

Public Schools of North Carolina

North Carolina Department of Public Instruction Overview

LRC COMMITTEE ON INTELLECTUAL
AND
DEVELOPMENTAL DISABILITIES (IDD)

Bill Hussey
Director, Exceptional Children Division
February 6, 2018

EDUCATIONAL DEFINITION OF IDD

Intellectual Disabilities:

- Significantly subaverage general intellectual functioning that adversely affects a child's educational performance existing concurrently with deficits in adaptive behavior and manifested during the developmental period.
 - Mild
 - Moderate**
 - Severe**

Developmental Disabilities:

- Individuals with Disabilities Education Act (IDEA) does not include a Developmental Disabilities category of eligibility.
- IDEA Eligibility categories that may serve students with chronic conditions that are due to mental or physical impairments include:
 - Multiple Disabilities**
 - Orthopedic Impairments**
 - Other Health Impaired**
 - Deaf-Blindness**
