2 "**§ 166A-19.30. Additional powers of the Governor during state of emergency.**

3 (a) In addition to any other powers conferred upon the Governor by law, and subject to

13 who refuses to receive a vaccination under this section shall not be subject to civil or criminal
14 liability for the refusal of vaccination.

15 "

16 **SECTION 1.1.(c)** Subsection (b) of this section applies to executive orders and
17 directives issued on or after the effective date of this act.

18 **SECTION 1.2.(a)** G.S. 150B-19 reads as rewritten:

23 to receive a vaccination as a condition of the receipt, renewal, or reinstatement
24 of a license by an agency.

25 "

26 **SECTION 1.2.(b)** This section applies to proposed rules published in the North
27 Carolina Register and proposed rules posted on the website of the Office of Administrative
28 Hearings on or after October 1, 2021.

29 **SECTION 1.3.** Notwithstanding any provision of Chapter 130A or Chapter 166A of
30 the General Statutes or any other provision of law to the contrary, no public health authority in
31 the State, including the Secretary of the Department of Health and Human Services, the State
32 Health Director, the Commission for Public Health, or the director of any local health department,
33 may issue an order requiring any individual to submit to a COVID-19 vaccination or series of
34 vaccinations if such action is medically contraindicated for the individual, or if receiving the
35 vaccination or series of vaccinations is against the individual's religious or philosophical beliefs,
36 as described in G.S. 130A-157 and G.S. 130A-157.5, as enacted by Section 2.1 of this act. In the
37 case of a minor, if the vaccination or series of vaccinations is against the religious or
38 philosophical beliefs of the parent, guardian, or person in loco parentis, as described in
39 G.S. 130A-157 and G.S. 130A-157.5, as enacted by Section 2.1 of this act, then the public health

47 immunization requirements contained in this Chapter. All citizens have a right to expect that their
48 personal privacy rights, particularly in the area of personal health, will be protected by this State.
49 Therefore, the matter of whether a person chooses for oneself, for one's children, or for anyone
50 for whom that person stands in loco parentis, to receive a vaccine or not to receive it, shall remain
51

1 a private matter, not to be violated. Because the requirement of a written statement of the moral,
2 philosophical, or personal beliefs and opposition to the immunization requirements would violate
3 those privacy rights, no such statement shall be required of anyone, nor shall the question of
4 whether such an affected person has received an immunization be asked of anyone as a condition
5 of attending any college, university, public or private school (Pre-K through 12), or child care
6 facility."

7 **SECTION 2.1.(b)** This section applies to any vaccination requirement, including a

17 information about individuals residing in this State who have received specific vaccinations or a
18 series of specific vaccinations, including the North Carolina Immunization Registry, the
19 statewide health information exchange known as NC HealthConnex, and the North Carolina
20 COVID-19 Vaccine Management System, shall provide for the following:

- 21

26 of the individual's vaccination record or vaccine status with respect to
27 a specific vaccine or series of vaccines.
- 28 b. The disclosure or sharing of information concerning the individual's
29 vaccination record, vaccine status with respect to a specific vaccine or
30 series of vaccines, or refusal to receive a specific vaccine or series of
31 vaccines. This written, informed consent requirement applies to
32 disclosures and sharing by the system, an individual's health care
33 provider, and an individual's health insurer.
- 34 (2) An option for an adult or, in the case of a minor, a parent or guardian to
35 withdraw previously granted consent that would trigger the deletion of all the
36 individual's vaccination records and other vaccination information from the
37 system and any other files maintained by the State agency responsible for
