The deferred taxes for the preceding five fiscal years are due and payable in accordance with G.S. 105-277.1F when the property loses its eligibility for deferral as a result of a disqualifying event. A disqualifying event occurs when the property (i) is

In addition to the provisions in G.S. 105-277.1F, all liens arising under this subdivision are extinguished upon the real property being sold or transferred to a local, state, or federal government unit for conservation purposes or subject to an easement recorded at the time of sale that requires perpetual use of the land for one or more of the purposes listed in this subdivision. The purposes allowed under this subdivision are any of the following:
