***Note:**

Justification for Position (including description of duties and responsibilities):

The primary purpose of this position is to develop, implement, and coordinate a statewide plan to transition youth with significant special health care needs from pediatric to adult healthcare using a medical home model. This position will act in a management capacity with youth and family grant partners, advocacy groups, agencies and other collaborators and consultants in the development of this program. This position will: 1) convene, develop, and coordinate an interagency advisory council and workgroups; 2) provide TA and leadership to work groups related to each initiative; 3) assume lead responsibility in the preparation of required reports to HRSA; 4) initiate, sustain, and deepen interagency linkages that further transition goals for youth with disabilities; 5) work with a project evaluator to review, analyze, and compile evaluative data; 6) assume responsibility for promoting project compliance with State and Departmental contract, budget and public information rules, policies and procedures and, 7) assist the NCODH Director in representing transition efforts in interagency planning, policy, and service development related to achieving progress on national and state Health People 2010 and healthy Carolinian objectives, the NC Title V MCH Block Grant Plan, and the NCODH component of the DHHS Plan to Eliminate Health Disparities.
