

Receipt-Supported Positions

Department of Health and Human Services

Division of Medical Assistance: Establish 7 positions to improve the management infrastructure.

Division of Public Health: Establish 1 position in HIV/STD to provide administrative support to the Robeson Satellite Office of HIV/STD Prevention and Care Branch.

Division of Public Health: Establish 2 positions Women and Children's Health. One will be in Nutrition Education and Training Program and the other will be in the Improving the Health and Well Being of Young People Through Coordinated School Health.

Division of Public Health: Establish 279.8 positions in Children's Developmental Service Agencies. Formerly the agency was known as the Developmental Evaluation Center (DEC). The name and fund source for these positions has changed. All positions are now 100% receipt supported with funds coming from the Early Intervention Grant and/or earned Medicaid receipts.

Division of Mental Health, Developmental Disabilities and Substance Abuse Services request prior consultation on the establishment of 4.75 positions to be supported by the Even Start Program, a federal grant initiative. One teacher and three and three-quarter education development assistant positions are necessary to meet the staffing requirements of the program and will provide instruction in the classroom, at home and in the community for the Even Start Family Literacy Program
