Sponsors: Senators Lee, Moffitt, and Overcash (Primary Sponsors).

Referred to:

A BILL TO BE ENTITLED
AN ACT TO ALLOW THE SITING OF SCHOOLS VIA SPECIAL USE PERMIT FOR
AREAS ZONED FOR COMMERCIAL USE; TO CLARIFY THAT USE RIGHTS ON
PROPERTY ARE NOT EXTINGUISHED BY THE APPROVAL OF ADDITIONAL USE
RIGHTS; AND TO ELIMINATE MUNICIPAL EXTRATERRITORIAL JURISDICTION.
The General Assembly of North Carolina enacts:

PART I. SCHOOLS A PERMITTED USE IN COMMERCIAL ZONES

SECTION 1.1. Part 1 of Article 9 of Chapter 160D of the General Statutes is amended by adding a new section to read:

"§ 160D-917. Public school sites in commercial zones.

In areas zoned for commercial use, zoning regulations shall permit, by right or by special use, the siting of a school building that is primarily used for the instruction of students and is under the control of a public school unit as defined in G.S. 115C-5."

SECTION 1.2. This Part is effective when it becomes law.

PART II. CLARIFY EXISTING USE RIGHTS ON PROPERTY

SECTION 2.1. G.S. 160D-108 reads as rewritten:

"§ 160D-108. Permit choice and vested rights.

...

(c) Vested Rights. – Amendments in land development regulations are not applicable or enforceable without the written consent of the owner with regard to any of the following:

- (1) Buildings or uses of buildings or land for which a development permit application has been submitted and subsequently issued in accordance with G.S. 143-755.
- (2) Subdivisions of land for which a development permit application authorizing the subdivision has been submitted and subsequently issued in accordance with G.S. 143-755.
- (3) A site-specific vesting plan pursuant to G.S. 160D-108.1.
- (4) A multi-phased development pursuant to subsection (f) of this section.
- (5) A vested right established by the terms of a development agreement authorized by Article 10 of this Chapter.

The establishment of a vested right under any subdivision of this subsection does not preclude vesting under one or more other subdivisions of this subsection or vesting by application of common law principles. A vested right, once established as provided for in this section or by common law, precludes any action by a local government that would change, alter, impair,

prevent, diminish, or otherwise delay the development or use of the property allowed by the applicable land development regulation or regulations, except where a change in State or federal law mandating local government enforcement occurs after the development application is submitted that has a fundamental and retroactive effect on the development or use. A vested right obtained by permit or other local government approval shall not preclude the use or extinguish the existence of any other vested right or use by right attached to the property.

...."

SECTION 2.2. G.S. 160D-705 reads as rewritten:

"§ 160D-705. Quasi-judicial zoning decisions.

...

(c) Special Use Permits. – The regulations may provide that the board of adjustment, planning board, or governing board hear and decide special use permits in accordance with principles, conditions, safeguards, and procedures specified in the regulations. Reasonable and appropriate conditions and safeguards may be imposed upon these permits. Where appropriate, such conditions may include requirements that street and utility rights-of-way be dedicated to the public and that provision be made for recreational space and facilities. Conditions and safeguards imposed under this subsection shall not include requirements for which the local government does not have authority under statute to regulate nor requirements for which the courts have held to be unenforceable if imposed directly by the local government, including, without limitation, taxes, impact fees, building design elements within the scope of G.S. 160D-702(b), driveway-related improvements in excess of those allowed in G.S. 136-18(29) and G.S. 160A-307, or other unauthorized limitations on the development or use of land.

The regulations may provide that defined minor modifications to special use permits that do not involve a change in uses permitted or the density of overall development permitted may be reviewed and approved administratively. Any other modification or revocation of a special use permit shall follow the same process for approval as is applicable to the approval of a special use permit. If multiple parcels of land are subject to a special use permit, the owners of individual parcels may apply for permit modification so long as the modification would not result in other properties failing to meet the terms of the special use permit or regulations. Any modifications approved apply only to those properties whose owners apply for the modification. The regulation may require that special use permits be recorded with the register of deeds. If a special use permit expires and does not vest, the current zoning classification or regulation for the property applies.

...."

SECTION 2.3. G.S. 160D-203 reads as rewritten:

"§ 160D-203. Split jurisdiction.

(a) If a parcel of land lies within the planning and development regulation jurisdiction of more than one local government, for the purposes of this Chapter, the local governments may, by mutual agreement pursuant to Article 20 of Chapter 160A of the General Statutes and with the written consent of the landowner, assign exclusive planning and development regulation jurisdiction under this Chapter for the ~~entire parcel land~~, including all development phases on the land, to any one of those local governments.

(b) In the event no mutual agreement or written consent under subsection (a) of this section exists, the landowner of land lying within the planning and development regulation jurisdiction of more than one local government may elect the planning and development regulations of the local government where the majority of the total acreage of the parcel of land is situated.

~~(c) Such a mutual agreement~~ This section shall only be applicable to planning and development regulations and shall not affect taxation or other nonregulatory matters. The mutual agreement under subsection (a) of this section shall be evidenced by a resolution formally adopted by each governing board and recorded with the register of deeds in the every county where the property land is located within 14 days of the adoption of the last required resolution.

(d) For the purposes of this section, "landowner" means all titleholders of record owning an interest in the land.

SECTION 2.4. This Part is effective when it becomes law.

PART III. REMOVE EXTRATERRITORIAL JURISDICTION AUTHORITY

SECTION 3.1.(a) G.S. 160D-201 reads as rewritten:

"§ 160D-201. Planning and development regulation jurisdiction.

(a) Cities. – All of the powers granted by this Chapter may be exercised by any city within its corporate limits ~~and within any extraterritorial area established pursuant to G.S. 160D-202.limits.~~

...."

SECTION 3.1.(b) G.S. 160D-202 reads as rewritten:

"§ 160D-202. ~~Municipal extraterritorial~~ Transfer or relinquishment of jurisdiction.

(a) ~~Geographic Scope. — Any city may exercise the powers granted to cities under this Chapter within a defined area extending not more than one mile beyond its contiguous corporate limits. In addition, a city of 10,000 or more population but less than 25,000 may exercise these powers over an area extending not more than two miles beyond its limits and a city of 25,000 or more population may exercise these powers over an area extending not more than three miles beyond its limits. In determining the population of a city for the purposes of this Chapter, the city council and the board of county commissioners may use the most recent annual estimate of population as certified by the Secretary of the North Carolina Department of Administration. Pursuant to G.S. 160A-58.4, extraterritorial municipal planning and development regulation may be extended only from the primary corporate boundary of a city and not from the boundary of satellite areas of the city.~~

(b) ~~Authority in the Extraterritorial Area. — A city may not exercise any power conferred by this Chapter in its extraterritorial jurisdiction that it is not exercising within its corporate limits. A city may exercise in its extraterritorial area all powers conferred by this Chapter that it is exercising within its corporate limits. If a city fails to extend a particular type of development regulation to the extraterritorial area, the county may elect to exercise that particular type of regulation in the extraterritorial area.~~

(c) ~~County Approval of City Jurisdiction. — Notwithstanding subsection (a) of this section, no city may extend its extraterritorial powers into any area for which the county has adopted and is enforcing county zoning and subdivision regulations. However, the city may do so where the county is not exercising both of these powers, or when the city and the county have agreed upon the area within which each will exercise the powers conferred by this Chapter. No city may extend its extraterritorial powers beyond one mile from its corporate limits without the approval of the board or boards of county commissioners with jurisdiction over the area.~~

(d) ~~Notice of Proposed Jurisdiction Change. — Any municipality proposing to exercise extraterritorial jurisdiction under this Chapter shall notify the owners of all parcels of land proposed for addition to the area of extraterritorial jurisdiction, as shown on the county tax records. The notice shall be sent by first class mail to the last addresses listed for affected property owners in the county tax records. The notice shall inform the landowner of the effect of the extension of extraterritorial jurisdiction, of the landowner's right to participate in a legislative hearing prior to adoption of any ordinance extending the area of extraterritorial jurisdiction, as provided in G.S. 160D-601, and of the right of all residents of the area to apply to the board of county commissioners to serve as a representative on the planning board and the board of adjustment, as provided in G.S. 160D-303. The notice shall be mailed at least 30 days prior to the date of the hearing. The person or persons mailing the notices shall certify to the city council that the notices were sent by first class mail, and the certificate shall be deemed conclusive in the absence of fraud.~~

(e) ~~Boundaries.~~—Any council exercising extraterritorial jurisdiction under this Chapter shall adopt an ordinance specifying the areas to be included based upon existing or projected urban development and areas of critical concern to the city, as evidenced by officially adopted plans for its development. A single jurisdictional boundary shall be applicable for all powers conferred in this Chapter. Boundaries shall be defined, to the extent feasible, in terms of geographical features identifiable on the ground. Boundaries may follow parcel ownership boundaries. A council may, in its discretion, exclude from its extraterritorial jurisdiction areas lying in another county, areas separated from the city by barriers to urban growth, or areas whose projected development will have minimal impact on the city. The boundaries specified in the ordinance shall at all times be drawn on a map, set forth in a written description, or shown by a combination of these techniques. This delineation shall be maintained in the manner provided in G.S. 160A-22 for the delineation of the corporate limits and shall be recorded in the office of the register of deeds of each county in which any portion of the area lies.

~~Where the extraterritorial jurisdiction of two or more cities overlaps, the jurisdictional boundary between them shall be a line connecting the midway points of the overlapping area unless the city councils agree to another boundary line within the overlapping area based upon existing or projected patterns of development.~~

(f) ~~County Authority Within City Jurisdiction.~~ – The county may, on request of the city council, exercise any or all of ~~these~~the powers granted in this Chapter in any or all areas lying within the city's corporate limits ~~or within the city's specified area of extraterritorial jurisdiction.~~limits.

(g) ~~Transfer of Jurisdiction.~~ – When a city ~~annexes,~~annexes or a new city is incorporated ~~in, or a city extends its jurisdiction to include, in~~ an area that is currently being regulated by the county, the county development regulations and powers of enforcement shall remain in effect until (i) the city has adopted such development regulations or (ii) a period of 60 days has elapsed following the ~~annexation, extension,~~annexation or incorporation, whichever is sooner. Prior to the transfer of jurisdiction, the city may hold hearings and take any other measures consistent with G.S. 160D-204 that may be required in order to adopt and apply its development regulations for the area at the same time it assumes jurisdiction.

(h) ~~Relinquishment of Jurisdiction.~~ – When a city relinquishes jurisdiction over an area that it is regulating under this Chapter to a county, the city development regulations and powers of enforcement shall remain in effect until (i) the county has adopted such development regulation or (ii) a period of 60 days has elapsed following the action by which the city relinquished jurisdiction, whichever is sooner. Prior to the transfer of jurisdiction, the county may hold hearings and take other measures consistent with G.S. 160D-204 that may be required in order to adopt and apply its development regulations for the area at the same time it assumes jurisdiction.

(i) ~~Process for Local Government Approval.~~ – When a local government is granted powers by this section subject to the request, approval, or agreement of another local government, the request, approval, or agreement shall be evidenced by a formally adopted resolution of the governing board of the local government. Any such request, approval, or agreement can be rescinded upon two years' written notice to the other governing boards concerned by repealing the resolution. The resolution may be modified at any time by mutual agreement of the governing boards concerned.

(j) ~~Local Acts.~~—~~Nothing in this section shall repeal, modify, or amend any local act that defines the boundaries of a city's extraterritorial jurisdiction by metes and bounds or courses and distances.~~

(k) ~~Effect on Vested Rights.~~ – Whenever a city or county, pursuant to this section, acquires jurisdiction over a territory that theretofore has been subject to the jurisdiction of another local government, any person who has acquired vested rights in the surrendering jurisdiction may exercise those rights as if no change of jurisdiction had occurred. The city or county acquiring

jurisdiction may take any action regarding such a development approval, certificate, or other evidence of compliance that could have been taken by the local government surrendering jurisdiction pursuant to its development regulations. Except as provided in this subsection, any building, structure, or other land use in a territory over which a city or county has acquired jurisdiction is subject to the development regulations of the city or county."

SECTION 3.1.(c) G.S. 160D-307 is repealed.

SECTION 3.1.(d) G.S. 160D-602 reads as rewritten:

"§ 160D-602. Notice of hearing on proposed zoning map amendments.

(a) Mailed Notice. – Subject to the limitations of this Chapter, an ordinance shall provide for the manner in which zoning regulations and the boundaries of zoning districts are to be determined, established, and enforced, and from time to time amended, supplemented, or changed, in accordance with the provisions of this Chapter. The owners of affected parcels of land and the owners of all parcels of land abutting that parcel of land shall be mailed a notice of the hearing on a proposed zoning map amendment by first-class mail at the last addresses listed for such owners on the county tax abstracts. For the purpose of this section, properties are "abutting" even if separated by a street, railroad, or other transportation corridor. This notice must be deposited in the mail at least 10 but not more than 25 days prior to the date of the hearing. ~~If the zoning map amendment is being proposed in conjunction with an expansion of municipal extraterritorial planning and development regulation jurisdiction under G.S. 160D-202, a single hearing on the zoning map amendment and the boundary amendment may be held. In this instance, the initial notice of the zoning map amendment hearing may be combined with the boundary hearing notice and the combined hearing notice mailed at least 30 days prior to the hearing.~~
