Receipts	-0-	\$ 507,900
Appropriation	\$ 8,739,882.00	\$ 507,900

Funding Source(s): The funding will be provided from the administrative costs authorized for the North Carolina Education Lottery.

Justification for Position (including description of duties and responsibilities):

These positions are being established to conduct background investigations of applicants for contracts to sell North Carolina Education Lottery tickets, to perform random preventive inspections and audits of those locations who hold contracts to sell lottery tickets, to investigate citizen complaints regarding lottery retailers and to enforce Chapter 18C of the NC General Statutes. These positions will also perform regular ALE Agent duties, as the existing ALE sworn personnel statewide will also perform lottery-related duties.

Chapter 18C of the NC General Statutes adds to the statutory duties of ALE Agents the investigation, enforcement and regulation associated with retailers of the NC Education Lottery. These positions are being requested to carry out the statutory requirements of Chapter 18C.
