*Legal Aid of North Carolina (LANC) is a statewide, nonprofit/law firm that provides free legal services in civil matters to low-income people all one hundred counties in North Carolina, in order to ensure equal access to justice and to remove legal barriers to economic opportunity.*

LANC serves households with legal issues in housing, public benefits, family integrity, consumer, employment, education, and community economic development. We also serve victims of domestic violence, seniors, and families facing foreclosure whose income qualifications are slightly different. Persons living in poverty not only lack a living wage, but many have health and literacy challenges that severely limit their economic opportunities. In turn, these factors affect the options available to them as they try to resolve legal problems, often without legal representation.

LANC serves all one hundred counties of the state. Our primary client base comprises the very poorest: generally households with incomes falling below 125% of the federal poverty guidelines (FPG); slightly more than \$29,000 per year for a household of four. Our general client base comes from the roughly 3.75 million people, approximately 39% of the state's general population, falling at or below 200% of the FPG.

The poverty population in North Carolina has increased in the last ten years. The latest census statistics indicate that the state's poverty rate is 17.6% and North Carolina now has over 1.66 million people living at or below the FPG. Over 2.2 million of the state's population lives on incomes at or below 125% of the FPG. These figures include over 206,000 seniors, 712,000 children; and 324,000 families with children. About 7.9% are considered in extreme poverty and have incomes below 50% of the FPG. Over 19.6% of households are food insecure. Over 606,000 households pay more than 30% of income on housing and just over 12,000 people are homeless; yet only 136,700 households receive federal rental assistance. Contrary to conventional wisdom, only 40,905 of these many poor households in our state receive TANF, which traditionally is "welfare." Nearly 104,000 individuals who worked fulltime remained in poverty. The majority of the households living in poverty are headed by females. The median gross annual income of LANC clients remains approximately \$12,000, significantly less than the living wage annual income of \$41,920 for a four-person household and the \$45,906 state median income. Poverty is not constrained by geography, and the poor live in both urban and rural areas. North Carolina is about 66.1 % urban and 33.9% rural. The major urban areas have experienced a 60% increase in population since 2000.

LANC makes every effort to provide the highest quality legal advice and representation to our clients. As a civil Legal services provider, we make every effort to ensure that our work ameliorates poverty and creates economic opportunity for those most in need.

With our staff attorneys, along with paralegals and support staff, each year we provide direct legal assistance to approximately 25,000 households and legal education and outreach clinics information to an additional 25,000 households. LANC focuses its legal practice on critical basic needs: housing, consumer, public benefits, family, education, employment, health care, and elder law. LANC also employs statewide, special provider units that address specific issues: Advocates for Children's Services specializes in education issues and combating the

School to Prison Pipeline. The Domestic Violence Prevention Initiative and Battered Immigrant Project focus on protecting victims of abuse and reducing the incidence of domestic violence. The Child's Advocate protects children and resolves complex, high-conflict custody matters. The Mortgage Foreclosure Project protects homes from abusive lending and loan servicing practices-the project is a multi-partner project with a thousand open cases on any given day. The Senior Law Project and its toll-free hotline focus on the needs of the 240,000 seniors in poverty in our state. The Fair Housing Project works across the state to educate renters, owners, and landlords in order to fight housing discrimination in all its forms.

LANC settles about 65% of its cases without litigation. When it goes to court however, it prevails over 90% of the time. When litigation is the best legal strategy for the client, LANC has a highly trained and experienced staff that is prepared to go to court to fight for its clients rights. LANC zealously litigates cases in every forum and at every level in the state and federal courts, including jury trials and through appeal in all jurisdictions. LANC's legal advocacy also includes community education and outreach, consultations, and negotiation before litigation. We employ an informative website that permits clients to gain knowledge about legal issues and to contact any office in the state for direct help or for local pro se information. We also employ social media tools such as Facebook, Twitter, and e-newsletters. Much of our Helpline, our call center, work involves specific legal advice to address important legal issues or some brief service before litigation is pursued. The Helpline receives 50,000 calls each year and helps thousands of clients navigate the court system and resolve legal problems.

LANC continually works to expand access to justice: In 2014, LANC began a directed expansion of its work with veterans. We trained and certified approximately 30 advocates on veterans law. We participate in veterans "Standown" outreach events all over the state. LANC is part of the Veterans Pro Bono Network, which includes the North Carolina Bar Association and the state's law schools. We focus not only on veterans' benefits, but we strive to serve comprehensive legal needs, including issues affecting veterans' abilities to obtain employment and decent housing. In the past year, LANC directly served over 1,600 veterans as clients and over 2,100 households in which a veteran was a member. The second project is what we call "Second Chance" or, sometimes, "Re-entry." Re-entry advocacy helps clients to clean-up arrest, conviction, and discharge records so that they again can qualify for employment and decent housing. Removing barriers to employment helps reduce the rate of recidivism for those, mostly, young men who have earned an opportunity for a second chance. We closed nearly 1500 such cases in 2015. The third project of note is called "Lawyer on the Line (LOL)." The LANC Helpline, the name of our toll-free call center that receives 2000 calls per month. The Helpline provides first-rate legal advice or brief service in situations where the client needs actual legal assistance but may not need to go to court right away. Lawyer on the Line is the project that recruits lawyers from the private bar to provide free consultations on poverty law issues to eligible clients. The average LOL case requires about two and one-half hours. LOL has recruited nearly one thousand lawyers and served over 3,000 clients.

Other noteworthy projects: Our Mortgage Foreclosure Project continues to save homes and the credit of thousands of families. Our collaborative, multi-agency project to become the most vigorous foreclosure defense projects in the country. We continue to shape and to expand our Medical-Legal Partnership Project. MLPs place lawyers in public health clinics to give medical staff the resources they need to change the social determinants of health. MLPs can

reduce unnecessary returns to clinics and ERs, reduce community healthcare costs and actually improve community health. The initial efforts in Durham have enabled LANC to obtain funding for similar projects at UNC, in Winston-Salem, Charlotte, Greensboro, and Moore County.

In an effort to improve rural delivery and outreach, the State Bar and IOLTA fund Clifton W. Everett, Sr., Fellowships, which permits LANC to serve hundreds of rural clients who would otherwise not have access to legal representation. In 2014, our Everett fellows were placed together in Richmond County, one of the poorest in the state, as a pilot project. The results have been astonishing: In a county where we previously had little ability to serve, the IOLTA Fellows served nearly 300 households in two years.

In the last quarter, we completed a reduction in force that resulted in the loss of 52 positions. Due to the funding cuts, LANC is restructuring its intake, merged offices, expanded its videoconferencing capabilities, and increased pro bono recruitment so that we can continue to provide the highest quality legal representation to as many families as possible.
