net amount produced by the
34 rental contract and applied against the delinquency, and the managing entity
35 shall not be required to provide any further notice to the owner regarding any
36 residual delinquency.

37 (4) The managing entity's efforts to secure a rental shall not commence on a date
38 earlier than 10 days after the date of the notice of intent to rent.

39 (5) The managing entity must apply the proceeds of any rental, net of any rental
40 commissions, cleaning charges, travel agent commissions, or any other
41 commercially reasonable charges reasonably and usually incurred by the
42 managing entity in securing rentals to the delinquent owner's account.

43 (6) A managing entity may make a reasonable determination regarding the
44 priority of rentals of timeshares and, if the delinquent owner whose timeshare
45 is rented cannot be specifically determined due to the structure of the
46 timeshare program, the managing entity may allocate any net rental proceeds
47 in any reasonable manner.

48 (7) In securing a rental, the managing entity shall not be required to obtain the
49 highest nightly rental rate available, nor any particular rental rate, and the
50 managing entity shall not be required to rent the entire timeshare or
51 appurtenant rights; however, the managing entity must use reasonable efforts

1 to secure a rental that is commensurate with other rentals of similar timeshares
2 or use rights generally secured at that time.

3 (d) For timeshare estates located in this State, the managing entity shall have a lien on a
4 timeshare for any assessment levied against that timeshare from the date such assessment
5 becomes due. The managing entity shall also have a lien on a timeshare estate of any owner for
6 the cost of any maintenance, repairs, or replacement resulting from an act of the owner or the
7 owner's guest or lessee that results in damage to the timeshare property. All of the following
8 apply to a lien imposed under this section:

9 (1) The managing entity, or the holder of the lien, may bring a judicial action in
10 its name to foreclose the lien in the nature of an action to foreclose a mortgage
11 or deed of trust and may also bring an action to recover a money judgment for
12 the unpaid assessments without waiving any claim of lien. As an alternative
13 to initiating a judicial action, the managing ~~entity~~ entity, or the holder of the
14 lien, may initiate a ~~nonjudicial timeshare trustee~~ foreclosure proceeding
15 pursuant to G.S. 93A-62.1 to foreclose the assessment lien.

16 (2) The lien is effective from the date of and shall relate back to the recording of
17 the original timeshare declaration, or, in the case of lien on a timeshare located
18 in a phase timeshare program, the last to occur of the recording of the original
19 timeshare declaration or amendment creating the timeshare. However, as to
20 first mortgages of record, the lien is effective from and after filing of the claim
21 of lien in the office of the clerk of superior court in the county where the
22 timeshare estate is located.

23 (3) The claim of lien shall state the name of the timeshare program and identify
24 the timeshare for which the lien is effective, state the name of the owner, state
25 the assessment amount due, and state the due dates. The claim of lien shall be
26 signed and acknowledged by an officer or agent of the managing entity or the
27 ~~holder~~ holder of the lien. The claim of lien shall contain the following
28 statement in print that is in boldface, capital letters, and no smaller than the
29 largest print used elsewhere in the document:

30 "THIS DOCUMENT CONSTITUTES A LIEN AGAINST YOUR PROPERTY, AND IF
31 THE LIEN IS NOT PAID, THE ASSOCIATION MAY PROCEED WITH FORECLOSURE
32 AGAINST YOUR TIMESHARE IN THE NATURE OF AN ACTION TO FORECLOSE A
33 MORTGAGE OR DEED OF TRUST OR A TIMESHARE TRUSTEE FORECLOSURE
34 UNDER NORTH CAROLINA LAW."

35 (4) The lien shall expire upon the earlier of:
36 a. The date it is satisfied.
37 b. Five years from the date the claim of lien is filed unless an action to
38 enforce or foreclose the lien is commenced within that time.

39 (5) A claim of lien for assessments may include assessments which are due when
40 the claim is recorded and all assessments that subsequently become due and
41 are delinquent. Upon full payment, the person making the payment is entitled
42 to receive a satisfaction of the lien.

43 (6) A judgment in any judicial action or suit brought to foreclose the claim of lien
44 may include costs and reasonable attorney's fees for the substantially
45 prevailing party. For a timeshare trustee foreclosure brought pursuant to this
46 section, the managing entity or the holder of the lien shall be entitled to
47 recover its costs, including reasonable attorney's fees and trustee's fees.

48 (e) ~~A-Except in the event of a timeshare trustee foreclosure conducted in accordance with~~
49 G.S. 93A-62.1, a successor in interest, regardless of how the timeshare has been acquired,
50 including a purchaser at a judicial sale or foreclosure trustee sale, is jointly and severally liable
51 with their predecessor in interest for all unpaid assessments against the predecessor up to the time

1 of transfer of the timeshare to a successor, without prejudice to any right a successor in interest
2 may have to recover from their predecessor in interest any amounts assessed against the
3 predecessor and paid by the successor; provided, however, a first mortgagee or its successor or
4 assignee who acquires title to a timeshare as a result of the foreclosure of the mortgage or by
5 deed in lieu of foreclosure of the mortgage shall be exempt from liability for all unpaid
6 assessments attributable to the timeshare or chargeable to the previous owner which came due
7 prior to acquisition of title by the first mortgagee. In the event of a timeshare trustee foreclosure,
8 owners who do not object to use of the timeshare trustee foreclosure procedure, as provided in
9 G.S. 93A-62.1(e), shall not be subject to a deficiency judgment even if the proceeds from the
10 sale of the timeshare are insufficient to offset the amounts secured by the lien, and any successor
11 to the owner that acquires title to a timeshare as a result of a timeshare trustee foreclosure under
12 G.S. 93A-62.1 shall be exempt from liability for all unpaid assessments attributable to the
13 timeshare or chargeable to the previous owner that came due prior to acquisition of title by the
14 successor.

15 (f) If the developer agrees to guarantee the level of assessments for the timeshare
16 program for any period of time, the developer may be excused from the payment of the
17 developer's share of the assessments that otherwise would have been assessed against
18 developer-owned timeshares during the guarantee period, provided that the developer guarantees
19 that (i) during the guarantee period the assessments against owner timeshares will not increase
20 over the dollar amount stated in the adopted, good-faith budget of the timeshare program and (ii)
21 the developer will pay any amount by which all common expenses incurred during the guarantee
22 period exceed the total revenues of the timeshare program during the guarantee period."

23 **SECTION 2.** Article 4 of Chapter 93A of the General Statutes is amended by adding
24 a new section to read:

25 **§ 93A-62.1. Procedure for timeshare trustee foreclosure of assessment liens.**

26 (a) This section is intended to provide, as an alternative to judicial foreclosure, a simple
27 and inexpensive method of enforcing payment of assessments, to the knowledge of all persons,
28 and recognize, in authorizing this timeshare trustee foreclosure proceeding, that all persons
29 owning a timeshare know or should know that the assessment lien on their timeshare may be
30 foreclosed and the timeshare sold for failure to pay assessments.

31 (b) A claim of lien complying with the requirements of G.S. 93A-62(d)(3) and subsection
32 (d) of this section must be filed in the office of the clerk of the superior court of the county in
33 which the timeshare is located in the manner provided in this section.

34 (c) No fewer than 15 days prior to filing the claim of lien, the managing entity or the
35 holder of the lien shall mail a statement of the assessment amount due by first-class mail to the
36 owner's address as recorded in the books and records of the timeshare program. If the record
37 owner is a corporation or limited liability company, the statement shall also be sent by first-class
38 mail to the mailing address of the registered agent for the corporation or limited liability
39 company. Notwithstanding any provision of this Chapter to the contrary, there shall be no
40 requirement that notice under this subsection be mailed to an owner's timeshare unit or otherwise
41 posted at the timeshare project. The managing entity or the holder of the lien shall make diligent
42 efforts to ensure that its records contain the unit owner's mailing address.

43 (d) The person signing the claim of lien on behalf of the holder shall attach to and file
44 with the claim of lien a certificate, that has been signed and sworn to or affirmed before a notary
45 public, certifying that notice of the lien was sent to the record owner and those entitled to receive
46 notice, pursuant to both of the following methods: (i) by registered or certified mail, return receipt
47 requested, or by designated delivery service pursuant to 26 U.S.C. § 7502(f)(2) with a delivery
48 receipt requested and (ii) by mailing a copy of the lien by regular, first-class mail, postage prepaid
49 to the owner's known address as recorded in the books and records of the timeshare program. As
50 used in this section, "delivery receipt" includes an electronic or facsimile receipt.

1 (e) The managing entity, holder of the lien, or designated trustee filing the certificate
2 provided for in subsection (h) of this section shall, at least 30 days prior to docketing the
3 judgment, send notice of the assessment lien foreclosure to the owner in the same manner as a
4 claim of lien under subsection (d) of this section to the owner at the owner's known address as
5 recorded in the books and records of the timeshare program and to all lienholders with liens that
6 have attached after the effective date of the timeshare claim of lien filed in accordance with
7 subsection (b) of this section. The notice required by this subsection shall (i) state that a judgment
8 will be docketed and the proposed date of the docketing, (ii) state that the judgment will authorize
9 a sale of the timeshare pursuant to a timeshare trustee foreclosure proceeding, (iii) provide a brief
10 description of the timeshare affected, (iv) include the filing information for the claim of lien if
11 previously filed with the clerk of the superior court, and (v) state that the lien may be satisfied
12 prior to judgment being entered. The notice shall also include an objection form that the owner
13 can use to object to use of the timeshare trustee foreclosure process within 30 days of receipt of
14 the notice by signing and returning the objection form to the managing entity, holder of the lien,
15 or designated trustee, and in such event the lien may thereafter only be foreclosed by filing a
16 judicial foreclosure action. The objection form described in this subsection shall identify the
17 owner, the timeshare interest, and the return address of the trustee and shall state: "The
18 undersigned owner exercises the owner's right to object to the use of the timeshare trustee
19 foreclosure procedure contained in G.S. 93A-62.1." The notice required by this subsection may
20 be combined with the notice of lien required to be given pursuant to subsection (d) of this section
21 and shall also contain a statement in substantially the following form:

22 "You may choose to sign and send to the trustee the enclosed objection form, exercising your
23 right to object to the use of the timeshare trustee foreclosure procedure. Upon the trustee's receipt
24 of your signed objection form, the foreclosure of the lien with respect to the default specified in
25 this notice shall be subject to the judicial foreclosure procedure only. If you do not object to the
26 use of the timeshare trustee foreclosure procedure, you will not be subject to a deficiency
27 judgment, even if the proceeds from the sale of your timeshare interest are insufficient to offset
28 the amounts secured by the lien."

29 (f) If, within 10 days following the mailing of the notice required by subsection (e) of
30 this section, a return receipt or delivery receipt has not been received by the managing entity,
31 holder of the lien, or designated trustee indicating receipt of the notice, then the managing entity,
32 holder of the lien, or designated trustee shall have a notice published in a newspaper of general
33 circulation in the county where the timeshare is located once a week for two consecutive weeks
34 directed to, and naming, all unnotified lienholders and the owner that a judgment will be docketed
35 against the owner.

36 (g) All costs of mailing and publication, plus a charge of two hundred fifty dollars
37 (\$250.00) to defray administrative costs, shall be added to the amount of assessments that are a
38 lien on the timeshare and shall be paid by the owner to the managing entity or holder of the lien
39 at the time the assessments are collected or the timeshare is sold.

40 (h) Except as provided in subsection (s) of this section, no sooner than six months since
41 the indebtedness described in the claim of lien became due and after filing the claim of lien, the
42 managing entity, holder of the lien, or designated trustee may foreclose the lien by filing a
43 certificate, that has been signed and sworn to or affirmed before a notary public, with the clerk
44 of the superior court, showing the following: (i) the record owner of the timeshare on which there
45 is a lien for unpaid assessments, together with the amount of assessments, including taxes,
46 penalties, interest, and costs that are covered by the lien, (ii) the year or years for which the
47 assessments are due, (iii) a description of the timeshare sufficient to permit its identification by
48 parol testimony, and (iv) the filing information for the claim of lien if previously filed with the
49 clerk of the superior court. The fees for docketing and indexing of the certificate assessed
50 pursuant to G.S. 7A-308(a)(11) are payable to the clerk of the superior court at the time the
51 certificate is filed.

1 (i) Immediately upon the docketing and indexing of a certificate as provided in
2 subsection (h) of this section, the assessments, including taxes, penalties, interest, and costs,
3 constitute a valid judgment against the timeshare described in the judgment with the priority
4 provided for claims of lien in G.S. 93A-62(d)(2). The judgment, except as expressly provided in
5 this section, has the same force and effect as a duly rendered judgment of the superior court
6 directing sale of the timeshare for the satisfaction of the assessment lien, and it shall bear interest
7 at an annual rate of eight percent (8%).

8 (j) At any time prior to the issuance of a certificate of sale in accordance with subdivision
9 (8) of subsection (l) of this section, any person entitled to notice under this section may appear
10 before the clerk of superior court and move to set aside the judgment on the ground that the
11 assessment has been paid or that the assessment lien on which the judgment is based is invalid.

12 (k) Upon payment in full of any judgment docketed under this section, together with
13 interest and costs accrued to the date of payment, the managing entity, holder of the lien, or
14 designated trustee receiving payment shall certify the fact of the payment to the clerk of superior
15 court and cancel the judgment.

16 (l) At any time after 30 days and before one year from the indexing of the judgment as
17 provided in subsection (h) of this section, at the request of the managing entity or holder of the
18 lien, the timeshare shall be sold by a trustee in a public auction held in the county in which the
19 timeshare project is located on the date, location, and starting time designated in the notice of
20 sale sent in accordance with this subsection. The trustee's sale shall occur at a location consistent
21 with G.S. 45-21.4. The timeshare trustee foreclosure sale shall be conducted in accordance with
22 the following:

23 (1) The managing entity or the holder of the lien shall appoint a trustee, who shall
24 conduct the sale and act as the auctioneer. The appointment of the trustee shall
25 be included in the claim of lien or the certificate. The managing entity or the
26 holder of the lien, at its option, may from time to time remove a trustee
27 previously appointed and appoint a successor trustee by filing a substitution
28 of trustee with the clerk of superior court. Counsel for the managing entity or
29 for the holder of the lien may be appointed by the managing entity or by the
30 holder of the lien to serve as the trustee and may serve in that capacity as long
31 as the owner does not contest the obligation to pay the amount of any sums
32 due the managing entity or the holder of the lien, or the validity, enforcement,
33 or foreclosure of the claim of lien as provided in subsection (e) of this section.
34 A trustee appointed pursuant to this subsection shall have the same fiduciary
35 duties and obligations as a trustee in the foreclosure of a deed of trust and is a
36 neutral third party. While serving as trustee in the foreclosure proceeding, a
37 trustee may not advocate for the managing entity or the holder of the lien or
38 the owner of the timeshare subject to foreclosure. The trustee shall be entitled
39 to a commission for services rendered which shall include fees, costs, and
40 expenses reasonably incurred by the trustee in connection with the timeshare
41 trustee foreclosure procedure, whether or not a sale is held. The trustee's
42 commission shall be paid without regard to any limitations on compensation
43 otherwise provided by law, including, without limitation, the provisions of
44 G.S. 45-21.15. The trustee may use a third party to conduct the sale on behalf
45 of the trustee and the trustee is liable for the conduct of the sale and the actions
46 of the third party with respect to the conduct of the sale.

47 (2) At least 30 days prior to the day fixed for the timeshare trustee foreclosure,
48 the trustee shall send notice by registered or certified mail, return receipt
49 requested, or by designated delivery service pursuant to 26 U.S.C. §
50 7502(f)(2) with a delivery receipt requested, to the owner at the owner's
51 known address as recorded in the books and records of the timeshare program,

1 in lieu of personal service, and to all lienholders that received notice under
2 subsection (e) of this section. If within 10 days following the mailing of the
3 notice of the sale a return receipt or delivery receipt has not been received by
4 the trustee indicating receipt of the notice, then the trustee shall have notice
5 published in a newspaper in the same manner as described in subsection (f) of
6 this section.

7 (3) The notice of sale shall contain at least all of the following:

- 8 a. The name and address of the owner and any junior interest holders.
9 b. The legal description of the timeshare.
10 c. The name and address of the trustee.
11 d. A description of the default that is the basis for the judgment.
12 e. The filing information for the claim of lien and judgment.
13 f. The amounts secured by the lien and a per diem amount to account for
14 further accrual of the amounts secured by the lien.
15 g. The date, location, and starting time of the trustee's sale.
16 h. The right and method by which the owner may cure the default and the
17 right of any junior interest holder to redeem its interest up to the date
18 the trustee issues a certificate of sale in accordance with subdivision
19 (8) of this subsection.

20 (4) The trustee shall add to the amount of the judgment as costs of the sale any
21 postage or advertising expenses incurred by the managing entity, holder of the
22 lien, or designated trustee in foreclosing under this section.

23 (5) The managing entity, holder of the lien, and any other person other than the
24 trustee may bid at the sale. In lieu of participating in the sale, the lienholder
25 may send the trustee written bidding instructions that the trustee shall
26 announce as appropriate during the sale.

27 (6) The trustee may postpone the sale from time to time. In such case, notice of
28 postponement must be given by the trustee at the date, time, and location
29 contained in the notice of sale. The notice of postponed sale shall be given in
30 accordance with subdivision (2) of this subsection.

31 (7) The highest bidder at the sale shall pay the price bid to the trustee in cash or
32 certified funds on the day of the sale. If the managing entity or holder of the
33 lien is the highest bidder, the lienholder shall receive a credit up to the amount
34 set forth in the notice of sale, as described in subdivision (3) of this subsection.

35 (8) On the date of sale and upon receipt of the cash or certified funds due from
36 the highest bidder, the trustee shall issue to the highest bidder a certificate of
37 sale stating that a foreclosure conforming to the requirements of this section
38 has occurred. The certificate shall include the time, location, and date of the
39 sale, that the timeshare was sold, the amounts secured by the lien, and the
40 amount of the highest bid. A copy of the certificate shall be mailed by
41 first-class mail to the owner's address as recorded in the books and records of
42 the timeshare program. Upon issuance of a certificate of sale, all rights of
43 redemption are foreclosed and shall terminate.

44 (m) A sale conducted under this section releases the owner from liability for all amounts
45 secured by the lien. The managing entity or holder of the lien have no right to a deficiency
46 judgment against the owner after a sale of the owner's timeshare under this section.

47 (n) Within 10 calendar days after the trustee conducts a sale under this section, the trustee
48 shall execute and file with the clerk of superior court, a certificate of compliance that has been
49 signed and sworn to or affirmed before a notary public. In furtherance of the execution of the
50 certificate of compliance required under this subsection, the trustee is entitled to rely upon an
51 affidavit or certification from the managing entity or holder of the lien as to the facts and

1 circumstances of default and failure to cure the default. The certificate of compliance shall
2 contain the following:

3 (1) A confirmation of delivery of the claim of lien and notice of timeshare trustee
4 foreclosure.

5 (2) A statement that the default was not cured prior to the sale, that the trustee did
6 not receive any written objection under subsection (e) of this section, and that
7 the timeshare was not redeemed under sub-subdivision h. of subdivision (3)
8 of subsection (l) of this section.

9 (3) A confirmation that the notice of sale was delivered to the owner or published
10 prior to the sale.

11 (o) At least 10 calendar days after a sale conducted under this section, absent the prior
12 filing and service on the trustee of a judicial action to enjoin issuance of the trustee's deed to the
13 highest bidder, the trustee shall issue a trustee's deed to the highest bidder and record the trustee's
14 deed in the public records of the county in which the timeshare is located. The trustee's deed shall
15 include the name and address of the trustee, the name and address of the highest bidder, the name
16 of the former owner, and a legal description of the timeshare. The trustee's deed shall contain no
17 warranties of title from the trustee. The trustee's deed conveys to the highest bidder all rights,
18 title, and interest in the timeshare that the former owner had, or had the power to convey, at the
19 time of the recording of the claim of lien, together with all rights, title, and interest that the former
20 owner or the owner's successors in interest acquired after the recording of the claim of lien.

21 (p) The trustee shall apply the proceeds of the sale as follows:

22 (1) To the expenses of the sale, including compensation of the trustee in
23 accordance with this section.

24 (2) To the amount owed and set forth in the notice of sale.

25 (3) If there are junior interest holders, the trustee may pay the surplus to the clerk
26 of superior court, naming the competing junior interest holders, and the
27 payment to the clerk discharges the managing entity, holder of the lien, or
28 trustee from liability to the extent of the amount paid. A special proceeding
29 may be instituted in accordance with G.S. 45-21.32 to determine who may be
30 entitled to the surplus.

31 (4) If there are no junior interest holders, or if all junior interest holders have been
32 paid, any surplus shall be paid to the former owner.

33 (q) The certificate of compliance and the trustee's deed together are presumptive evidence
34 of the truth of the matters set forth in them, and action to set aside the sale and void the trustee's
35 deed may not be filed or otherwise pursued against any person acquiring the timeshare interest
36 for value. The issuance and recording of the trustee's deed is presumed valid and may be relied
37 upon by third parties without actual knowledge of irregularities in the foreclosure proceedings.
38 If for any reason there is an irregularity in the foreclosure proceedings, a purchaser becomes
39 subrogated to all the rights of the lienholder to the indebtedness that it secured to the extent
40 necessary to re-foreclose the assessment lien in order to correct the irregularity and becomes
41 entitled to an action de novo for foreclosure of such assessment lien. Any subsequent
42 re-foreclosure required to correct an irregularity may be conducted under G.S. 93A-62.1.

43 (r) The managing entity, holder of the lien, or designated trustee may combine the claim
44 of lien, certificate, notice of sale, certificate of compliance, published notices and other
45 documents part of the timeshare trustee foreclosure procedure against timeshares of different
