

Joint Appropriations Subcommittee on Education

Information Requested by Committee Members

Education Sector: Community Colleges

Committee Question: The Committee requested information on the total amount of fees collected by the Manufacturing Solutions Center (formerly, Hosiery Technology Center) of Catawba Valley Community College.

Answer: In FY 2009-10, total receipts for the Center were \$1,087,974. Total expenditures for the same period were \$1,622,874, of which receipts made up approximately 67%.
