

# **NC Community Colleges Campus Security**

**Presentation to the  
Joint Legislative Emergency Management  
Oversight Committee  
January 18, 2018**

# 58 Main Campuses

# 124 Remote Locations

# Community College Law Enforcement

- **Per § 115D-21.1 the board of trustees of any community college may establish a campus law enforcement agency**
- **Has all the powers of law enforcement officers**
- **May enter into joint agreements with municipality or county**

# Community College Security Funding

- Per § 115D-32, **counties** have the primary responsibility to support campus security
- Fifty-seven colleges use county funds for campus security (2017 survey)
- 1E SBCCC 700.4 authorizes colleges to charge students a **College Access, Parking, and Security (CAPS) Fee**.
- Thirty-six colleges use the student fee for campus security (2017 survey)

# State Funds

- Session Law 2009-451, Sec. 8.17(a) granted the State Board the authority to allow colleges limited flexibility to use **State** funds for campus security
- 2009 through 2015-16, the State Board authorized **up to 2%** of institutional support funds for campus security
- Based on campus security survey and college request, beginning in **FY 2016-17**, the State Board authorized colleges to use **up to 3%** of institutional support funds

# State Funds Used for Campus Security

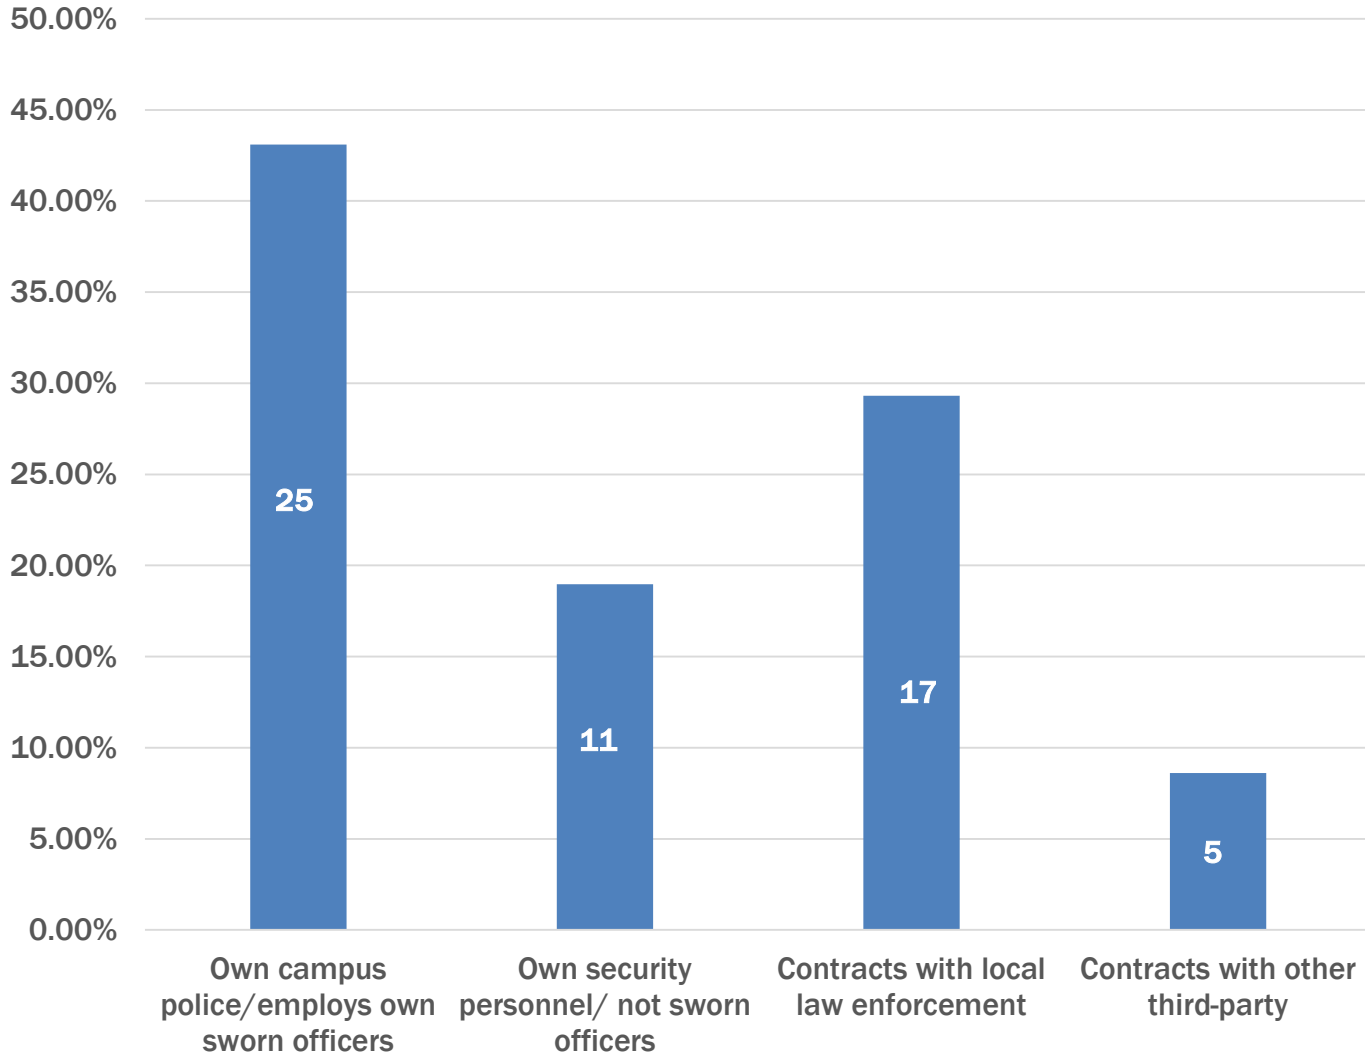

- **Funds may be used to:**
  - Hire security or campus police personnel
  - Contract for professional security services & other security-related services
  - Purchase surveillance cameras, call boxes, alert systems, and other equipment-related expenditures, excluding vehicles
- **Forty-one colleges use state funds for campus security needs (2017 survey).**

# Campus Security Concerns

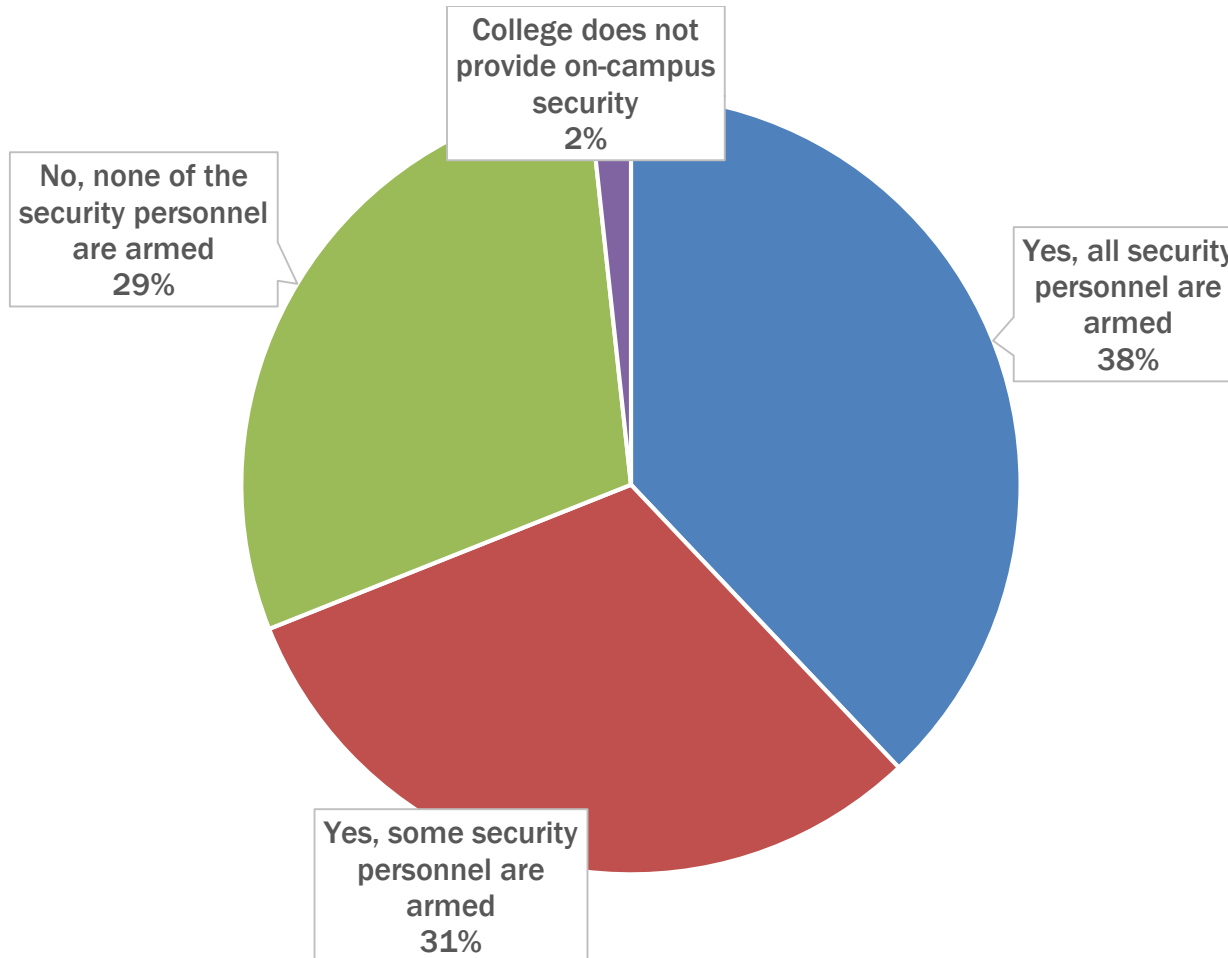

- 1. Active shooter/intruder/ disgruntled party**
- 2. Open nature of campus, insufficient equipment, security, training, or evacuation paths**
- 3. Domestic violence**
- 4. Weather or fire**
- 5. Terrorism/extremism**
- 6. Theft**
- 7. Cyber attack**

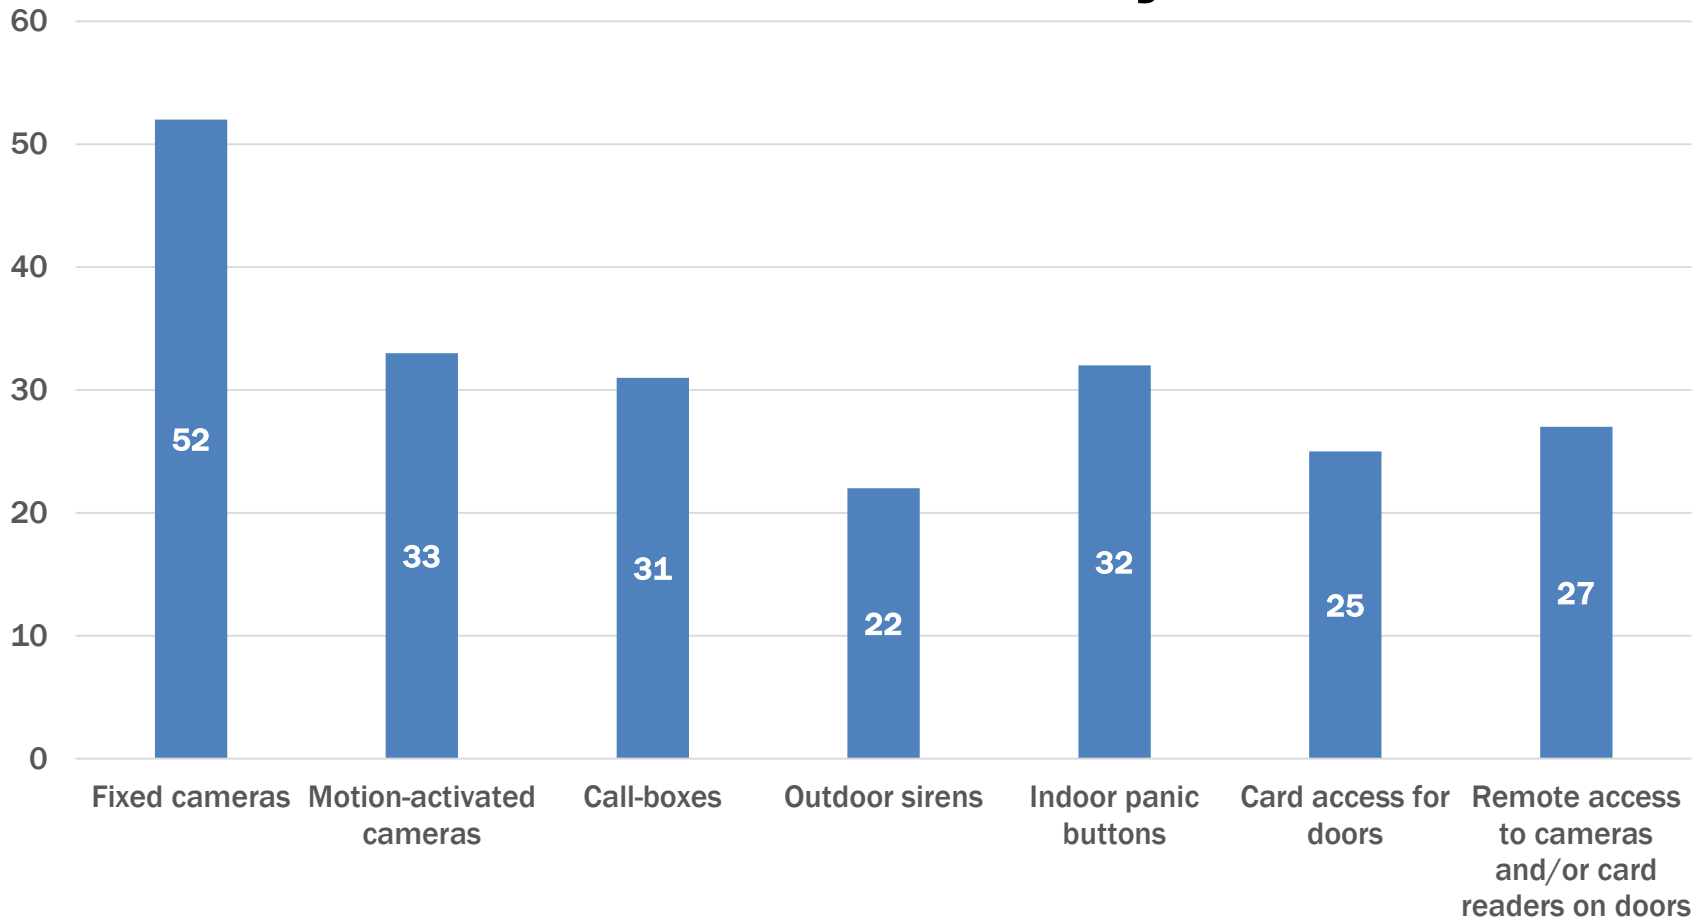

# Primary Security

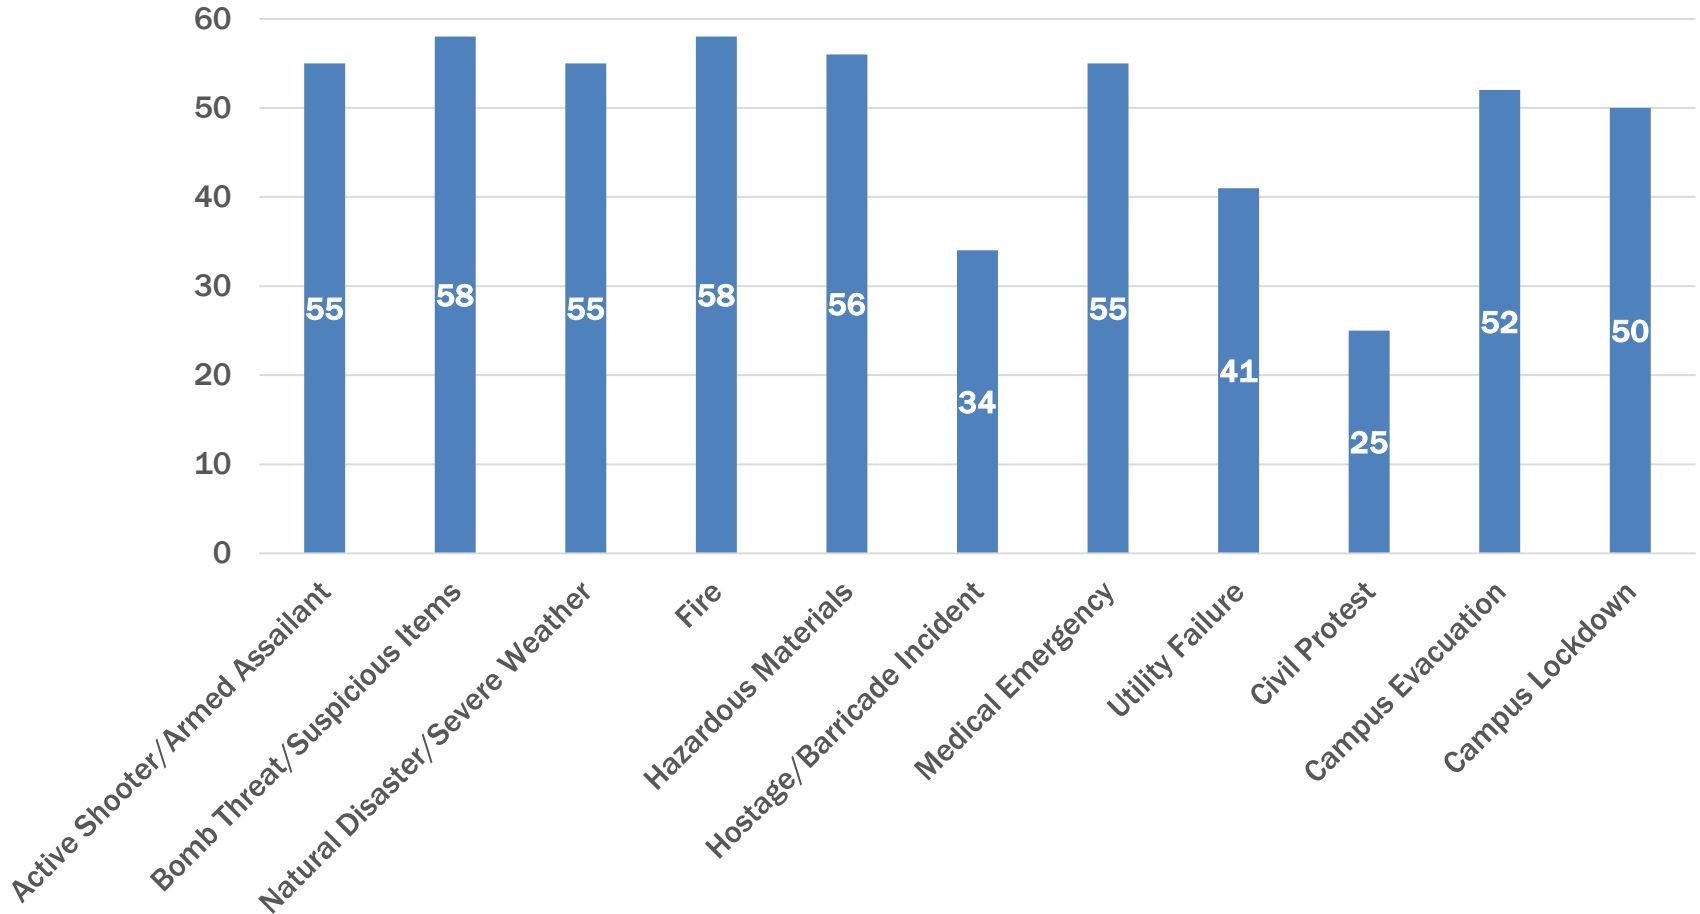

# Armed Security Personnel

# Security Equipment Currently In Use

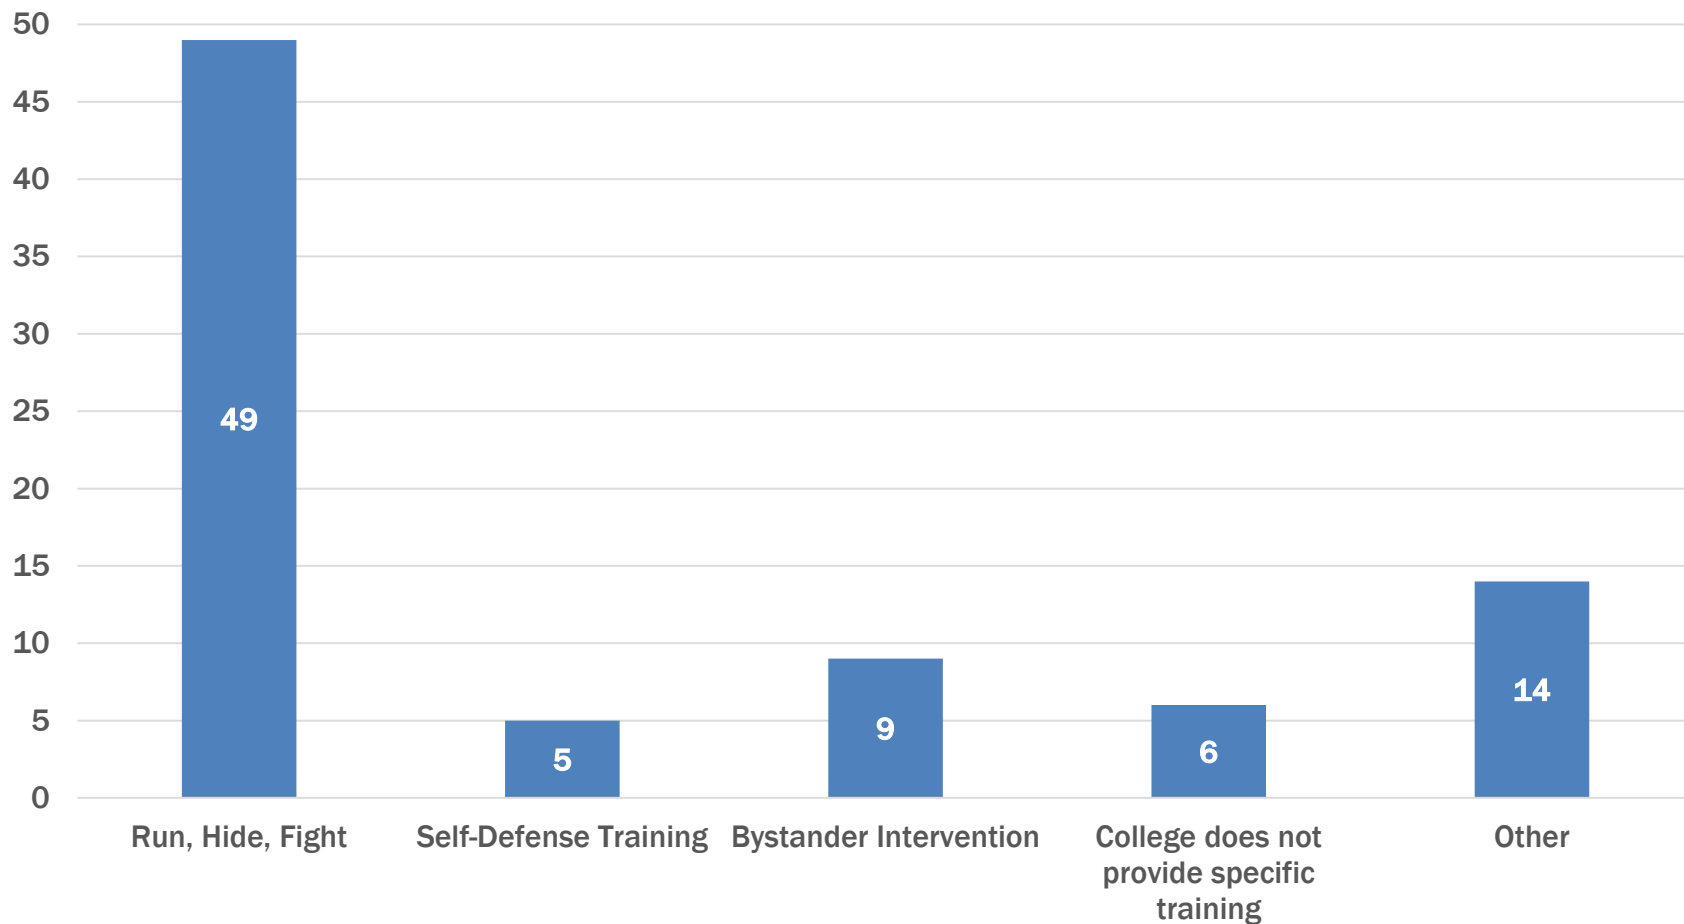

# Security/Emergency Response Plans

# Security Information - Students and Staff

- **Most colleges provide security/emergency response information to faculty and staff at new employee orientation (46 colleges) and at faculty and staff meetings (53 colleges)**
- **Students receive information at new student orientation (38 colleges)**
- **Colleges also provide information via the web (22 colleges) and at requested group training (46 colleges)**

# Training Provided

# Security Drills

- **Majority of colleges perform security drills at least annually**
  - **52% perform drills 2 to 3 times annually**
  - **28% perform drills 4 or more times annually**

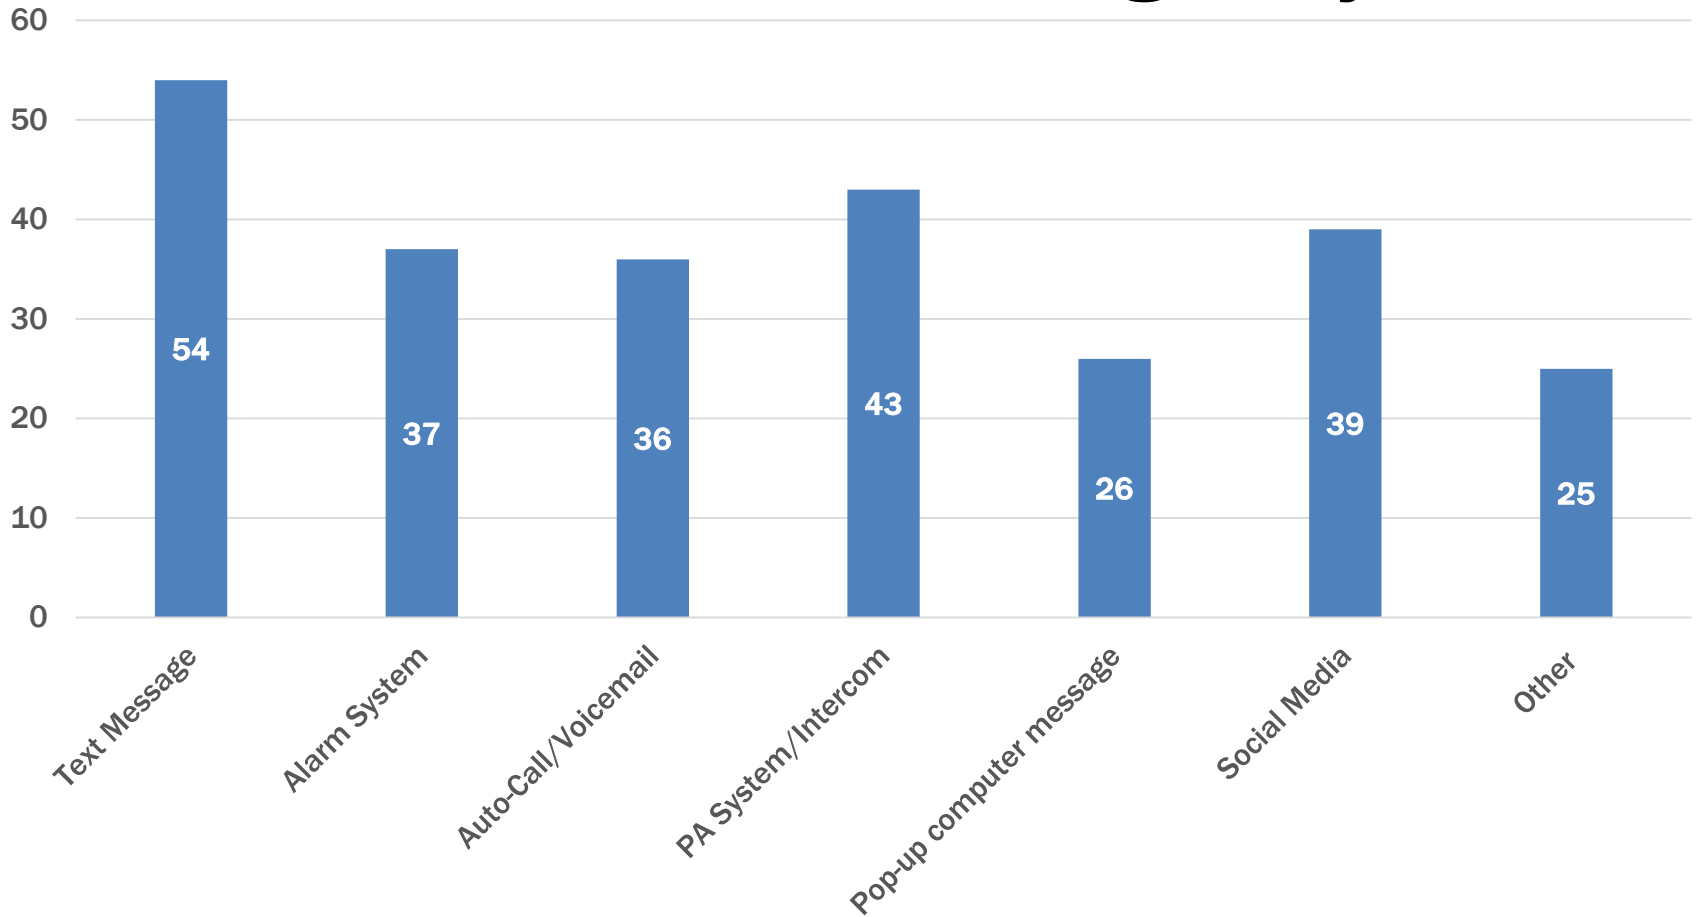

# Security Drills

Type of Security Drill	Number of Colleges
Active Shooter	41
Bomb Threat/Suspicious Items	14
Natural Disaster/Severe Weather	31
Fire	45
Hazardous Materials	14
Hostage/Barricade Incident	15
Medical Emergency	21

# Security Drills – External Resources Used

External Resources	Number of Colleges
Local Law Enforcement	47
EMT	27
Fire and Rescue	39
Local Emergency Management	35
Other	7

# Communicating An Emergency

# Challenges

- **Strengths**
  - Strong working relationships with local emergency responders
  - Greater awareness and focus on campus security issues
- **Challenges**
  - Need for additional equipment
  - Staffing levels
