(b) 2009 Depreciation Exception. – A taxpayer who placed property in service during the 2009 taxable year and whose North Carolina taxable income for the 2009 taxable year reflected a special accelerated depreciation deduction allowed for the property under section 168(k) of the Code must add eighty-five percent (85%) of the amount of the special accelerated depreciation deduction to its federal taxable income for the 2010 taxable year. A taxpayer is allowed to deduct this add-back under subsection (a) of this section as if it were for property placed in service in 2010.

(c) Section 179 Expense. – For purposes of this subdivision, the definition of section 179 property has the same meaning as under section 179 of the Code as of January 2, 2013. (c) Part-year Residents. – If an individual was a resident of this State for only part of the taxable year, having moved into or removed from the State during the year, the term "North Carolina taxable income" has the same meaning as in subsection (b) of this section except that the numerator includes adjusted gross income, as modified under G.S. 105-134.6, G.S. 105-153.5 and G.S. 105-153.6, derived from all sources during the period the individual was a resident.

"..."

SECTION 1.2. (b) G.S. 105-152 and G.S. 105-151, recodified by this Part as G.S. 105-153.8 and G.S. 105-153.9, read as rewritten:

"§ 105-153.8. Income tax returns.

(a) Who Must File. – The following individuals shall file with the Secretary an income tax return under affirmation:

(1) Every resident required to file an income tax return for the taxable year under the Code and every Code.

(2) Every nonresident individual who (i) derives all of the following requirements:

a. Receives during the taxable year gross income that is derived from North Carolina sources during the taxable year and is attributable to the ownership of any interest in real or tangible personal property in this State or State, is derived from a business, trade, profession, or occupation carried on in this State and (ii) is State, or is derived from gambling activities in this State.

The return must file the return. If an individual who was required to file an income tax return for the taxable year while living has died before making the return, the administrator or executor of the estate shall file the return in the decedent's name and behalf, and the tax shall be levied upon and collected from the state payable by the estate.

(c) Information Required With Return. – The income tax return shall show the taxable income and adjustments adjusted gross income and modifications required by this Part and any other information the Secretary requires. The Secretary may require some or all individuals required to file an income tax return to attach to the return a copy of their federal income tax return for the taxable year. The Secretary may require a taxpayer to provide the Department with copies of any other return the taxpayer has filed with the Internal Revenue Service and to verify any information in the return.
(d) Secretary May Require Additional Information. – When the Secretary has reason to believe that any taxpayer conducts a trade or business in a way that directly or indirectly distorts the taxpayer’s taxable income or North Carolina taxable income, the Secretary may require any additional information for the proper computation of the taxpayer’s taxable income and North Carolina taxable income. In computing the taxpayer’s taxable income and North Carolina taxable income, the Secretary shall consider the fair profit that would normally arise from the conduct of the trade or business.

(e) Joint Returns. – A husband and wife whose federal income tax is determined on a joint federal return shall file a single income tax return jointly if each spouse either is a resident of this State or has North Carolina taxable income and may file a single income tax return jointly if one spouse is not a resident and has no North Carolina taxable income. A wife and husband filing jointly have expressly agreed that if the amount of the payments made by them with respect to the taxes for which they are liable, including withheld and estimated taxes, exceeds the total of the taxes due, refund of the excess may be made payable to both spouses jointly or, if either is deceased, to the survivor alone.

(2) The fraction of the gross income, as calculated under the Code and adjusted as provided in G.S. 105-134.6 and G.S. 105-134.7, modified as provided in G.S. 105-153.5 and G.S. 105-153.6, that is subject to income tax in another state or country shall be ascertained, and the North Carolina net income tax before credit under this section shall be multiplied by that fraction. credit under this section are at any time credited or refunded to the taxpayer, a tax equal to that
portion of the credit allowed for the taxes so credited or refunded is due and payable from the
taxpayer and is subject to the penalties and interest provided in Subchapter I of this Chapter."

(a) Distribution. – The Secretary must distribute to cities forty-four percent (44%) of
the net proceeds of the tax collected under G.S. 105-164.4 on electricity. Each city's share of
the amount to be distributed is its franchise tax share calculated under subsection (b) of this
section plus its ad valorem share calculated under subsection (c) of this section. The Secretary
must make the distribution within 75 days after the end of each quarter.

(b) Franchise Tax Share. – The quarterly franchise tax share of a city is the amount of
electricity gross receipts franchise tax distributed to the city under repealed G.S. 105-116.1 for
the same related quarter that was the last quarter in which taxes were imposed on electric power
companies under repealed G.S. 105-116.

The franchise tax share of a city that has dissolved, merged with another city, or divided
into two or more cities since it received a distribution under repealed G.S. 105-116.1 is adjusted
as follows:

(1) If a city dissolves and is no longer incorporated, the franchise tax share of
the city is added to the amount distributed under subsection (c) of this
section.

(2) If two or more cities merge or otherwise consolidate, their franchise tax
shares are combined.

(3) If a city divides into two or more cities, the franchise tax share of the city

the city.

(c) Ad Valorem Share. – The ad valorem share of a city is its proportionate share of the
amount that remains for distribution after determining each city's franchise tax share under
subsection (b) of this section. A city's proportionate share is the amount of ad valorem taxes it

cities on property having a tax situs in the cities.

(d) Methodology. – The ad valorem method set out in G.S. 105-472(b)(2) applies in

(e) Determination Final. – The determination made by the Department with respect to a
city's franchise tax share is final and is not subject to administrative or judicial review.

(f) Nature. – The General Assembly finds that the revenue distributed under this
section is local revenue, not a State expenditure, for the purpose of Section 5(3) of Article III of

amended by adding a new section to read:

"§ 105-164.44L. Distribution of part of tax on piped natural gas to cities.

(a) Distribution. – The Secretary must distribute to cities twenty percent (20%) of the
net proceeds of the tax collected under G.S. 105-164.4 on piped natural gas. Each city's share of
the amount to be distributed is its excise tax share calculated under subsection (b) of this section plus its ad valorem share calculated under subsection (c) of this section. The Secretary must make the distribution within 75 days after the end of each quarter.

(b) Excise Tax Share. – The quarterly excise tax share of a city that is not a gas city is the amount of piped natural gas excise tax distributed to the city under repealed G.S. 105-187.44 for the same related quarter that was the last quarter in which taxes were imposed on piped natural gas under repealed Article 5E of this Chapter. The Secretary must determine the excise tax share of a gas city and divide that amount by four to calculate the quarterly distribution amount for a gas city. The excise tax share of a gas city is the amount the gas city would have received under repealed G.S. 105-187.44 for the last year in which taxes were imposed under repealed Article 5E of this Chapter if piped natural gas consumed by the city or delivered by the city to a customer had not been exempt from tax under repealed G.S. 105-187.41(c)(1) and (c)(2). A gas city must report the information required by the Secretary to make the distribution under this section in the form, manner, and time required by the Secretary. For purposes of this subsection, the term "gas city" has the same meaning as defined in repealed G.S. 105-187.40.

The excise tax share of a city that has dissolved, merged with another city, or divided into two or more cities since it received a distribution under repealed G.S. 105-187.44 is adjusted as follows:

1. If a city dissolves and is no longer incorporated, the excise tax share of the city is added to the amount distributed under subsection (c) of this section.
2. If two or more cities merge or otherwise consolidate, their excise tax shares are combined.
3. If a city divides into two or more cities, the excise tax share of the city that divides is allocated among the new cities in proportion to the total amount of ad valorem taxes levied by each on property having a tax situs in the city.

(c) Ad Valorem Share. – The ad valorem share of a city is its proportionate share of the amount that remains for distribution after determining each city’s excise tax share under subsection (b) of this section. A city’s proportionate share is the amount of ad valorem taxes it levies on property having a tax situs in the city compared to the ad valorem taxes levied by all cities on property having a tax situs in the cities.

(d) Methodology. – The ad valorem method set out in G.S. 105-472(b)(2) applies in determining the share of a city under this section based on ad valorem taxes, except that the amount of ad valorem taxes levied by a city does not include ad valorem taxes levied on behalf of a taxing district and collected by the city.

(e) Determination Final. – The determination made by the Department with respect to a city’s excise tax share is final and is not subject to administrative or judicial review.
