

**GENERAL ASSEMBLY OF NORTH CAROLINA  
SESSION 2019**

**H**

**D**

**BILL DRAFT 2019-MGz-133 [v.23]**

**(THIS IS A DRAFT AND IS NOT READY FOR INTRODUCTION)  
4/22/2020 4:46:17 PM**

Short Title: COVID-19 Health Care Working Group Policy Rec. (Public)

Sponsors: Representative P. Jones.

Referred to:

1 A BILL TO BE ENTITLED  
2 AN ACT EXPANDING THE STATE'S CAPACITY TO TAKE PUBLIC HEALTH AND  
3 SAFETY MEASURES TO ADDRESS THE COVID-19 EMERGENCY, AS  
4 RECOMMENDED BY THE HEALTH CARE WORKING GROUP OF THE HOUSE  
5 SELECT COMMITTEE ON COVID-19.

6 The General Assembly of North Carolina enacts:

7  
8 **PART I. DEFINITIONS**

9 **SECTION 1.1.(a)** Unless the context clearly indicates otherwise, the following  
10 definitions apply in this act:

- 11 (1) CDC. – The federal Centers for Disease Control.  
12 (2) COVID-19. – Coronavirus Disease 2019.  
13 (3) COVID-19 diagnostic test. – A test the federal Food and Drug Administration  
14 has authorized for emergency use or approved to detect the presence of the  
15 severe acute respiratory syndrome coronavirus 2.  
16 (4) COVID-19 emergency. – The period beginning March 10, 2020, and ending  
17 on the date the Governor signs an executive order rescinding Executive Order  
18 116 (Declaration of a State of Emergency to Coordinate Response and  
19 Protective Actions to Prevent the Spread of COVID-19).  
20 (5) COVID-19 antibody test. – A serological blood test the federal Food and Drug  
21 Administration has authorized for emergency use or approved to measure the  
22 amount of antibodies or proteins present in the blood when the body is  
23 responding to an infection caused by the severe acute respiratory syndrome  
24 coronavirus 2.

25 **SECTION 1.1.(b)** This section is effective when it becomes law.

26  
27 **PART II. AFFIRMATIONS OF ACTIONS TAKEN IN RESPONSE TO COVID-19**

28 **SECTION 2.1.** The North Carolina General Assembly supports the various actions  
29 taken by the Governor pursuant to Executive Order 116 (2020), a Declaration of a State of  
30 Emergency to Coordinate Response and Protective Actions to Prevent the Spread of COVID-19,  
31 and under Executive Order 130 (2020), Meeting North Carolina's Health and Human Services  
32 Needs, actions taken by the Department of Health and Human Services in response to the  
33 COVID-19 emergency, and those taken by the North Carolina Medical Board, the North  
34 Carolina Board of Nursing, other health care provider licensing boards, and the State's teaching

\* 2 0 1 9 - M G Z - 1 3 3 - V - 2 3 \*

1 institutions for health care providers and their efforts to address the workforce supply challenges  
2 presented by the COVID-19 emergency. Further, the General Assembly supports each of the  
3 following initiatives, including, but not limited to:

- 4 (1) As COVID-19 antibody tests become available in the State, encouraging all  
5 persons authorized under State law to administer such tests to give priority to  
6 frontline care providers, including emergency medical services personnel,  
7 firefighters, rescue squad workers, law enforcement officers, licensed health  
8 care providers, long-term care providers, child care providers, and other  
9 persons essential to the provision of medical care, dental care, long-term care,  
10 or child care.
- 11 (2) Pursuing any federally available waiver or program allowance regarding child  
12 welfare, including, but not limited to, waivers regarding virtual visitation for  
13 children in foster care, temporary suspension of relicensing requirements for  
14 foster parents, and the continuation of payments for youth in foster care ages  
15 18-21 years, regardless of education or employment requirements.
- 16 (3) Providing ongoing flexibility to teaching institutions to ensure students  
17 seeking degrees in health care professions can complete necessary clinical  
18 hours.

19  
20 **PART III. INCREASED ACCESS TO MEDICAL SUPPLIES NECESSARY TO**  
21 **RESPOND TO COVID-19 AND FUTURE PUBLIC HEALTH EMERGENCIES**

22  
23 **STATE PLAN FOR A STRATEGIC STATE STOCKPILE OF PERSONAL**  
24 **PROTECTIVE EQUIPMENT AND TESTING SUPPLIES FOR PUBLIC**  
25 **HEALTH EMERGENCIES.**

26 **SECTION 3.1.(a)** As used in this section, the following terms have the following  
27 meanings:

- 28 (1) Acute care providers. – Includes hospitals, free-standing emergency  
29 departments, urgent care centers, and dialysis centers.
- 30 (2) First responders. – Includes local health departments, law enforcement, fire  
31 departments, search and rescue personnel, and emergency medical services  
32 providers.
- 33 (3) Health care providers. – As defined in G.S. 90-21.50.
- 34 (4) Long-term care providers. – Includes skilled nursing facilities, intermediate  
35 care facilities as defined in G.S. 131A-3, adult care homes licensed under  
36 G.S. 131D-2.4, group homes, home health agencies, and palliative and  
37 hospice care providers.
- 38 (5) Non-health care entities. – Includes child care providers, local departments of  
39 social services, hotels and motels used for isolation and quarantine, shelters,  
40 and correctional facilities.

41 **SECTION 3.1.(b)** By June 1, 2020, the Division of Public Health (DPH) and the  
42 Division of Health Service Regulation (DHSR) within the Department of Health and Human  
43 Services, in conjunction with the North Carolina Division of Emergency Management within the  
44 Department of Public Safety (Division of Emergency Management), shall develop and submit to  
45 the Joint Legislative Oversight Committee on Health and Human Services and the Joint  
46 Legislative Oversight Committee on Justice and Public Safety a plan for creating and maintaining  
47 a Strategic State Stockpile of personal protective equipment (PPE) and testing supplies. It is the  
48 intent of the General Assembly that the Strategic State Stockpile would be accessible by both  
49 public and private acute care providers, first responders, health care providers, long-term care  
50 providers, and non-health care entities located within the State for the purposes of addressing the  
51 COVID-19 pandemic and future public health emergencies.

1           **SECTION 3.1.(c)** The plan shall include at least all of the following components:

- 2           (1) Recommendations about which agency will serve as the lead agency to  
3           oversee the Strategic State Stockpile described in this section, with (i) a  
4           description of the roles of DPH, DHSR, and the Division of Emergency  
5           Management and (ii) an explanation of how these entities will collaborate to  
6           create and maintain the Strategic State Stockpile.  
7           (2) Recommendations for improvements to the State's existing procurement,  
8           allocation, and distribution process for PPE.  
9           (3) Recommendations about what persons or entities should have access to the  
10           Strategic State Stockpile.  
11           (4) Recommendations on how to increase within the State the manufacture of PPE  
12           that meets CDC guidelines for infection control, including consideration of (i)  
13           incentives for in-State private manufacturers and vendors that agree to  
14           produce and make PPE available to the Strategic State Stockpile and (ii) the  
15           feasibility of Correction Enterprises producing PPE for the Strategic State  
16           Stockpile.  
17           (4) Recommendations about procuring testing supplies that meet applicable  
18           federal standards.  
19           (5) Identification of available locations for maintaining the Strategic State  
20           Stockpile.  
21           (6) Recommendations about the amount of PPE and testing supplies the State  
22           should maintain as part of the Strategic State Stockpile, including a process  
23           for ongoing evaluation by individuals with expertise in emergency response,  
24           infection control, and environmental safety.  
25           (7) A mechanism for managing the inventory of PPE and testing supplies  
26           purchased for the Strategic State Stockpile.  
27           (8) An estimated five-year budget, including nonrecurring and recurring costs, for  
28           creating and maintaining the Strategic State Stockpile.  
29           (9) Any other components deemed appropriate by DPH and DHSR, in  
30           conjunction with the Division of Emergency Management.

31           **SECTION 3.1.(d)** This section is effective when it becomes law.  
32

#### 33 **PART IV. SUPPORT FOR HEALTH CARE PROVIDERS TO RESPOND TO** 34 **COVID-19**

#### 35 **DENTAL BOARD FLEXIBILITY DURING DISASTERS AND EMERGENCIES**

36           **SECTION 4.1.(a)** Article 2 of Chapter 90 of the General Statutes is amended by  
37 adding a new section to read:

38 **"§ 90-28.5. Disasters and emergencies.**

39           If the Governor declares a state of emergency or a county or municipality enacts ordinances  
40 under G.S. 153A-121, 160A-174, 166A-19.31, or Article 22 of Chapter 130A of the General  
41 Statutes, the North Carolina Board of Dental Examiners may waive the requirements of this  
42 Article and Article 16 of the General Statutes to permit the provision of dental and dental hygiene  
43 services to the public during the state of emergency."  
44

45           **SECTION 4.1.(b)** This section is effective when it becomes law.  
46

#### 47 **AUTHORIZATION FOR DENTISTS TO ADMINISTER COVID-19 TESTS**

48           **SECTION 4.2.(a)** G.S. 90-29(b) is amended by adding a new subdivision to read:

49           **"(14) The administration by dentists of diagnostic tests and antibody tests for**  
50 **Coronavirus Disease 2019 to patients only if such tests have been approved or**

1 authorized for emergency use by the United States Food and Drug  
2 Administration."

3 **SECTION 4.2.(b)** This section is effective when it becomes law.  
4

5 **AUTHORIZATION PROCESS FOR IMMUNIZING PHARMACISTS TO**  
6 **ADMINISTER COVID-19 IMMUNIZATIONS/VACCINATIONS**

7 **SECTION 4.3.(a)** In the event the Centers for Disease Control and Prevention  
8 recommends an immunization or vaccination for COVID-19 at a time when the General  
9 Assembly is not in regular session, any person may petition the State Health Director, in writing,  
10 to authorize immunizing pharmacists, as defined in G.S. 90-85.3, to administer the recommended  
11 immunization or vaccination for COVID-19 by means of a statewide standing order. The State  
12 Health Director shall, within 30 days after receiving such petition, consult with the following  
13 entities in evaluating the petition and respond by either approving or denying the petition:  
14 Representatives of the North Carolina Academy of Family Physicians, the North Carolina  
15 Medical Society, the North Carolina Pediatric Society, the North Carolina Association of  
16 Community Pharmacists, the North Carolina Association of Pharmacists, and the North Carolina  
17 Retail Merchants Association

18 **SECTION 4.3.(b)** If the State Health Director approves the petition as provided in  
19 subsection (a) of this section, the State Health Director shall, within 10 days after approval,  
20 consult with the entities listed in subsection (a) of this section to develop and submit to the North  
21 Carolina Board of Medicine, the North Carolina Board of Nursing, the North Carolina Board of  
22 Pharmacy, and the Joint Legislative Oversight Committee on Health and Human Services a  
23 minimum standard screening questionnaire and safety procedures for written protocols for the  
24 administration of the recommended immunization or vaccination for COVID-19 by immunizing  
25 pharmacists. In the event that the questionnaire and recommended standards are not developed  
26 and submitted within the ten-day period as provided in this subsection, then the Immunization  
27 Branch of the Department of Health and Human Services, Division of Public Health, shall  
28 develop the questionnaire and recommended standards within the next ten days and submit them  
29 to the North Carolina Board of Medicine, the North Carolina Board of Nursing, the North  
30 Carolina Board of Pharmacy, and the Joint Legislative Oversight Committee on Health and  
31 Human Services. At a minimum, immunizing pharmacists who administer the recommended  
32 immunization or vaccination for COVID-19 shall be required to comply with all the requirements  
33 of G.S. 90-85.15B. In the event the State Health Director approves the administration of a  
34 recommended immunization or vaccination for COVID-19 by immunizing pharmacists by means  
35 of a statewide standing order, the statewide standing order shall expire upon the adjournment of  
36 the next regular session of the General Assembly.

37 **SECTION 4.3.(c)** This section is effective when it becomes law.  
38

39 **PRESCRIPTION IDENTIFICATION REQUIREMENTS**

40 **SECTION 4.4.(a)** Notwithstanding any other provision of law to the contrary, for  
41 the duration of the COVID-19 emergency, pharmacists licensed in this State under Article 4A of  
42 Chapter 90 of the General Statutes may confirm the identity of any individual seeking  
43 dispensation of a prescription by the visual inspection of any form of government-issued photo  
44 identification. If the individual seeking dispensation is a known customer, the pharmacist may  
45 confirm the individual's identity by referencing existing records, including the controlled  
46 substances reporting system. A pharmacist shall review information in the controlled substances  
47 reporting system pertaining to the patient for the 12-month period preceding the initial  
48 prescription before filling a prescription for a Schedule II controlled substance.

49 **SECTION 4.4.(b)** Before delivering a mail-order prescription, a courier shall  
50 confirm the identity of the recipient through the visual inspection of any form of  
51 government-issued photo identification.

1           **SECTION 4.4.(c)** This section is effective when it becomes law and expires 60 days  
2 after Executive Order 116 is rescinded, or December 31, 2020, whichever is earlier.

### 4 **TEMPORARY FLEXIBILITY FOR QUALITY IMPROVEMENT PLANS**

5           **SECTION 4.5.(a)** For purposes of this section, the following definitions apply:

- 6           (1) Quality Improvement Plan Rules. – The rules regulating the quality  
7 improvement process for physician assistants, nurse practitioners, and  
8 certified nurse midwives found in 21 NCAC 32S .0213, 21 NCAC 32M .0110,  
9 21 NCAC 36 .0810, and 21 NCAC 33 .0104.
- 10           (2) Application Fee Rules. – The portions of rules found in 21 NCAC 32S .0204,  
11 21 NCAC 32M .0106, and 21 NCAC 33 .0103 that require the payment of an  
12 application fee.
- 13           (3) Annual Review Rules. – The portions of rules requiring the annual review or  
14 renewal of a practice arrangement between a physician and a physician  
15 assistant, nurse practitioner, or certified nurse midwife found in 21 NCAC  
16 32S .0201, 21 NCAC 32M .0110, and 21 NCAC 33 .0104.

17           **SECTION 4.5.(b)** Notwithstanding any other provision of law to the contrary, neither  
18 the North Carolina Medical Board, the North Carolina Board of Nursing, nor the Midwifery Joint  
19 Committee shall enforce any provision of the Quality Improvement Plan Rules to the extent they  
20 require any of the following:

- 21           (1) Quality improvement process meetings between a physician and a physician  
22 assistant, nurse practitioner, or certified nurse midwife, provided that the  
23 physician assistant, nurse practitioner, or certified nurse midwife was  
24 practicing within the scope of his or her license prior to February 1, 2020, and  
25 continues to practice within the scope of his or her license while this section  
26 is effective.
- 27           (2) Monthly quality improvement process meetings between a physician and a  
28 physician assistant, nurse practitioner, or certified nurse midwife during the  
29 first six months of the practice arrangement between the physician and the  
30 physician assistant, nurse practitioner, or certified nurse midwife.

31           **SECTION 4.5.(c)** Notwithstanding any other provision of law to the contrary,  
32 neither the North Carolina Medical Board, the North Carolina Board of Nursing, nor the  
33 Midwifery Joint Committee shall enforce any provision of the Quality Improvement Rules or the  
34 Application Fee Rules to the extent they require any individual to fill out an application or pay a  
35 fee, provided that individual is providing volunteer healthcare services within the scope of his or  
36 her license in response to the COVID-19 pandemic state of emergency declared by the Governor  
37 of North Carolina on March 10, 2020.

38           **SECTION 4.5.(d)** Notwithstanding any other provision of law to the contrary, neither  
39 the North Carolina Medical Board, the North Carolina Board of Nursing, nor the Midwifery Joint  
40 Committee shall enforce any provision of the Annual Review Rules.

41           **SECTION 4.5.(e)** This section is effective when it becomes law, and expires 60 days  
42 after Executive Order 116 is rescinded, or December 31, 2020, whichever is earlier.

### 44 **PANDEMIC HEALTH CARE WORKFORCE STUDY**

45           **SECTION 4.6.(a)** The mission of the North Carolina Area Health Education Center  
46 (NC AHEC) is to meet the State's health and health workforce needs and to provide education  
47 programs and services that bridge academic institutions and communities to improve the health  
48 of the people of North Carolina, with a focus on underserved populations. Consistent with that  
49 mission, the North Carolina General Assembly directs the NC AHEC program to conduct a study  
50 of the issues that impact health care delivery and the health care workforce during a pandemic.  
51 The study shall focus on the impact of the COVID-19 pandemic, issues that need to be addressed

1 in the aftermath of this pandemic, and plans that should implemented in the event of a future  
2 health crisis.

3 **SECTION 4.6.(b)** The study shall include input from universities, colleges, and  
4 community colleges that license health care providers; health care provider licensing boards; the  
5 Department of Health and Human Services; the Department of Public Safety; and geographically  
6 disbursed rural and urban hospitals, ambulatory surgical centers, primary care practices, specialty  
7 care practices, correctional facilities, group homes, home care agencies, nursing homes, adult  
8 care homes, and other residential care facilities.

9 **SECTION 4.6.(c)** The study shall include, but is not limited to, examination of, and  
10 reporting on, the issues outlined below.

- 11 (1) Adequacy of the health care workforce supply to respond to a pandemic in the  
12 following settings: acute care, ambulatory, nursing homes, adult care homes,  
13 other residential care facilities, correctional facilities, and in-home care.
- 14 (2) Adequacy of the health care workforce supply to address the COVID-19  
15 surge; the ability to redirect the existing workforce supply to meet staffing  
16 demands, including the identification of any barriers; and recommendations  
17 to eliminate barriers and readily deploy staffing in a future health crisis.
- 18 (3) Adequacy of the health care workforce training, by setting, and the need for  
19 additional training or cross-training of health care providers.
- 20 (4) Impact of the COVID-19 pandemic on communities with pre-existing  
21 workforce shortages.
- 22 (5) Impact of Personal Protective Equipment (PPE) availability on the health care  
23 workforce, by setting.
- 24 (6) Sufficiency of support mechanisms for the health care workforce, including  
25 the availability of child care, transportation, mental health and resilience  
26 support services, and other support items.
- 27 (7) Impact of postponing or eliminating non-essential services and procedures on  
28 the health care workforce.
- 29 (8) Impact of postponing or eliminating non-essential services and procedures on  
30 hospitals, particularly rural hospitals.
- 31 (9) Interruptions in the delivery of routine health care during the COVID-19  
32 pandemic and the impact to citizens, primary and specialty care practices, and  
33 the health care workforce employed in these practices.
- 34 (10) Impact of the COVID-19 pandemic on the delivery of behavioral health  
35 services.
- 36 (11) Ability of telehealth options to deliver routine and emergent health and  
37 behavioral health services to patients.
- 38 (12) Impact of telehealth on hospitals during the COVID-19 pandemic.
- 39 (13) Support necessary to resume health care delivery to pre-pandemic levels.
- 40 (14) Ability of the health care workforce and health care delivery structure to  
41 respond to the needs of minority populations, individuals with health  
42 disparities, and individuals and communities with increased health risks,  
43 during a pandemic.
- 44 (15) Impact of the COVID-19 pandemic, including concerns surrounding PPE  
45 availability, on current health sciences students and implications for future  
46 students contemplating a career in health sciences.

47 **SECTION 4.6.(d)** The NC AHEC shall report findings and recommendations to the  
48 House Select Committee on COVID-19, Health Care Working Group, on or before November  
49 15, 2020. The report shall include a summary section to provide a high-level debriefing to the  
50 State's leaders, health care providers, and others, on successes and priority items to address as  
51 the State moves forward.

1           **SECTION 4.6.(e)** Due to the evolving nature of the COVID-19 pandemic, the NC  
2 AHEC has authority to report subsequent study findings and recommendations, as appropriate,  
3 to the Joint House Appropriations Subcommittee on Health and Human Services, the Senate  
4 Appropriations Committee on Health and Human Services, and the Joint Legislative Oversight  
5 Committee on Health and Human Services.

6           **SECTION 4.6.(f)** This section is effective when it becomes law.  
7

8 **PART V. INCREASED FLEXIBILITY FOR THE DEPARTMENT OF HEALTH AND**  
9 **HUMAN SERVICES TO RESPOND TO COVID-19**

10  
11 **[CENTRAL MANAGEMENT AND SUPPORT]**

12  
13 **EXTENSION OF TIME FOR ESTABLISHING CONNECTIVITY TO THE STATE'S**  
14 **HEALTH INFORMATION EXCHANGE NETWORK KNOWN AS**  
15 **HEALTHCONNEX**

16           **SECTION 5.1.(a)** G.S. 90-414.4(a1)(2) reads as rewritten:

17           "(2) Except as provided in subdivisions (3), (4), and (5) of this subsection, all other  
18 providers of Medicaid and State-funded health care services shall begin  
19 submitting demographic and clinical data by ~~June 1, 2020~~October 1, 2021."

20           **SECTION 5.1.(b)** G.S. 90-414(a2) reads as rewritten:

21           "(a2) Extensions of Time for Establishing Connection to the HIE Network. – The  
22 Department of Information Technology, in consultation with the Department of Health and  
23 Human Services and the State Health Plan for Teachers and State Employees, may establish a  
24 process to grant limited extensions of the time for providers and entities to connect to the HIE  
25 Network and begin submitting data as required by this section upon the request of a provider or  
26 entity that demonstrates an ongoing good-faith effort to take necessary steps to establish such  
27 connection and begin data submission as required by this section. The process for granting an  
28 extension of time must include a presentation by the provider or entity to the Department of  
29 Information Technology, the Department of Health and Human Services, and the State Health  
30 Plan for Teachers and State Employees on the expected time line for connecting to the HIE  
31 Network and commencing data submission as required by this section. Neither the Department  
32 of Information Technology, the Department of Health and Human Services, nor the State Health  
33 Plan for Teachers and State Employees shall grant an extension of time (i) to any provider or  
34 entity that fails to provide this information to both Departments, and the State Health Plan for  
35 Teachers and State Employees, (ii) that would result in the provider or entity connecting to the  
36 HIE Network and commencing data submission as required by this section later than ~~June 1,~~  
37 ~~2020~~October 1, 2021, or (iii) that would result in any provider or entity specified in subdivisions  
38 (4) and (5) of subsection (a1) of this section connecting to the HIE Network and commencing  
39 data submission as required by this section later than June 1, 2022. The Department of  
40 Information Technology shall consult with the Department of Health and Human Services and  
41 the State Health Plan for Teachers and State Employees to review and decide upon a request for  
42 an extension of time under this section within 30 days after receiving a request for an extension."

43           **SECTION 5.1.(c)** This section is effective when it becomes law.  
44

45 **[CHILD DEVELOPMENT AND EARLY EDUCATION]**

46  
47 **TEMPORARY WAIVER OF THREE-YEAR FINGERPRINTING**  
48 **REQUIREMENT/CHILD CARE PROVIDERS**

49           **SECTION 5.2.(a)** Notwithstanding G.S. 110-90.2(b), the Department of Health and  
50 Human Services, Division of Child Development and Early Education, shall temporarily waive  
51 the requirement that all child care providers complete a fingerprint-based criminal history check

1 every three years. However, the federal requirement for fingerprint-based checks every five years  
2 is still applicable.

3 **SECTION 5.2.(b)** This section is effective when it becomes law and expires 60 days  
4 after Executive Order 116 is rescinded, or December 31, 2020, whichever is earlier.

5  
6 **[HEALTH BENEFITS]**

7  
8 **PROVIDE MEDICAID COVERAGE FOR COVID-19 TESTING TO UNINSURED**  
9 **INDIVIDUALS IN NORTH CAROLINA DURING THE NATIONWIDE PUBLIC**  
10 **HEALTH EMERGENCY**

11 **SECTION 5.3.(a)** The Department of Health and Human Services, Division of  
12 Health Benefits (DHB), is authorized to provide the Medicaid coverage described in 42 U.S.C.A.  
13 § 1396a(a)(10)(A)(ii)(XXIII), which covers only COVID-19 testing for certain uninsured  
14 individuals during the period in which there is a declared nationwide public health emergency as  
15 a result of the 2019 novel coronavirus. DHB is authorized to provide this medical assistance  
16 retroactively to the earliest date allowable.

17 **SECTION 5.3.(b)** This section is effective when it becomes law.

18  
19 **TEMPORARY MEDICAID COVERAGE FOR THE PREVENTION, TESTING, AND**  
20 **TREATMENT OF COVID-19**

21 **SECTION 5.4.(a)** The Department of Health and Human Services, Division of  
22 Health Benefits (DHB), is authorized to provide temporary, targeted Medicaid coverage to  
23 individuals with incomes up to 200% of the federal poverty level, as requested by the Secretary  
24 of the Department Health and Human services in the 1115 waiver application submitted to the  
25 Centers for Medicare and Medicaid Services (CMS) on March 27, 2020. If CMS grants approval  
26 for different coverage or a different population than requested in that 1115 waiver application,  
27 DHB may implement the approved temporary coverage, provided that all the following criteria  
28 are met:

- 29 (1) The coverage is only provided for a limited time period related to the declared  
30 nationwide public health emergency as a result of the 2019 novel coronavirus.  
31 (2) The coverage is not provided for services other than services for the  
32 prevention, testing, or treatment of COVID-19.  
33 (3) The income level to qualify for the coverage does not exceed 200% of the  
34 federal poverty level.

35 **SECTION 5.4.(b)** The Department of Health and Human Services, Division of  
36 Health Benefits, is authorized to provide this Medicaid coverage retroactively to the earliest date  
37 allowable.

38 **SECTION 5.4.(c)** This section is effective when it becomes law.

39  
40 **SUPPORT RECEIPT OF ENHANCED FEDERAL MEDICAID FUNDING**

41 **SECTION 5.5.(a)** It is the intent of the General Assembly that North Carolina adhere  
42 to all federal requirements for obtaining enhanced federal Medicaid funding, as provided under  
43 the Families First Coronavirus Response Act (FFCRA), Public Law 116-127, as amended, for  
44 the period required under the FFCRA and during which there is a declared nationwide public  
45 health emergency as a result of the 2019 novel coronavirus. Accordingly, the Department of  
46 Health and Human Services, Division of Health Benefits, shall adhere to and implement all  
47 federal law and regulation necessary for receipt of this enhanced federal Medicaid funding,  
48 notwithstanding any State law to the contrary. Further, federal law and regulation applicable to  
49 the North Carolina Medicaid program or NC Health Choice program shall supersede and preempt  
50 any State law or rule to the contrary during the period in which there is a declared nationwide  
51 public health emergency as a result of the 2019 novel coronavirus.

1           **SECTION 5.5.(b)** This section is effective when it becomes law.

2  
3           **DISABLED ADULT CHILD PASSALONG ELIGIBILITY/MEDICAID**

4           **SECTION 5.6.(a)** Effective no later than June 1, 2020, the eligibility requirements  
5 for the Disabled Adult Child Passalong authorized under Section 1634 of the Social Security Act  
6 for the Medicaid program shall consist of only the following four requirements:

- 7           (1) The adult is currently entitled to and receives federal Retirement, Survivors,  
8 and Disability Insurance (RSDI) benefits as a disabled adult child on a parent's  
9 record due to the retirement, death, or disability of a parent.  
10          (2) The adult is blind or has a disability that began before age 22.  
11          (3) The adult would currently be eligible for Supplemental Security Income (SSI)  
12 or State-County Special Assistance if the current RSDI benefit is disregarded.  
13          (4) For eligibility that is based on former receipt of State-County Special  
14 Assistance and not SSI, the adult must currently reside in an adult care home.

15           **SECTION 5.6.(b)** This section is effective when it becomes law.

16  
17           **[HEALTH SERVICE REGULATION]**

18  
19           **MODIFICATION OF FACILITY INSPECTIONS AND TRAINING TO ADDRESS**  
20           **INFECTION CONTROL MEASURES FOR COVID-19.**

21           **SECTION 5.7.(a)** Notwithstanding any provision of Article 2 of Chapter 122C,  
22 Articles 1 and 3 of Chapter 131D, and Chapter 131E of the General Statutes, or any other  
23 provision of law to the contrary, the Department of Health and Human Services, Division of  
24 Health Service Regulation, and as applicable, local departments of social services shall suspend  
25 all annual inspection and regular monitoring requirements for licensed facilities under Article 2  
26 of Chapter 122C, and Articles 1 and 3 of Chapter 131D, and any rules adopted under these  
27 chapters, except (i) as DHSR deems necessary to avoid serious injury, harm, impairment, or death  
28 to employees, residents, or patients of these facilities or (ii) as directed by the Centers for  
29 Medicare and Medicaid Services.

30           **SECTION 5.7.(b)** DHSR shall review the compliance history of all facilities  
31 licensed under Article 2 of Chapter 122C of the General Statutes and Article 1 of Chapter 131D  
32 of the General Statutes that were determined to be in violation, assessed penalties, or placed on  
33 probation within the six-month period preceding the beginning of the COVID-19 emergency, for  
34 noncompliance with rules or Centers for Disease Control guidelines regarding infection control  
35 or the proper use of personal protective equipment. DHSR shall require employees of these  
36 facilities to undergo immediate training conducted by DHSR about infection control and the  
37 proper use of personal protective equipment. DHSR may conduct the training required by this  
38 section online, by videoconference, or in such manner as DHSR determines appropriate under  
39 the circumstances.

40           **SECTION 5.7.(c)** This section is effective when it becomes law and expires 60 days  
41 after Executive Order 116 is rescinded, or December 31, 2020, whichever is earlier.

42  
43           **[SOCIAL SERVICES]**

44  
45           **ALLOW TEMPORARY WAIVER OF 72-HOUR PRE-SERVICE TRAINING**  
46           **REQUIREMENT/CHILD WELFARE STAFF**

47           **SECTION 5.8.(a)** Notwithstanding G.S. 131D-10.6A(b)(1), the Department of  
48 Health and Human Services, Division of Social Services, is authorized to temporarily waive the  
49 72-hour requirement of preservice training before child welfare services staff assumes direct  
50 client contact responsibilities. The Division is authorized to identify and use web-based training  
51 as an acceptable equivalent in meeting preservice training requirements.

1           **SECTION 5.8.(b)** This section is effective when it becomes law and expires 60 days  
2 after Executive Order 116 is rescinded, or December 31, 2020, whichever is earlier.

3  
4 **PART VI. INCREASED ACCESS TO HEALTH CARE THROUGH TELEHEALTH TO**  
5 **RESPOND TO COVID-19**

6  
7 **EXPANDED USE OF TELEHEALTH TO CONDUCT FIRST AND SECOND**  
8 **INVOLUNTARY COMMITMENT EXAMINATIONS DURING THE**  
9 **COVID-19 EMERGENCY**

10 **SECTION 6.1.(a)** The following words have the following meanings in this section:

- 11 (1) Commitment examiner. – As defined in G.S. 122C-3.  
12 (2) Telehealth. – The use of two-way real-time interactive audio and video where  
13 the respondent and commitment examiner can hear and see each other.  
14 (3) Qualified professional. – As defined in G.S. 122C-3.

15 **SECTION 6.1.(b)** Notwithstanding any provision of Chapter 122C of the General  
16 Statutes or any other provision of law to the contrary, the first examination of a respondent  
17 required by G.S. 122C-283(a) to determine whether the respondent will be involuntarily  
18 committed due to substance use disorder may be conducted either in the physical face-to-face  
19 presence of the commitment examiner or utilizing telehealth equipment and procedures. A  
20 commitment examiner who examines a respondent by means of telehealth must be satisfied to a  
21 reasonable medical certainty that the determinations made in accordance with G.S. 122C-283(d)  
22 would not be different if the examination had been conducted in the physical presence of the  
23 commitment examiner. A commitment examiner who is not so satisfied must note that the  
24 examination was not satisfactorily accomplished, and the respondent must be taken for a  
25 face-to-face examination in the physical presence of a person authorized to perform examinations  
26 under G.S. 122C-283.

27 **SECTION 6.1.(c)** Notwithstanding any provision of Chapter 122C of the General  
28 Statutes or any other provision of law to the contrary, the second examination of a respondent  
29 required by G.S. 122C-266(a) to determine whether the respondent will be involuntarily  
30 committed due to mental illness or required by G.S. 122C-285(a) to determine if the respondent  
31 will be involuntarily committed due to substance use disorder may be conducted either in the  
32 physical face-to-face presence of a physician or utilizing telehealth equipment and procedures,  
33 provided that the following conditions are met:

- 34 (1) In the case of involuntary commitment due to mental illness, the physician  
35 who examines the respondent by means of telehealth must be satisfied to a  
36 reasonable medical certainty that the determinations made in accordance with  
37 subsections (a)(1) through (a)(3) of G.S. 122C-266 would not be different if  
38 the examination had been done in the physical presence of the examining  
39 physician. An examining physician who is not so satisfied must note that the  
40 examination was not satisfactorily accomplished, and the respondent must be  
41 taken for a face-to-face examination in the physical presence of a physician.  
42 (2) In the case of involuntary commitment due to substance use disorder, the  
43 physician who examines the respondent by means of telehealth must be  
44 satisfied to a reasonable medical certainty that the determinations made in  
45 accordance with G.S. 122C-285(a) would not be different if the examination  
46 had been done in the physical presence of the commitment examiner. An  
47 examining physician who is not so satisfied must note that the examination  
48 was not satisfactorily accomplished, and the respondent must be taken for a  
49 face-to-face examination in the physical presence of a qualified professional,  
50 as defined in G.S. 122C-3; provided that, if the initial commitment

1 examination was performed by a qualified professional, then this face-to-face  
2 examination shall be in the presence of a physician.

3 **SECTION 6.1.(d)** This section is effective when it becomes law and expires 60 days  
4 after Executive Order 116 is rescinded, or December 31, 2020, whichever is earlier.

## 6 HEALTH BENEFIT PLAN COVERAGE OF TELEHEALTH

7 **SECTION 6.2.(a)** Article 50 of Chapter 58 of the General Statutes is amended by  
8 adding a new section to read:

### 9 "**§ 58-50-310. Telehealth during the COVID-19 emergency.**

10 (a) For the purposes of this section, the following definitions shall apply:

11 (1) Health benefit plan. – As defined in G.S. 58-3-167.

12 (2) Telehealth. – The delivery of healthcare, including mental and behavioral  
13 healthcare, through real-time, two-way audio/visual delivery.

14 (3) Virtual healthcare. – The delivery of healthcare, including mental and  
15 behavioral healthcare, through audio-only delivery or electronic-only  
16 delivery, both synchronous and asynchronous. This term shall include  
17 healthcare delivered over the telephone and electronic patient visits, including  
18 healthcare delivered through an electronic provider portal or electronic patient  
19 portal.

20 (b) This section shall apply to the following time periods:

21 (1) March 10, 2020, through the date Executive Order 116, a Declaration of a  
22 State of Emergency to Coordinate Response and Protective Actions to Prevent  
23 the Spread of COVID-19, expires or is rescinded.

24 (2) The period of any subsequent state of emergency declared in the 2020  
25 calendar year by the Governor of North Carolina in response to COVID-19  
26 through 30 days after that subsequent state of emergency expires or is  
27 rescinded.

28 (c) All of the following shall apply to all health benefit plans offered in this State:

29 (1) Health benefit plans shall provide coverage and reimbursement virtual  
30 healthcare, including mental and behavioral healthcare.

31 (2) Health benefit plans shall provide reimbursement for provider-to-provider  
32 consultations that are conducted using virtual healthcare if the health benefit  
33 plan would provide reimbursement for the consult had it taken place  
34 in-person, face-to-face.

35 (3) No health benefit plan may require prior authorization for telehealth services  
36 or virtual healthcare services.

37 (4) No health benefit plan may put limits on the originating site or the distant site  
38 for telehealth services or virtual healthcare services.

39 (5) Health benefit plans shall cover and reimburse physical therapy, occupational  
40 therapy, and speech therapy when delivered through telehealth.

41 (6) A health benefit plan may require a deductible, a copayment, or coinsurance  
42 for a covered healthcare service delivered by telehealth by a preferred or  
43 contracted provider to a covered individual. The amount of the deductible,  
44 copayment, or coinsurance may not exceed the amount of the deductible,  
45 copayment, or coinsurance required had the covered healthcare service been  
46 provided in-person, face-to-face.

47 (7) A health benefit plan shall reimburse providers for a covered healthcare  
48 service delivered by telehealth at a level no less than the reimbursement for  
49 that service had it been provided in-person, face-to-face."

1           **SECTION 6.2.(b).** Effective when this section becomes law, the provisions of  
2 G.S. 58-50-310, as enacted under subsection (a) of this section shall apply to the State Health  
3 Plan for Teachers and State Employees.

4           **SECTION 6.2.(c)** This section is effective when it becomes law and expires  
5 December 31, 2020.

6  
7 **INCREASED ACCESS TO TELEHEALTH UNDER THE MEDICARE PROGRAM**

8           **SECTION 6.3.** The General Assembly urges the federal Centers for Medicaid and  
9 Medicare to provide reimbursement for healthcare delivered through audio-only communication,  
10 such as over the telephone, under the Medicare program in order to reduce barriers and increase  
11 access to healthcare for older adults.

12  
13 **PART VII. SEVERABILITY**

14           **SECTION 7.1.** If any provision of this act is declared unconstitutional or invalid by  
15 the courts, it does not affect the validity of this act as a whole or any part other than the part  
16 declared unconstitutional or invalid.

17  
18 **PART VIII. EFFECTIVE DATE**

19           **SECTION 8.1.** Except as otherwise provided, this act is effective when it becomes  
20 law.
