Disabilities, and Substance Abuse Services, the sum of six million dollars ($6,000,000)

SECTION 1.3.(b) The Department shall encourage the conversion of the remaining non-single-stream LMEs to single-stream funding as soon as possible. The Department shall also develop standards for the removal of single-stream designation for those LMEs that do not continue to comply with the applicable requirements for single-stream funding.

SECTION 1.6. The Department of Health and Human Services shall determine why there have been under- and over-expenditure of State service dollars by LMEs and shall take the action necessary to address the problem. In making its determination the Department shall consult with LMEs and providers.
