Justification for Position (including description of duties and responsibilities):

The Office of Research, Demonstrations, and Rural Health Development (ORDRHD) assists local and state leaders to design and implement strategies for improving health care access for rural residents. This position will assist the Director of the agency's North Carolina Farmworker Program, by managing the fee-for-service component of the program, facilitating consultative and training support to participating programs and health care providers, data collection and management and implementing program policy.

Budget proposed is the annual expense of a position for 2003-04 as follows:

Salary	\$34,500
FICA	2,640
Retirement	1,180
Health Benefits	3,307
